INFORMATION FROM THE OFFICE OF FINANCIAL AID

See below for a few reminders from the Office of Financial Aid:

- Financial aid and scholarship information for returning students will be made available in early June. If your student is in jeopardy of losing any potential financial aid for the 2017-2018 academic year, the Office of Financial Aid will be in touch via email during this same time-frame.
- To parents of South Carolina Tuition Grant Recipients: The deadline for completing the FAFSA for the 2017-2018 academic year is June 30, 2017. If the Office of Financial Aid does not receive an initial submission of the FAFSA by this date, your child will not be eligible for renewal of the South Carolina Tuition Grant. Please contact the Office of Financial Aid with any questions at finaid@wofford.edu.
- Please remember to contact the Registrar’s Office with any changes to your email address. Email is the main form of communication from the Office of Financial Aid. This will help you to stay notified of your child’s financial aid status.

Skills students will develop include customer discovery, leadership/team building, sales, social media marketing, website development, storytelling, design thinking and prototyping. As part of the program, the group will spend five days in Montréal, Canada, attending Startup Fest, a gathering of the world’s best entrepreneurs, founders, investors and mentors. Click here for more information.

The program cost is expected to be $3,500 per student, which includes all expenses for the three-week on-campus program as well as meals, airfare and lodging for the Canada trip.
