

LOCATIONS FOR DECEMBER FIRST INTERIM MEETING (Tuesday, Dec. 4th, from 11-12)

Professors have the option of holding a first interim meeting on the first Tuesday of December. If a professor chooses to have that class session, then attendance is mandatory for students enrolled in the course (except for students who are abroad, who should contact their teacher to let him/her know they're out of the country.) Below is the list of courses that will be holding a first meeting this December 4th (11-12), along with the location for each class.
