Happy New Year, Terrier parents!

Classes began yesterday, and we’re all excited to start the spring semester after an exciting Interim. I hope your student had a wonderful interim experience, whether they studied on campus, traveled the globe or participated in an internship.

Below you’ll find information about the latest happenings at Wofford and some of what is planned during 2018. As always, we welcome your thoughts, feedback and questions. Please let me know if there is anything I can do for you.
