A NOTE FROM THOM

As we begin to wrap up the semester, our students are hard at work finishing up projects and studying for their exams. It’s hard to believe that in a few weeks we will have a new class of Wofford alumni. In this newsletter, you’ll find information on graduation weekend, summer school and exams week. We’re also looking to the future and have included our alumni calendar for this summer and information about the upcoming 2017 football season.

I want to take a moment to congratulate our senior parents. Remember, you and your student will always be a part of the Wofford family, so stay connected!

This will be the last parent newsletter until August; please feel free to reach out to me with any questions or concerns.
