Wofford Parents--

Many thanks to the families who were able to join us for Homecoming. We enjoyed having our alumni, parents, students and friends of the college back on campus and hope you will return soon. We’re right in the middle of the fall semester, and our students are busy taking midterms and staying involved in their clubs and student groups. Thanksgiving break will be here before we know it. Please feel free to reach out to me if you have questions or if I can be helpful.
