Wofford Parents--

Thank you so much for making Family Weekend such a huge success! We enjoyed having our parents, siblings, grandparents and other family and friends on campus and hope you will make it back soon.

Things are in full swing here at Wofford. Earlier in September the newly opened Jerry Richardson Indoor Stadium hosted its first volleyball match and Wofford Theatre is busy preparing for their first production in the Rosalind Sallenger Richardson Center for the Arts. Next up is Homecoming, and we are eager to have alumni back at Wofford for the weekend.

Please feel free to reach out to me if you have questions or if I can be helpful. Also, if you would like an additional Wofford Parents Association decal sticker, please reply to this email.
