We are excited to have students back on campus and look forward to a great fall semester!

With move-in day behind us, we are ready to focus on next month's Family Weekend, held Friday and Saturday, Oct. 26-27. I want to extend a special invitation for you to join me at the Wofford Parents Association Forum at 4 p.m. on Friday, Oct. 26 to hear from a panel of college administration and ask questions. All parents are encouraged to attend.

Meet the Class of 2022!
The college was excited to welcome 466 first-year students and 21 transfers to campus last week. The Class of 2022 includes:

- Students from 26 states and 8 countries.
- 24 students who were valedictorians or salutatorians of their high school.
- 126 Wofford legacies and 79 first-generation college students.
- 103 student-athletes who have signed National Letters of Intent.
- Thrill-seekers who are cliff-jumpers, sky divers and scuba divers, who swam with sharks, as well as a student who led a 400-mile canoe trip above the arctic watershed.
- Students with unique talents and interests — one who is a beekeeper, another who is an Irish dance champion, another who is an award-winning potter, and one who caught a 500-pound marlin!

To the families of our first-year and transfer students, welcome to the Wofford community!
