Mr. Conner yielded the floor to Treasurer Langley. Treasurer Langley pointed out that the Financial Affairs Committee meet for about six hours deliberating over the allocations. He gave some background, explaining that there are some set guidelines so that money can be evenly distributed to groups. He noted that fourteen groups have been funded according to the proposal, the others should either be able to getting funding from Fun Funds, find equipment in other places, or find adequate funding from another source. Most of the funding is going towards on campus events; however, the Ultimate Frisbee funding is to help pay for two tournaments, including entry fees and hotel rooms. In addition, Treasurer Langley added that \$7110 has been allocated, putting more money in the general proposal fund should an organization need additional funding. He encouraged the Assembly to ask questions if they are confused about the allocations. There were no questions; the debate was ended. Mr. Conner re-read the therefore clause and the proposal passed as presented.
