## FROM FINANCIAL AID

The 2021-22 FAFSA became available on Oct. 1, 2020. The priority deadline for returning students is Mar. 15, 2021. The holiday break is a great time to sit down with your child to get this important financial aid application completed. If you're unsure whether or not you need to file, feel free to contact our office. Generally speaking, a FAFSA must be filed each year to receive all types of need-based aid, including federal loans, federal and state grants, and the Wofford College grant.

Financial Aid is on BannerWeb. Have you checked it out? You can if your student has granted you proxy access and expanded your permissions to include Financial Aid. For instructions on how to create and manage a proxy account, visit the [proxy access webpage](#).
