STEP 3: ELEMENTARY AND SECONDARY EDUCATION AND DEPENDENT CARE EXPENSES (FOR INDEPENDENT STUDENTS/SPOUSE OR PARENTS OF DEPENDENT STUDENT)

The Department of Education considers private education in elementary or secondary school to be a family choice that is not considered for special conditions. It is Wofford's policy that only those families with NO choice be considered for private education tuition evaluation (i.e. sibling is expelled and cannot return to public school or severe disability not covered in public school), AND the requirement provides a hardship on the family.

- In 2019, did you pay for elementary or secondary education expense or dependent care expenses?
If YES, list family members and the amount of relevant support given for each by completing the grid below.
- Please explain if these expenses were/will be higher in 2019, 2020 or 2021 and why in an attached statement.
- From what sources will you finance these expenses? _____

- Did these expenses present a financial hardship to the family? ____ YES ____ NO
- Please explain why these expenses are necessary and provide supporting documentation such as letter from institution with amounts paid out of pocket listed.
