COMMENCEMENT PARKING AND TRAFFIC INFORMATION

TIPS:
- Please review the campus map for parking lot locations and traffic flow plans.
- Consider carpooling, either from home or meeting up somewhere off campus before coming to campus.
- Give yourself a few extra minutes travel time to all commencement events to account for traffic.
- Look for signs as you get closer to campus about parking locations for general parking and handicap lots.
- Shuttle locations will be located throughout campus when you arrive. These shuttles are designed to assist with elderly and handicap attendees. Shuttle will be available before and after the ceremony at the drop-off locations.
- Please have handicap parking hang tags visible for quicker access to designated areas.

INCOMING TRAFFIC PARKING INFORMATION:
- PLEASE follow signage and instructions from event staff for parking lots and traffic flow.
- All traffic flow will be incoming prior to the ceremony – this process will save on time and congestion.
- If you enter on Evins Street (from N. Church St.), you will be directed into parking lots on a progressive basis. Closest lots first and then next closest lots, etc.
- If you enter on Cummings Street (from Pine Street), you will be directed into parking lots on a progressive basis. Closest lots first and then next closest lots, etc. As one lot is filled, event staff will direct traffic to the next lot.
- Twitty Street (from Pine Street) will be closed to all incoming traffic prior to the ceremony.
- Event staff will direct all vehicles into spaces in all lots. Please be patient and follow directions.

SHUTTLES:
- Shuttle locations will be located throughout campus when you arrive (typically at or near the entrance to the lot where you will be directed to park). These shuttles are designed to assist with elderly and handicap attendees. Shuttle will be available before and after the ceremony at the drop-off locations.

OUTGOING TRAFFIC INFORMATION:
- Traffic will leave the same way you come in. There will be assistance to help with traffic flow immediately after the ceremony. If you come in on Evins Street, you will leave campus on Evins Street – same scenario for those entering on Cummings Street.
- Event staff will direct all vehicles into spaces in all lots. Please be patient and follow directions.
