Student records are confidential and are not disclosed to third parties without the explicit written consent of the student. Academic activities, such as registration, initial advising of transfer students, collection and posting of final semester grades, release of official transcripts, verification of the completion of all degree requirements and the conferring of baccalaureate degrees, are managed within the office. The Office of the Registrar also manages additional aspects, such as enrollment and degree verification, processing of withdrawals and program declarations, graduation and the commencement ceremony.
Academic Support
Dr. Boyce Lawton, dean of student success

The Writing Center
Wofford College offers its students the services of the Writing Center, located on the top floor of the Sandor Teszler Library. Students have easy access to library resources as well as to computer stations for internet research and word processing. Staffed by Dr. Deno Trakas, Hoy Professor of Literature, and several student tutors, the Writing Center is open Monday through Friday, 1-4 p.m., as well as 7-9 p.m. Sunday, Monday, Tuesday and Thursday. The center offers help with study, reading and research skills, but its primary focus is to help with writing (generating ideas, developing and supporting ideas, organization, grammar, punctuation, editing). The role of the assistants is to respond thoughtfully and critically to papers at any stage of the writing process and to help students improve their writing through discussion and instruction. They do not proofread papers or make corrections to papers.

Tutoring Services
Dr. Tracie Ivy, assistant professor of biology, directs the college’s Peer Tutoring Program for students who need academic help. Through the Peer Tutoring Program, the college provides free tutoring. Peer tutors are students with excellent academic reputations who have been approved by the faculty to tutor other students. To arrange for peer tutoring, contact peertutor@wofford.edu (all subjects) or flpeertutors@wofford.edu (modern languages, literatures and cultures).

Help with Academic Concerns
Students should talk with the professor first about any problem they may have in a course. It is best to make an appointment, but most faculty members are eager to take care of an urgent problem anytime. If students are unclear about what is expected, do not understand the reasons for their grades, are having difficulty with the material in the course or cannot find the resources they need, they should talk with the professor.

If students have concerns that they think are not addressed by the professor, they should talk with their adviser or with the chair of the department, then with the provost.

Academic regulations as well as degree and program requirements may be found in the college catalog at www.wofford.edu/catalog. Students with questions regarding academic policies should contact the Office of the Registrar.

Advising
Faculty members serve as advisers to help students formulate their educational objectives and to use the resources of Wofford College to meet those objectives. Advisers also help students understand Wofford College’s rules and requirements. Advisers give both information and advice. They are the first contact for assistance with almost any problem students may have. Every student has an academic adviser. Students are assigned an adviser with whom they are to work until they select a major. The department chair or major coordinator advises students who have declared a major.

Also, individuals named below serve as advisers for students with special interests. Students are encouraged to contact them for information.

The Department of Campus Safety is committed to providing and maintaining, to the greatest extent possible, a safe and peaceful environment where the missions of learning, teaching and academic achievement can be accomplished. The department is committed to providing high-quality law enforcement and security services that are responsive to the diverse needs of our students, faculty, staff and visitors. Campus safety officers are trained and certified as state constables through the South Carolina Criminal Justice Academy or armed security officers through the South Carolina State Law Enforcement Division (SLED). The officers provide for the safety and security of all who visit, study, live and work on the campus 24 hours a day, seven days a week. Campus safety officers have the authority and power to arrest any person violating South Carolina law on Wofford’s campus and property and areas immediately adjacent to the campus or property. All officers wear Department of Campus Safety uniforms and are armed. All officers operate under the department’s policy and procedures manual and other requirements set by the college.

Campus safety officers work closely with law enforcement agencies in Spartanburg County and, in particular, with the City of Spartanburg Police Department and the Spartanburg County Sheriff’s Office. The department has a written reciprocal agreement with the City of Spartanburg Public Safety Department for assistance in certain investigative and enforcement areas. When Wofford students are involved in an off-campus offense, campus safety personnel may assist with the investigation in cooperation with local, state or federal law enforcement. Campus safety officers have direct radio communication with City of Spartanburg Public Safety officers and may respond to an incident involving a Wofford student occurring in close proximity to the college. The Goodall Environment Center in Glendale, S.C., is owned and operated by Wofford College. It is patrolled jointly by both the Wofford Department of Campus Safety and the Spartanburg County Sheriff’s Office. In addition to the patrol service, the Spartanburg County Sheriff’s Office works closely with campus safety and provides drug testing and investigative support to the college. The Spartanburg County Communications Department also works with campus safety officers and has conducted several training classes for the department. Communications notifies campus safety any time there is an event on or in proximity of campus that may affect the safety and security of the campus, enabling the prompt issuance of a campus-wide alert or warning.

On occasion, the department has worked with law enforcement agencies outside of the county, including SLED and the Federal Bureau of Investigation. The department coordinates activities with the security and public safety departments of the county’s six other colleges and universities and shares information and intelligence readily. Wofford College does not have organizations that own property or regularly meet at off-campus locations. Student organizations do occasionally hold activities off campus. Campus safety officers, in accordance with South Carolina law, do not patrol or monitor activities at these off-campus locations.

The Department of Campus Safety is responsible for issuing identification card-key access to students and employees. All students, faculty and staff are responsible for getting an identification card and registering any and all of their vehicles with the department. Additional campus safety policies are listed in this handbook.

Wofford’s Center for Community-Based Learning (CCBL) is the primary coordinating structure for advancing campus-wide community engagement, supporting Wofford’s strategic vision of “preparing superior students for meaningful lives as citizens…”

The CCBL is the connective tissue between Wofford and its surrounding communities – facilitating, deepening, connecting and championing trust-based, mutually beneficial, sustainable campus/community collaborations that:

- Enrich teaching, learning, scholarship, innovation and research.
- Strengthen democratic values and civic responsibility.
- Prepare effective, informed, engaged citizens.
- Address critical societal and environmental issues, contributing to the common good.

The CCBL connects Wofford’s resources with other community assets to address the most pressing social, civic and ethical challenges of our day, enriching the quality of life for everyone, and creates what Ernest Boyer (1998) called, “A special climate in which the academic and civic cultures communicate more continuously and creatively with each other.”

Opportunities for students to get involved abound, including:

- Academic civic engagement classes.
- The Bonner Scholars Program.
- Student-led civic engagement organizations.
- Internships, placements and projects with community partner organizations.
- Community Service Federal Work Study.
- The “Pathways to Purpose” civic learning showcase.

Wofford’s Sandor Teszler Library is a three-level building featuring a wide array of information resources and a variety of flexible research, study and collaborative accommodations for nearly 400 people. In service since the fall of 1969 and named one of the “Outstanding Buildings of the Year” by the South Carolina Chapter of the American Institute of Architects, the building was dedicated in 1971 and named for Sandor Teszler, a humanitarian and respected leader in the textile industry.

The library’s Google-like discovery service, called Wofford OneSearch, enables students to search over 500 million resources, including e-books and e-journals, from anywhere in the world. Additionally, the library offers dozens of databases focused on disciplines across the curriculum. The library is a member of PASCAL, South Carolina’s academic library consortium, which provides shared access to print and electronic collections among all the state’s institutions of higher education.

Also housed in the library are the Wofford College Archives and the records and historical materials of the South Carolina Conference of the United Methodist Church. In addition, Special Collections houses more than 6,000 volumes of material dating from the 16th century through the 21st century, many of which were part of the college’s original library collection. A diverse sub-collection, the Littlejohn Collection, contains an array of manuscripts, archives and objects. Increasingly, many of these rare and unique resources are being made available online through our “Digital Commons,” found at digitalcommonswoffordedu.

The library, which is transforming into a student-centered academic commons, has a staff of 16 that provides many services, including research assistance and instruction in using the library’s rich holdings. Library staff members are available 93 hours a week. The building also includes conference areas with media facilities, the college’s Writing Center, the Trey Kannady Presentation Practice Room and the Sandor Teszler Library Gallery, with a changing schedule of exhibitions through the course of each year. The library’s website provides access to our full range of services and resources. Wireless access is available throughout the building.

Each first-year student and sophomore enjoy the benefits of having their own personal librarian. Their librarian will email periodically throughout the academic year. In addition, every major subject taught on campus has a librarian dedicated to supporting research in that field. Students may find out who their subject librarian is here: libguideswoffordedu/subjectlibrarians.

The Rev. Dr. Ron Robinson, Perkins-Prothro Chaplain and Professor of Religion, director of interfaith programs  
Elizabeth M. Fields, director, Halligan Center for Religious and Spiritual Life

Religious and spiritual life is under the direction of the college chaplain. The resources of the chaplain’s office and the Halligan Center are available to all members of the college community, regardless of race, culture, religion, sexual orientation, socioeconomic status, gender or ability. Wofford College is a welcoming community to all persons whether or not they are part of a religious or faith tradition.

The Halligan Center for Religious and Spiritual Life is:  
The coordinating home for the diverse religious observance on the Wofford campus.  
A well-being resource for students, staff and faculty.  
Home to Wofford’s expanding interfaith program.  
Home to campus engagement, from a faith perspective, of issues in the world today.

Whether one is wrestling with big questions or searching for a community of faith, attempting to discern talents, passions and strengths while deciding what to do in life or ready to commit to direct service and action, the Halligan Center is a valuable resource of encouragement, contemplation and connection for the Wofford community.

Wofford has several locations for group and individual religious and spiritual activities. These include Leonard Auditorium, Mickel Chapel and the Masjid, all in Main Building. Martha’s Garden, located near the Pavilion, is a favorite spot for prayer and reflection. The Labyrinth at Glendale Shoals, at the Goodall Environmental Studies Center, is a favorite off-campus site for meditation and contemplation in a beautiful natural setting.

The Halligan Center offers a variety of worship experiences on campus. Seasonal and traditional services of worship, such as the Blessing of the Entering Class, Candlelight Carols and Baccalaureate, are held on selected days. Ash Wednesday and Holy Thursday services are well attended on campus. Other campus-wide events include the Lighting of the Menorah and the Passover Seder. Jun’ah Prayers are offered on occasion. A Simple Time, a midweek time of communion and contemplation led by the chaplain, is held in Mickel Chapel each Wednesday. Weekly meditation times are offered. Arise, a hip-hop worship experience is offered weekly. Numerous study and discussion groups occur on
campus. Listings are available outside the Halligan Center and by social media. In addition, the Halligan Center offers assistance to students of any faith who wish to find a local place of worship.

One of Wofford’s signature efforts is around interfaith programming. Students from across a variety of religious and spiritual and secular worldviews come together to form friendships, learn from each other, and serve the community. Wofford has consistently received national recognition for its leadership in interfaith community service. Two Interfaith Fellows (students) lead the campus Interfaith Youth Core and the Better Together campaign. Faculty offer courses on interfaith engagement.

Religious groups from several traditions, including Jewish, Muslim, Hindu and Christian (Roman Catholic, Protestant and Orthodox), have regular meetings and periodic lectures and forums. Professionally trained and credentialed leaders serve as campus ministers for these groups. Parachurch groups, such as Campus Outreach and Fellowship of Christian Athletes, have non-credentialed or volunteer staff and offer activities on campus and in the community. Student-organized religious and spiritual groups function on campus as well.

Convocations dealing with issues of religion, spirituality and ethics are open to the campus community.

Student activities is one of the three major focuses of the student involvement program. The director of student activities oversees the Wofford Activities Council (W.A.C.), Wofford Live and Wofford Athletics and Recreation Committee (W.A.R.). Each of these groups are committees of the Campus Union. W.A.C. is the student-led social programming group, whose members oversee every aspect of the event planning process – from planning and producing events to marketing and promotions to hospitality. Wofford Live is a committee of students that works to bring well-known musical acts to campus. W.A.R. helps promote all athletic events on campus by bringing students to the games to cheer on their fellow Terriers.

Wofford has many different student organizations in which students may get involved; groups include, but are not limited to, APO, Campus Union, Ducks Unlimited, OLAS, Twin Towers and Wofford Robotics and Engineering Cadre. The office supports student clubs and organizations, providing resources for students to start new groups, plan events and promote their organizations to the campus community. Wofford offers a complete educational, cultural and social experience that contributes to student development and success.

The Office of Student Affairs supports the mission of the college by providing opportunities and guidance so that students can develop mentally, spiritually, socially, emotionally, intellectually and physically. This is accomplished through programming organized within residence life, student activities, diversity and inclusion, Greek life, the Wellness Center, counseling, campus safety, campus recreation, club sports and intramurals, student government, the student judicial system and parent and new student orientation.

The offices are open Monday-Friday, 8:30 a.m.-5 p.m. The staff has an open-door policy and will see students without regard for ethnicity, culture, ability, gender, sexual orientation or religion. To ensure that a staff member is available at a convenient time, students are encouraged to make an appointment. Students who have an emergency may call the Department of Campus Safety at 864-597-4911 for the name of the staff member on call.

The Office of Student Involvement assists students in celebrating diversity and integrating co-curricular programs to create a welcoming, inclusive experience for all students. Wofford College maintains a campus healthcare program to provide primary care for resident students and to educate students and employees on preventive measures concerning their health and wellbeing.

The Wellness Center is staffed Monday through Friday from 8:30 a.m. to 5 p.m. by licensed health care providers, including a nurse practitioner. The nurse practitioner is able to diagnose, treat and prescribe medicines in most cases of illnesses and injuries. If needed, students will be referred to the college physicians. Non-emergency visits to the Wellness Center should be made at times that do not conflict with classes. Students must assume the responsibility for communicating directly with their professors in matters concerning missed classes, assignments or exams because of illness or injury. For additional information regarding the sick policy, see Class Attendance Policies or go to wofford.edu/wellnesscenter/statementofillness/.

Payment of the comprehensive fee entitles resident students to office visits to see the Wofford College physicians in ordinary cases of illness. Other health situations can be seen by the doctors but are not covered by the fee. This fee also entitles students to unlimited visits to the Wellness Center. On-campus office services such as labs, procedures, injections and prescription medications have a nominal fee when seen in the Wellness Center.

After-hours emergency care is available by calling the Department of Campus Safety at 864-597-4911, the resident assistant or resident director on duty or the student affairs staff member on call.

The Spartanburg Medical Center emergency department and EMS are minutes away and are available for emergency situations when warranted.

Regional Nurse on Call is a free service that provides accurate health and wellness information by phone from a registered nurse. This service operates 24 hours a day. The number is 864-591-7999.

The Wofford Wellness Program
The Wellness Program provides the Wofford community with wellness programming throughout the year.

Counseling Services
Counseling services are available to Wofford students as part of the comprehensive fee. Services are available to assist students in navigating some of most stimulating and rewarding times they will experience. There are many times that a student is able to handle transitions and stress smoothly without much disruption in his/her life. There may be times in a student’s life when there is a change that feels chaotic, out of control or overwhelming. Counselors see students for a variety of concerns and issues that may range from mild distress to more serious psychological issues. The most frequent issues in college counseling are stress and time management, values clarification, alcohol and drug misuse, relationships, self-esteem issues, family concerns, disordered eating, depression and anxiety. Counselors also may facilitate access to on campus psychiatric services for medication on a time-limited basis and for nominal fee.

To make arrangements to see one of the college counselors, visit the website (wofford.edu/wellnesscenter) to schedule an appointment. Students will be responsible for fees for any off-campus counseling. Contact the Wellness Center for more information.

Accessibility Services
The director of accessibility and counseling services coordinates assistance for students with disabilities. In accordance with the provisions of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA), Wofford College seeks to provide disabled students with reasonable accommodations needed to ensure access to the programs and activities of the college. Accommodations, determined on an individual basis, are designed to meet a student’s needs without altering the nature of the college’s instructional programs. A student in need of accommodation must submit proper documentation through the student tab on myWofford. Guidelines for documentation are available from the Wellness Center or online at wofford.edu/wellnesscenter.

Campus Safety

Emergency Response and Evacuation Testing
The college conducts at least one response and or evacuation drill per year. Such drills may include, but are not limited to, shelter-in-place drills, mass evacuation exercises, severe weather and tabletop exercises with college and local responders. Campus Safety will coordinate these exercises and drills and maintains records of each to include the time and date of the exercise, number of participants, an evaluation of the drill or exercise and whether the exercise or drill was announced. When possible, the Department of Campus Safety will invite evaluators from other agencies or departments to evaluate the effectiveness of the activity. Campus safety will record the event on the campus safety website at www.wofford.edu/campussafety.

The college conducts two fire drills each semester (one of which is at night) for residence halls and one per semester for most educational buildings. Students are taught evacuation routes and procedures as part of hall meetings with resident assistants, in class, as part of most administrative announcements from professors and as part of scheduled evacuation drills. Officers conduct at least one fire drill per year for administrative buildings on campus. Records of the drills are maintained at the Department of Campus Safety and published as part of the Annual Security and Fire Safety Report. The college conducts tornado and/or other drills, such as evacuation drills, each semester. Records are maintained at the Department of Campus Safety and campus safety website (www.wofford.edu/campusSafety). The college will exercise and test its mass notification system (email, text and outdoor siren system) at least once per year. Results of these tests will be maintained at the Department of Campus Safety. Evacuation and other drills may be either announced or unannounced but always will be scheduled events. As many notification alert methods as possible are used and exercised during drills and exercises. For instance, siren activation is combined with evacuation drills as often as possible.

The college’s Emergency Operations Plan is written by the campus Emergency Preparedness Committee and specifies the roles and responsibilities of primary campus offices and employees during emergencies. Business continuity of operations, fire and life safety procedures and contingency planning procedures are included in the plan.

Campus safety officers have received training in the incident command system (ICS), which allows the campus officers to work with responding agencies during emergencies. Campus safety officers are normally the first responders on the scene during on-campus emergencies. Spartanburg City Police Department, Spartanburg Fire Department, Spartanburg EMS and Spartanburg County Sheriff’s Office deputies also would respond. State and federal agencies also could respond, depending on the size of the incident. The college also works with the Spartanburg County Office of Emergency Management and the Office of the Fire Marshal when conducting emergency planning operations.

Facilities
The Department of Campus Safety submits to the physical plant (via School Dude [accessible via myWofford], email, telephone or written request) a work list to repair outdoor lighting, inoperable exit doors and other items that may affect the safety of students and employees.

Identification Key Cards
Every student taking a course for credit must have an ID card. The ID card, issued to the holder, is the property of Wofford College. This card is the student’s means of identification in connection with food service, library privileges, athletics events and facilities, student health services, the bookstore, the Business Office and any other college functions to which students may be entitled. Photographs for the ID-Key Access Card are taken during new student orientation and the first week of each academic term. The ID card must be carried at all times and must be presented and/or surrendered upon the request of authorized Wofford College personnel (Campus safety officers, any member of the administrative staff). The status of a non-Wofford College person will be assumed for any person (including any student) who refuses to present or surrender Wofford-issued or other official identifications to authorized college personnel. Such persons will be escorted from the campus. In case of violation of legal statutes, such violations will be remanded to the civil authorities. If a student’s relationship to Wofford College is terminated, the card must be returned immediately to the Office of Student Affairs. If an ID card is lost, a replacement card can be made for a $10 fee in the Department of Campus Safety during regular business hours, Monday-Friday, 7 a.m.-3 p.m. Since the ID-Key card controls access to the residence halls, it is important to report a lost or stolen card immediately. Students may file a lost or stolen ID card report any time, 24 hours a day, by contacting the Department of Campus Safety at 864-597-4350.
Lost and Found
Students may contact the Department of Campus Safety (864-597-4350), the Office of Student Affairs (864-597-4040) or the dispatch center (864-597-4000) when trying to locate lost items.

Motor Vehicles
Vehicle Registration
All students and all employees who drive, operate or control, park, let stand or otherwise use or maintain a motor vehicle at Wofford College are required to register the vehicle with the Department of Campus Safety.

Campus safety will issue students and employees parking decals, which must be affixed to their vehicles on the left back (driver’s side) window. There is no cost to the student or employee to register a vehicle for the academic year. However, failure to register a vehicle will result in a fine of $20 per day. Students and employees must register their vehicles within 48 hours of their arrival. Wofford College parking regulations are located on the campus safety website at https://www.wofford.edu/uploadedFiles/Wofford%20College%20Parking%20Rules.pdf. These regulations are in effect throughout the year. Failure to comply with the regulations may result in ticketing or towing of the vehicle at the owner’s expense. Wofford students are responsible for informing their guests of these regulations.

Wofford College reserves the right to search vehicles on or adjacent to college property campus for the purpose of safety, maintenance, legal or emergency situations.

Disability Parking
State-issued or Wofford College-issued disability permits are required to park in the campus disability spaces. Wofford College disability permits are available to students, faculty and staff of Wofford College and are valid only on the property of Wofford College. Parking in disability spaces on city streets and other locations requires a state-issued hanging tag or disability license tag from the South Carolina Department of Motor Vehicles. Campus disability permits are available at no charge from the director of the Wellness Center.

Vehicle Theft Protection
Wofford College assumes no responsibility for the care or protection of any vehicle or its contents while operated or parked on campus. Valuables, if not removed, should be secured in the trunk of the vehicle. Thefts of or damage to a vehicle should be reported immediately to the Department of Campus Safety at 864-597-4911.

Protect Your Property/Insurance
Wofford College is not responsible for the loss, damage or theft of any personal property. Students wishing to protect themselves from the possibility of such losses should cover their belongings with the appropriate insurance. Renter’s insurance is generally available through the companies that carry vehicular and/or home insurance. Frequently, existing homeowner’s policies carried by parents cover a student’s personal property for the duration of the student’s college career. Students should investigate these policies before arriving on campus.

Enacted April 22, 1971

Each committee is a working body. The basic function, purposes and organization are outlined below. The committees intentionally are given broad purposes and flexible definition in order to allow for maximum creativity on the part of the committee members. It will be up to the committee chair’s discretion as to what constitutes a missed meeting.

All standing and ad hoc committees are answerable directly to the assembly, and ad hoc committees are answerable to the executive committee. Any committee action is subject to the approval of the assembly by a simple majority. Periodic reports of activities and plans must be presented to the assembly. The assembly may call for a report from a committee at any time. Budgeting for all committees shall be handled by the financial affairs committee of the assembly.

Section 2. Chaplain
The assembly shall elect a chaplain from the voting membership to provide devotions at the beginning of each assembly meeting.

In addition, it must either be distributed to all students by way of campus mail or by way of a public mass email prior to the referendum.
Preamble
Since Wofford College is a community of persons living together in a social as well as educational context, there must be a code of student responsibility. Wofford College is, however, dedicated to the maturing of men and women and the pursuit of a liberal education. Therefore, the responsibility for student conduct, both on and off the Wofford campus, rests principally with the students themselves. Wofford College has flexible policies and procedures, rather than rigid and needlessly detailed rules and regulations. Thus, the Wofford College community expects to remain open as well as to maintain order.

I. Relationships between College Code and Other Authorities

A. Civil Law
Although Wofford College is concerned with all activities of all students, both on and off campus, which constitute a part of their educational experience, Wofford College will not assume jurisdiction over activities off campus except in those rare instances in which such activities are clearly detrimental to the Wofford College community. Aside from ensuring fair treatment and providing assistance in the securing of counsel, Wofford College administration will not involve itself in students’ arrest by civil authorities.
If a violation of civil law occurs on campus, Wofford College may institute its own proceedings against the offender if Wofford College’s interest as determined by the Judicial Commission is clearly distinct from that of the community outside the college.

B. College Policies
Wofford College students will be subject to the policies and procedures of this institution. If any issue is not clearly addressed by the Code of Student Rights and Responsibilities, the judicial body and student body may consider the Wofford College Policies as a supplement to the code.

II. Conduct of Wofford Students While on Other College Campuses
It is foreseeable that Wofford students might violate regulations on other college campuses. Since such infractions may not violate civil law and since other colleges have no jurisdiction to punish Wofford students, the Judicial Commission is given discretion to determine jurisdiction over such violations.

III. Educational Rights and Responsibilities

A. Right of Inquiry
Students and student organizations are free to examine, to discuss and to express opinions or questions of interest to them. Furthermore, in order to bring to the campus a wide range of viewpoints on various subjects, the Wofford College community believes that no speaker invited by a campus organization should be denied free access to the campus.

A campus organization wishing to bring an outside speaker to the campus should notify the dean of students and make necessary arrangements for proper scheduling of facilities and preparation for the event. It should be realized by all persons that sponsorship of outside speakers by the Wofford College community does not imply approval or endorsement by Wofford College of the views expressed. In addition, all speakers must agree to be available for questions and answers. Wofford College, of course, cannot shield from state or federal prosecution any speaker whose utterances at Wofford allegedly violate valid laws relating to treason, sedition, obscenity or the like.

B. Right of Expression
In the interest of academic freedom and the right of peaceable assembly, Wofford College students are allowed in any public area of Wofford College, including corridors and other places set aside for public meetings, to support or protest any cause of interest to them. All student gatherings or demonstrations must be orderly and must not interfere with the legitimate pursuits of other members or guests of Wofford College. The students of Wofford College are encouraged to voice their opinions, but they should realize that they speak only for themselves and not for the student body or the Wofford College community as a whole. Participation of students in demonstrations and protests off the campus is left to their own discretion, subject only to the article above. The Wofford College name, however, is retained for official, recognized organizations and activities and may not otherwise be used without special permission.
The publications of Wofford College, both oral and written, shall conform to journalistic ethics and to good practices of that profession. This includes the avoidance of libel and slander, indecency, undocumented allegations, attacks on personal integrity and the techniques of harassment and innuendo. With these standards, the publications of Wofford College will be free of censorship, prior restraint or advance approval of copy. The individual editors will employ their own discretion concerning editorial and news policy and will not be subject to arbitrary suspension or expulsion from Wofford College because of editorial or news policy.

C. Freedom of Association
As part of the academic freedom sought by Wofford College, students may organize themselves into any groups they wish for whatever purpose they wish. All students in an organization shall be subject individually to the rules of Wofford College and the community.

Any student has the right to associate freely with off-campus organizations without being punished or in any way harassed for this membership or association.

A student organization may apply for recognition by Wofford College by meeting the requirements for application set up by Wofford College. (Refer to Business Policies.)
1. The name of the organization, its stated purposes and the names of its principal officers must be on file in the office of the dean of students.
2. Recognized Wofford organizations shall not practice racial, sexual or religious discrimination, except as authorized by Title IX, Section 901 of the United States Code.

Recognition may be granted or denied by the Student Affairs Committee of the faculty.

Recognized organizations have Campus Post Office privileges and priority over unrecognized student organizations in the use of campus facilities for meetings and social functions. Though recognition does not entitle an organization to appropriation from college funds, only recognized organizations may apply.

IV. Social Responsibilities
A. Conduct Affecting the Person, Property or Rights of Others
Wofford students shall not lie, cheat or steal. It is the responsibility of the students to respect the persons, property and rights of others. Therefore, students will not engage in any form of activity that results in or that might naturally result in any of the following:
1. Injury to person.
2. Damage to property.
3. Interference with the normal activities of Wofford College.
4. Interference with the rights of other members of the Wofford community.

B. Alcohol Policy
Possession or use of alcoholic beverages is governed by local ordinances and state law. In addition, on-campus conduct of students and their guests relating to the possession or use of alcoholic beverages is a matter of special concern and is subject to policies and procedures set forth in a statement adopted by the Wofford Board of Trustees and appended to this code. The administration will assume jurisdiction in these cases. (The complete policy is detailed in the College Policies section of this handbook.)

C. Drug Policy
Possession or use of narcotic, mind-altering or other illicit drugs, except on prescription of a licensed physician, is prohibited by local ordinances and by state and federal laws. In addition, possession or use of these substances by Wofford College students and their guests is a matter of special concern and is subject to the college’s policies. The administration will assume jurisdiction in these cases. (The complete policy is detailed in the College Policies section of this handbook.)

D. Sexual Harassment and Sexual Misconduct
All students have the right to work and study in an environment free from all forms of adverse discrimination. This includes any form of sexual harassment or sexual misconduct. These terms are specifically defined and explained in the Sexual Assault/Misconduct Policy.
E. Discrimination and Harassment
Wofford will not tolerate any conduct (verbal or physical) that constitutes harassment by any administrator, faculty member, staff member, vendor or student. (Refer to the Discrimination and Harassment Policy in the College Policies section of this handbook.) The bias reporting form is found at connect.wofford.edu/mywofford/campuslife/biasIncident.aspx.

F. Civil Law
Students are expected to abide by civil law.

G. Gambling
Gambling on campus is not permitted.

H. Hazing
Hazing is not permitted on or off campus. Hazing is defined as any action taken or situation created by any organization or persons that would produce or result in mental or physical discomfort, embarrassment, harassment or ridicule.

I. Firearms
The possession and/or use of firearms (except where specifically allowed by state law for members of the Department of Military Science training with U.S. military weapons, rifle team members or members of the Department of Campus Safety), weapons and other propelling devices as well as explosives, such as fireworks, ammunition or chemicals that are explosive in nature, is prohibited on campus by college policy and/or S.C. law. Unauthorized use, possession or storage of any weapon on campus constitutes a violation of the code and college policy. All weapons are strictly prohibited in students’ rooms and elsewhere on campus to include student and employee vehicles.

A weapon is defined as any object or substance designed to cause reasonable apprehension of physical harm to any person, inflict a wound, cause injury, incapacitate or damage personal property. Weapons include, but are not limited to, all firearms, guns, Airsoft guns, BB guns, potato guns, paint guns, pellet guns, stun guns, axes, saws, slingshots, nunchakus and knives.

*Note: Wofford College reserves the right to confiscate anything it deems hazardous or dangerous.*

J. Fireworks and Other Weapons
Use of fireworks and explosives is prohibited.

K. Commercial Solicitation
No soliciting, canvassing or peddling is permitted by anyone on campus without specific written permission from the dean of students or his/her designee.

L. Responsibility to Campus Safety Officers
Campus safety officers protect the college and its occupants from vandalism, theft and other harmful conduct. They are to be treated with courtesy and respect by all members of the community. It is the responsibility of students and others to comply immediately with a request to show identification cards to any campus safety officer.

V. Honor Code

Preamble
Wofford College is committed to the moral as well as the intellectual growth of its students and staff. Freedom and responsibility in such a community demand that its members embrace unambiguous principles of good conduct. Thus, the Wofford College Code of Student Rights and Responsibilities emphasizes personal integrity as its highest value, and members of the community are expected to be honest, trustworthy, responsible and honorable.

Dishonesty (lying, cheating, defrauding and/or stealing) is especially destructive of the academic process. Integrity being necessary in research, discovery and expression of ideas, Wofford College has an honor code to express its intolerance for academic dishonesty. The Honor Code requires faculty, staff and students to be honest in their own work and their use of ideas and to encourage others to do the same. The code demands a high standard of personal honor. It requires students to pledge honesty in their academic work, and it sets forth appropriate responses to those who violate that pledge.
A. Academic Dishonesty
The Honor Code at Wofford College governs academic dishonesty. Academic dishonesty is a general term referring here to any cheating, misrepresentation and/or stealing in academic or intellectual work submitted by a student of Wofford College in courses or projects or for college publications. It also applies to dishonesty in academic activities in which students may represent Wofford College (college bowl or mathematics competitions, internships or research projects, for example), even if these activities occur when classes are not in session.

It is impossible to list all acts of academic dishonesty, but acts of academic dishonesty include:
1. Any conduct that involves the unauthorized use of information obtained by any means.
2. Unauthorized receiving, buying, selling or theft of any assignment, examination or quiz prior to its administration.
3. Unauthorized use of any electronic or mechanical device during any academic course.
4. Unauthorized collaboration on any test, assignment or project.
5. Plagiarism, which is defined as:
   a. Verbatim repetition, without acknowledgement, of the writings of another author.
   b. Borrowing or using information developed by another without acknowledging the source.
   c. Paraphrasing or translating the work or thought of another writer without acknowledgment.
   d. Allowing any other person or organization to prepare work that one then submits as his/her own.
6. Preparing any assignment for another to submit as his/her own.
7. Misrepresenting personal circumstances (such as conflicting responsibilities, personal illness or illness or death of loved ones) in an effort to avoid an assignment or deadline or as an excuse for not meeting academic responsibilities in a course.
8. Submitting for credit in a course any work previously submitted for credit in this course or in another course.
9. Any other incident of lying, cheating or stealing in the preparation or presentation of academic work.
10. Lying to members of the faculty, administration or Honor Council who are conducting an investigation or a hearing of academic dishonesty.
11. Misrepresenting personal or academic circumstances in order to gain advantage in registration for classes or to secure a course override.

B. Honor Pledge
A condition of matriculation at Wofford College is the signing of the Honor Pledge, in which students promise the faculty and fellow students they will not engage in any act of academic dishonesty. The pledge reads as follows:

I understand that Wofford College seeks to develop the character as well as the intellect of its students. I understand that Wofford students are expected to be honest, trustworthy, and honorable. Further, I understand that behavior contrary to these expectations threatens the values of the college and destroys trust among members of our campus community.

I have read and understand the provisions of the Wofford College Honor Code governing academic dishonesty. I understand that academic dishonesty reflects poor judgment and character, undermines the integrity of the academic program, and diminishes the value of the credentials of the graduates of the college.

As a sign of my membership in the Wofford College community and of my allegiance to its principle of honor, I promise the faculty and my fellow students that I will never engage in an act of dishonesty in my academic work.

As a reinforcement of the promise, students will sign work submitted in a course with the word “pledged” and their signature.

C. Honor Council
The Honor Council, a component of the student government at Wofford College, administers the provisions of the Honor Code. The council is composed of 15 students. Members of the Honor Council are selected each spring for the following year. Early in each spring semester the chair of the Honor Council will solicit the student body for applicants for membership on the council. Candidates will submit an application letter and two recommendations, one from a student and one from a faculty or staff member. The applicants are screened by the Electoral Board, which consists of the outgoing chair of the Judicial Commission, the four outgoing officers of the Campus Union, the six outgoing senior delegates of the Campus Union, the dean of students and two members of the faculty. The board will pass the names of those applicants it approves to the outgoing senior members of the Honor Council, who will elect from those approved by the board members of the Honor Council for the upcoming year. In making its selection of new members of the Honor Council, the board and the seniors on the council give primary consideration to a candidate’s moral character and
commitment to the promotion of academic honesty.

The newly elected members of the Honor Council are eligible to assume their council responsibilities effective the beginning of spring semester academic holidays. The Honor Council elects its chair, vice chair and secretary. If for any reason a member of the Honor Council vacates a position, the seniors on the council will name a replacement.

The chair of the Honor Council presides at hearings of accusations of academic dishonesty. For each case, the chair appoints a member of the council to serve as prosecutor for that case. The chair also appoints a student requested by the accused student to serve as student advocate. If the accused student has no request, the chair will appoint a student advocate from the council. If for any reason the chair is unavailable, the vice chair will act in his/her place. The secretary is responsible for all records and communications from the council. The Academic Integrity Committee will appoint at least one of its faculty members to observe each meeting and hearing of the council and to give advice and guidance to the council in performing its duties. The faculty member will not vote, nor will he/she attempt to persuade the council in its verdict or sanction.

1. Reporting Procedures
While failure to report an act of academic dishonesty is not an infraction of the code, all persons in the Wofford College community are to uphold the values of the Honor Code, and they should not tolerate academic dishonesty by others. When anyone in the Wofford College community has reason to believe that a student has committed an act of academic dishonesty, it is appropriate and right to report the matter in writing to the provost and the chair of the Academic Integrity Committee or to the faculty member involved. If the report goes to the faculty member, he/she will notify the provost and the chair of the Academic Integrity Committee. Upon receiving a report, the chair of the Academic Integrity Committee will notify the chair of the Honor Council (and the faculty member, if the report did not originate with the faculty member in question) and begin the process of adjudicating the case as described below.

Members of the Wofford College community must use their best judgment in determining whether or not acts are covered by the definitions of this code and therefore constitute academic dishonesty. Instructors who suspect that an instance of academic dishonesty has occurred will report the circumstances to the provost and the chair of the Academic Integrity Committee.

2. Adjudication
Upon receiving a report that an act of academic dishonesty may have occurred, the chair of the Academic Integrity Committee will determine whether the accused student previously has violated the code, and then will proceed as follows:

If the alleged infraction would be a first offense:
If the professor in question deems the matter warrants a sanction of suspension, he/she may choose to remand the case to the council without a preliminary meeting.

Otherwise, the chair of the Academic Integrity Committee will call for an adjudication meeting, to be attended by the professor, the accused student, a member of the Academic Integrity Committee and an advocate for the accused. The representative of the Academic Integrity Committee will chair the meeting. The advocate for the accused must be a current student at Wofford College. The chair of the Honor Council will nominate a member of the Honor Council to serve in this role, but the accused student may at his/her discretion choose a different person to act as his/her advocate.

At the adjudication meeting, the professor in question will present the evidence of an offense, and the accused student can offer a defense. The student is not obligated to offer a defense if he/she does not wish.

If the accused student admits that he/she did commit a violation, either knowingly or unknowingly, the meeting attendees will discuss an appropriate sanction. The ultimate decision on the sanction rests with the professor in question (in consultation with the attending member of the Academic Integrity Committee); however, the sanction can be no stronger than assigning a grade of WF (non-replaceable) for the course.

If the accused student does not admit to a violation of the code or chooses not to accept the sanction selected by the professor, the case is remanded to the council for a hearing, and a recording of the adjudication meeting will be made available to the council. If all parties agree to the selected sanction, the member of the Academic Integrity Committee in attendance will file a report with the chair of the Academic Integrity Committee and the Provost’s Office (and, in the case of a sanction of WF, with the Office of the Registrar), briefly outlining the facts of the case and the agreed-upon sanction.
If the alleged infraction would not be a first offense or if the preliminary hearing did not result in an agreement:

The case is remanded to the Honor Council. The faculty adviser to the Honor Council, a member of the Academic Integrity Committee designated by the chair and the prosecutor for the case will confer to decide whether there is probable cause for a charge. If two of the three agree that evidence is sufficient, the faculty adviser to the Honor Council will notify the chair of the Honor Council, who formally will charge the student and convene a court to hear the case.

If the adviser, designated member of the committee and prosecutor do not find sufficient evidence to make a charge, the chair of the Academic Integrity Committee will inform the accuser that the claim has been investigated and that no charge is being made. The matter is not recorded in the file of the accused student, and the faculty member must not consider the alleged violation in determining the student’s grade in the course. Any written records pertaining to the case will be destroyed.

Unless one already was selected, the chair of the Honor Council will nominate a member of the council to serve as advocate for the accused student. The student may accept that nomination or select a different student to serve in that role.

During the academic year, the chair of the Honor Council will convene six members of the council to conduct a hearing. During vacation periods, including summer terms, the chair has the option to convene a panel with as few as three members of the council to conduct a hearing. During such periods, if the accused student wishes to wait until a full court can be convened, he/she may do so with the knowledge that the hearing may be delayed as necessary until the college is in session. The Honor Council members so appointed will be the hearing court for the case. That number shall include the council chair, but not include the prosecutor or the student advocate. Any member who has kinship or a close personal relationship with the accused student will be expected to recuse himself/herself from the case. The student will be found responsible for a violation if at least four of the six members of the council (or a 2/3 majority during vacation periods) find that a preponderance of evidence indicates the violation occurred. Otherwise, the accused student will be found not responsible.

If the process leads to the student being found responsible, the attending member of the Academic Integrity Committee will inform the hearing court of any previous conviction the offender may have for academic dishonesty, after which the court will set the sanction. At least four of the six members of the court (or a 2/3 majority during vacation periods) must concur with the sanction. If there is no agreement, the least severe punishment under consideration will be administered. The verdict and the sanction will be announced by the court to the convicted student, the prosecutor and the student advocate immediately after the court completes deliberation and makes a decision, and the chair of the council will give the student a written notice of the council’s decision and sanction.

A student accused of academic dishonesty may elect to admit responsibility before or at the beginning of the hearing. In that case, the court will meet only to determine a sanction. The student may attend the meeting to make a statement or may choose to be absent, but must be present for the announcement of the sanction immediately after the court completes deliberation and makes a decision.

If the accused student is found not responsible, the verdict will be announced to the accused student, the prosecutor and the student advocate immediately after the decision is made. All materials relating to the case will be destroyed. The faculty member must not consider the alleged violation in determining the student’s grade in the course.

Meetings of a hearing of academic dishonesty are closed, attended only by the members of the court, other members of the council as observers, at least one member of the Academic Integrity Committee, the accused student and the student advocate and persons invited by the court to give information or testimony. In addition, the provost may aid the prosecution, and the dean of students or an appointed representative may aid the defense. The reporting faculty member may attend the hearing at his/her discretion, but may be in the room only while he/she is giving testimony or answering questions from the council. The proceedings of the court will be audio recorded for purposes of reference. The recordings of hearings will be maintained in the Office of the Provost for two years.

D. Sanctions

Students found responsible by the Honor Council for a violation of the code that occurs in the context of a course will be subject to the following sanction or sanctions:

1. Grading Sanction

Mandatory withdrawal of a student from the course, resulting in the professor’s assignment of a grade of WF (or F if
the determination is made after the course has been completed). The council may assign one of two grading sanctions:

1. Replaceable WF – The student may retake the course to replace the WF in his/her Wofford GPA. Both the WF and the retake grade will be noted on the transcript.
2. Non-Replaceable WF – The student may retake the course; however, both the WF and the retake grade will be used to determine Wofford GPA. Both the WF and the retake grade will be noted on the transcript.

2. Suspension
Separation of a student from Wofford College for a fixed period of time determined by the court, usually from the time remaining in the academic term to an academic year in length. Wofford will not accept for credit any work undertaken at other institutions by a student during his/her suspension from Wofford College.

3. Expulsion
Permanent termination of student status. The court may allow the student to complete the current term.

4. Workshop
The court may recommend that the student complete one or both workshops listed below within 30 academic days (exclusive of exams) following delivery of sanction. The recommendation will be recorded with the sanction, and the student’s completion of the workshop within the given time frame will be noted in Honor Council records.

1. A research workshop directed by the reference librarian on proper use of references in research and proper citation of materials used.
2. A time management workshop. Options for completing this workshop will be presented to the student at time of sanctioning.

Students found responsible for a violation of the Honor Code outside of the context of a course will be subject to the sanctions outlined in Article VI of the Code of Student Rights and Responsibilities.

1. First Offense
For a first offense that occurs within the context of a course, the court has the discretion to impose one of two sanctions: (1) a grading sanction or (2) both the grading sanction and suspension from Wofford College. On the motion of the provost, a student may be expelled from Wofford College for a first offense that is flagrant or egregious. In cases where the court believes a workshop may provide the student with important skills to aid in avoiding further infractions, the court also may require the completion of one or both workshops. For an offense outside the context of a course, the court may impose any of the sanctions outlined in Article VI of the Code of Student Rights and Responsibilities except expulsion, which may only be considered upon the motion of the provost.

2. Subsequent Offense
If a subsequent offense occurs within the context of a course, the sanction is (1) both the grading sanction and suspension as outlined above or (2) both a grading sanction and expulsion from Wofford College. The court also may require the completion of one or both workshops to demonstrate readiness for re-entry. If a subsequent offense occurs outside the context of a course, the sanction will be suspension or expulsion.

All sanctions take effect at the expiration of the 48-hour appeal period or as soon as the ruling on an appeal is made, except that if the infraction occurs late in a semester, the court may delay the beginning of a suspension or expulsion until the next term or semester. In the case of a suspension or expulsion with immediate effect, grades for the other courses in which the student is enrolled will be WF or WP as assigned by the professor, depending on whether the student is passing or failing at the time.

Students who have been suspended must apply to the registrar for re-admission at least 30 days before the date they seek to return. Wofford will not accept for credit any work undertaken at other institutions by a student during his/her suspension from Wofford under this code.

E. Communications
Prior to the resolution of a charge, all parties shall hold the names of students suspected of acts of academic dishonesty in confidence. Once each semester, the secretary of the council, with input from the chair of the Academic Integrity Committee, will provide the student body, faculty and administration with a report on the number of cases resolved and the sanctions imposed. The names of persons involved will be withheld.

When a student is found responsible for an act of academic dishonesty, all records of the adjudication meeting and/or the court, including copies of all correspondence, will be maintained in the Office of the Provost.
Formal charges of academic dishonesty will be communicated by the court to the accused student, the provost, the dean of students and the faculty or staff member teaching the course or sponsoring the academic activity. In addition to the announcement immediately after the court’s decision, the results of hearings, including the verdict and the sanctions, will be communicated in writing by the court to the accused student, the provost, the dean of students, the adviser to the Honor Council, the chair of the Academic Integrity Committee and the faculty or staff member teaching the course or sponsoring the academic activity. The attending representative of the Academic Integrity Committee will notify the registrar of sanctions and, in a case involving a student-athlete, will notify the director of athletics of the results of the hearing.

Formal charges of academic dishonesty, verdicts and sanctions will be communicated by the dean of students to parents or guardians of a student unless the student is independent as determined by college officials according to the Family Educational Rights and Privacy Act (FERPA), which protects the privacy of educational records.

F. Safeguards
When a case is sent to the Honor Council for a hearing, the accused student is guaranteed the following procedural safeguards.
1. The student must be informed in writing of any charge or charges at least 72 hours before the case is heard.
2. The student must be informed orally or in writing of the procedural rights set forth in these numbered paragraphs below.
3. The student has the option of being excused from any tests or examinations for a period of 48 hours before and after the scheduled hearing.
4. The student will be represented by a member of the Honor Council, who is appointed by the chair as the student’s advocate or, at the request of the charged student, the chair may appoint a Wofford student who is not on the council.
5. The student has the right to ask the court to invite persons to testify on his/her behalf regarding the facts of the case, and the court will invite such persons.
6. The student has the right to remain silent, and such silence does not constitute evidence of responsibility.
7. The student and his/her student advocate and the Honor Court prosecutor are required to exchange all evidence and materials for use in the proceeding at least 48 hours prior to the hearing.
8. The student may (and should) continue to participate in all course activities until the case and any appeals are fully resolved.

G. Appeals
The student has the right of appeal as outlined in the Honor Code. Any person found responsible for a violation of the Honor Code may appeal the verdict or sanction. The appeal must be submitted to the chair of the Academic Integrity Committee within 48 hours (excluding holidays and weekends) after the student has been notified orally by the court at the end of the hearing of the verdict or sanction. Appeals must be submitted in writing and must rest on appropriate grounds (which are exclusively those listed in section VIII.D.4 of the Student Code of Rights and Responsibilities). The Academic Integrity Committee, whose decision is final, will consider the appeal, giving the decision in writing within one week to the appellant and to the chair of the Honor Council. The actions of the Academic Integrity Committee are limited to: upholding or reversing the verdict, imposing a lesser sanction from those listed in the Honor Code, or, in the case of new evidence, remanding the case back to the council for further discussion. In the case of a sanction of suspension for more than one term, the Academic Integrity Committee may refer the appeal to the provost, who may uphold or reverse the verdict, impose a lesser sanction from those listed in the Honor Code, or, in the case of new evidence, remand the case back to the council for further discussion.

H. Revision
The Academic Integrity Committee is charged to review the code and its workings annually and to make revisions as needed. Revisions that only correct errors of spelling, grammar or punctuation may be made by the Academic Integrity Committee. All other revisions must be approved by the faculty and by the student body at large (as determined by a campus-wide referendum distributed electronically; if voter turnout is under 40 percent, any changes approved by the faculty will be enforced without student approval).

(Revised May 2016)
VI. Sanctions
Students convicted, pursuant to due process, of violation of this code are subject to one or more of the following sanctions:

A. Fines
The maximum fine levied by any hearing board will not exceed $1,000. Fines must be paid within 30 days of sanctioning or before the end of the academic term, whichever comes first. The amount of the fine will be determined by the hearing board in consideration of the seriousness of the infraction.

B. Referral
A student may be referred to counseling or to other appropriate resources in the community.

C. Apology
A written or oral apology to an individual(s) or an organization whose rights the student has violated.

D. Warning
A written notice that states that the continuation of conduct in violation of the code will result in more severe disciplinary sanctions.

E. Community Restitution
Hours of work to a department or office of Wofford to be performed on campus as a hearing board deems appropriate. The specified number of hours of community restitution must be coordinated through the Office of Student Affairs.

F. Loss of Housing
A student may be evicted from college housing in the event that his/her conduct creates a hazard to him/herself or a nuisance to others.

G. Financial Restitution
Reimbursement in the form of money and/or labor for damage to or misappropriation of property.

H. Suspension
Exclusion from classes and other privileges or activities as set forth in the notice of suspension for a defined period of time. A person appealing the suspension sanction must submit a statement of such intent to the chair of the Judicial Commission within 24 hours after the verdict of suspension has been imposed. When a student has been given the sanction of suspension and has appealed this decision, the student may participate only in academic activities. He/she cannot take part in clubs, musical groups, athletics teams and other student organizations during this time period. When a student is suspended, he/she should leave the Wofford College campus within 24 hours after the final verdict of the judicial system has been determined. A suspended student is not allowed to return to campus without the written permission of the dean of students.

I. Expulsion
Termination of student status for an indefinite period of time. The conditions of readmission, if any are permitted, shall be stated in the order of expulsion. A person wishing to appeal the sanction of expulsion must make it known within 24 hours after the verdict of expulsion is reached by submitting a statement of such desire to the chair of the Judicial Commission. He/she will be permitted to remain enrolled in Wofford College. Until a response to an appeal is reached, the student may participate only in academic activities. He/she cannot take part in clubs, musical groups, athletics teams or other student organizations. When a student is expelled, he/she should leave the Wofford College campus within 24 hours after the final verdict of the judicial system has been determined. An expelled student is not allowed to return to campus without the written permission of the dean of students.

J. Suspended Sentence
In addition to the above sanctions, hearing boards have the power to suspend any or all of the sanctions upon the fulfillment of certain conditions as determined and set forth in the sanction statement of the respective hearing.

K. Records
The Judicial Commission will make public all sanctions imposed by the judicial system. The publication will include
listing of any violation and accompanying sanction in a publication distributed to all students at the beginning of the semester following the sanction. In addition, persons requesting information concerning rulings may request such information, absent names, from the chair of the Judicial Commission.

L. Notification of Parents and Guardians
All sanctions will be communicated to parents or guardians unless the student is independent as determined by college officials according to the Family Educational Rights and Privacy Act (FERPA).

M. Disciplinary Probation
Exclusion from participation in activities in which one represents Wofford College or any college-recognized organization as set forth in the notice of probation for a specified period of time.

N. Other Sanctions as Deemed Appropriate

O. Failure to Comply with Sanctions
Failure to comply with the sanctions imposed upon a student will result in harsher sanctions, including suspension.

VII. Procedural Safeguards
A. Searches of Residence Hall Rooms/Apartments or Houses Leased by Greek Letter Organizations
Searches of student rooms/apartments or fraternity houses by civil authorities are governed by local, state or federal law. Searches by campus authorities may be conducted only under the following circumstances:

1. Hot Pursuit
Campus safety officers, perceiving what they reasonably believe to be a violation of this code or civil law, may pursue suspected offenders. Residence hall rooms and/or apartments (or similar areas) may be entered by campus safety officers in fresh pursuit and subjected to reasonable searches for implements or fruits of the suspected offense.

2. Warrant
In any case where there are reasonable grounds to believe that the search of a residence hall room or other campus facility will disclose the actual violation of this code or civil law or the implements or fruits of such a violation, said room or facility may be searched by warrant. A search warrant may be issued by the president of the college, the provost, the dean of students, the senior vice president for institutional advancement or the chief financial officer. It must identify specifically the area to be searched, the nature of the material for which the search is being conducted and the nature of the suspected violation. Such warrant shall be served by a campus safety officer or by a college official who did not issue the warrant, and it shall be served, if possible, in the presence of one or more occupants of the room or vehicle being searched. If the occupants are not present, the room may be searched by means of a pass key, by a member of the Department of Campus Safety and/or residence life staff and/or college official.

3. Custodial Inspection
At reasonable intervals and on advance notice, residence hall rooms, apartments or Greek Village houses may be inspected for maintenance, repair, health or safety purposes.

4. Emergency Situations
When a college official has reason to suspect that there is an emergency, the official may enter the premises after proper identification.

5. College Official
When a college official enters a room pursuant to any legitimate purpose as provided under this section, if the official observes any code violation in plain sight, the official may charge the student with a code violation.

B. Due Process of Law
A student who is charged with violating the code is guaranteed the following procedural safeguards:

1. The student must be informed in writing of any charge or charges at least 72 hours before the hearing is held. This formal statement of charges must state the nature, time and place of the violation charges. The date, time and place of the hearing must be disclosed.

2. The student must be informed orally or in writing of the procedural rights set forth in these numbered
paragraphs.
3. The student has the option of being excused from any tests or examinations for a period of 48 hours after charges are presented, for a period of 48 hours prior to the scheduled hearing and for a period of 48 hours after the scheduled hearing.

5. The student has the right in a hearing to call witnesses to testify on his/her behalf and has the power to subpoena any member of the college community.
6. The student has the right to confront his/her accuser, to cross-examine any witness and to challenge any written reports.
7. The student has the right to remain silent, and such silence does not constitute evidence of guilt.
8. The hearing shall exclude the following evidence:
   a. Confessions obtained by coercion or deceit.
   b. Objects or documents obtained as the result of illegal searches.
9. Records of prior criminal, social or academic infractions may be considered by the judicial system only after the finding of responsibility has been reached, when appropriate sanctions are being determined.
10. The student has the right to an open or closed hearing in an Administrative Hearing, Judicial Hearing and Appeals Hearing, at his/her own discretion.
11. The student and his/her student advocate are required to exchange lists of witnesses, discovery of evidence and retention of statements for use in the judicial proceeding with the college advocate and/or the dean of students no later than 24 hours prior to the hearing.
12. The burden of proof rests on the college advocate and/or the dean of students, and the standard of proof shall be the preponderance of the evidence.

VIII. The Judicial System

Preamble
The Wofford College judicial system is established as the forum whereby students and chartered organizations charged with violations of the Code of Student Rights and Responsibilities have alleged charges adjudicated. Members of the judicial system must be held above reproach, bestowing the utmost respect to the system they serve and the code they uphold. The protection of students’ rights shall be ensured by the integrity of the process and the safeguards set forth in the code. The system shall seek to ascertain truth and rectify harms, so that Wofford College can provide a safe and free environment for students to pursue a liberal arts education.

• Upon petition signed by three members of the Judicial Commission, the Appeals Hearing Board must consider the merit of such a petition of impeachment and rule thereon. The three petitioners and the impeached commissioner shall not sit on the Appeals Hearing Board during the hearing for removal. If the chair of the Judicial Commission is a petitioner of the impeached, the Appeals Hearing Board shall choose an acting chair. In these hearings and in any case in which more than four members of the commission are involved, the seats of the petitioners will be taken by the president of the Campus Union and the chair of the Honor Council. The burden of proof shall rest on the petitioners. At least a two-thirds vote of the Appeals Hearing Board shall be required to remove the impeached commissioner.

• Upon removal of a commissioner, the Campus Union Assembly shall provide for an election in the case of an elected commissioner, or for an electoral board appointment in the case of an appointed commissioner, to fill the vacancy as set forth in its constitution and bylaws unless the vacancy occurs after fall semester midterm grades are posted.

3. Hearing Procedures

• Judicial Hearing Boards will follow Wofford College hearing board procedures.

• It is the responsibility of the accused student to contact any witnesses whom he/she desires to be at the hearing. The accused student has the right to petition the chair to subpoena any member of the Wofford community.
• All proceedings of the Judicial Hearing Board are audio taped.
• The chair presides and controls the hearing by making all rulings concerning practice and procedure during the hearing. The Judicial Hearing Board has the power to adopt certain rules for the hearings by majority. However, these rules may not be in conflict with the general rules of a hearing. The accused student must appear in person. He/she may either choose a student advocate or any full-time Wofford student to assist him/her. This individual will be able to assist the accused student in preparing for the hearing and understanding the judicial procedures.
• During the hearing, a request for a recess may be made at any time by the accused student or any member of the hearing board. If the chair grants the request, no proceedings shall continue for more than one hour without a recess unless both the accused student and the members of the hearing board agree upon the absence of a recess.
• The members of the hearing board will meet after the hearing is adjourned in closed session to determine whether the student is responsible and to determine sanctions (if appropriate). A majority is necessary for all rulings made by the hearing board.
• The standard of proof will be the preponderance of the evidence.

C. Administrative Hearing Board

1. Purpose
• To try all alleged violations of the Code of Student Rights and Responsibilities over which it has jurisdiction.
• To serve as the hearing board of original jurisdiction for alleged violations of Wofford College’s Beverage Alcohol and Drug Abuse Policy.
• To hear infractions of this code that occur during summer sessions, between terms or during the week of final exams when it is not feasible to wait for the convening of the normal hearing board.

2. Composition
• Fifteen members of the Wofford College administrative staff will be appointed by the president of the college in October.
• Members will serve a term of one year, with vacancies to be filled immediately by presidential appointment.
• Administrative hearing boards will be conducted with either one of the 15 administrative members and two student commissioners or two administrative members and three of the student commissioners.

D. Appeals Hearing Board

1. Purposes and Duties
• To serve as an Appeals Hearing Board for all non-academic violations.
• To have the power to hold in contempt any student who does not comply with a subpoena issued by the Appeals Hearing Board. Students so convicted of contempt by the Appeals Hearing Board will be liable to the sanctions as outlined in Article VI of the code.

• If any member of the faculty or staff refuses to cooperate with the Appeals Hearing Board, he/she will be referred to the administration for further action.
• To report all decisions consistent with applicable laws and regulations to all members of the Judicial Commission and the dean of students.

2. Composition

• One administrator and an alternate appointed by the president of the college.
• Six faculty members elected by the faculty.
• Three members of the Judicial Commission, two faculty members and the alternate administrator, and the chair of the Judicial Commission must be present to conduct a proceeding.

3. Appeal Process
• Any person found responsible may appeal the verdict or sanction by submitting a statement of such intent to the chair of the Judicial Commission and the dean of students within 24 hours after he/she has been notified of the verdict or sanction.
• Any member of the campus community has the right to appeal a sanction. Only the accused person has the right to appeal a finding of responsibility. The Judicial Commission must notify the student of its decision to accept or deny the request for an appeal hearing within 48 hours of the Judicial Commission’s meeting via email or
A community member who wishes to make an appeal to the president of the college must submit a written request to the dean of students. The president will convene an administrative committee of the provost, the dean of students and the faculty chair of the Student Affairs Committee. This committee will make the final decision on the matter.

4. Grounds for an Appeal

- Procedural errors by the administration, which are very serious and prevented the student from receiving a fair hearing.
- Discrimination in the hearing on the basis of race, gender, age, religion, sexual orientation, handicap or national origin, which caused an unjust hearing.
- Lack of direct evidence to support the decision of a hearing board or the dean of students. In an academic dishonesty case, lack of evidence beyond a reasonable doubt must exist.
- New material evidence of which the student was not aware at the time of the hearing and which is essential to the case.
- Inappropriate sanction, including an excessively severe sanction. The statement of such intent must include stated grounds for making an appeal. If the commission (excluding those members who heard the original case) finds the grounds insufficient, it may refuse the appeal and must inform the appellant in writing.
- Due Process: Any student who has evidence that policies and procedures were not followed by a hearing board that is part of the judicial system may submit a written request to the Appeals Hearing Board to consider the verdict and/or the sanctions determined by that hearing board based on procedural safeguards in Article VII, Section B not being followed.

5. Hearing Procedures

- When the Judicial Commission grants an appeal, the chair sets the date, time and place of the hearing. He/she informs the appellant, the members of the Appeals Hearing Board and the dean of students. Notice to the appellant is sent via campus email and the date of the hearing is at least 72 hours from the date of the letter.
- It is the responsibility of the appellant to contact any witnesses whom he/she desires to be at the hearing.
- All proceedings in the appeals hearing are audio taped.
- When the appellant is present, the chair of the Judicial Commission presides and controls the hearing by making all rulings concerning practice and procedure during the hearing. The Appeals Hearing Board has the power to adopt certain rules for the hearings by majority. However, these rules may not be in conflict with the general rules of the hearing.

If the appellant appears in person at the hearing or is represented by a student advocate, the hearing will proceed as outlined:

1. The appellant presents his/her case, which includes direct examination of the witnesses, cross-examination of the witnesses and redirect examination of witnesses.
2. The respondent presents the case, which includes direct examination of witnesses, cross-examination of witnesses and redirect examination of witnesses.
3. The appellant presents his/her rebuttal argument.
4. The respondent presents his/her redirect argument.
5. Questions are taken from the members of the hearing board only to the appellant and respondent.
6. Adjournment of the hearing.
7. Deliberations of the hearing board.
8. The chair of the Appeals Hearing Board may notify the appellant orally at the conclusion of the hearing, or he/she may defer notice for two days. However, a written statement of responsibility and/or sanctions imposed must be given by college email to the appellant within three days.

When the appellant is not present, the chair of the Judicial Commission presides and controls the hearing by making all rulings concerning practice and procedure during the hearing. The Appeals Hearing Board has the power to adopt certain rules for the hearings by majority. However, these rules may not be in conflict with the general rules of the hearing. If the appellant is not present or not represented by a student advocate, it must be confirmed that the appellant was duly notified of the hearing. If it is decided that notice was given, the hearing follows this procedure:

1. The respondent (dean of students or college advocate) reads the statement of charges.
2. The respondent presents witnesses and evidence to support the claim.
3. The respondent makes a closing statement.
4. The hearing board is adjourned and the members of the Appeals Hearing Board determine whether there was a violation of the code by the appellant. If so, they determine the appropriate sanctions.
5. The chair of the Appeals Hearing Board may notify the appellant orally at the conclusion of the
hearing, or he/she may defer notice for two days. However, a written statement of sanctions imposed must be given by college email to the appellant within three days.

During an Appeals Hearing Board, a request for a recess may be made at any time by the appellant, respondent, student advocate or any member of the Appeals Hearing Board. The chair grants the request for this break, and no proceedings shall continue for more than one hour without a recess unless both the appellant and respondent agree upon the absence of a recess.

The members of the Appeals Hearing Board will meet after the hearing is adjourned in closed session to determine the student’s responsibility and/or sanctions. For all rulings made in the appeals hearing, a majority is necessary.

E. First Instance Hearing Board

The GLO Hearing Board shall have the authority to recommend charges against individual members of the organizations to the Judicial Commission, to be brought before the appropriate hearing board, so as not to exclude individuals from charges for which an organization of which they are a member also is being charged in the same incident.
8. In all cases arising, the GLO Hearing Board’s original jurisdiction shall not be usurped by the other hearing boards within the Wofford College judicial system, so as not to either cause problems of jurisdiction or allow organizations to be held in double jeopardy.

Beverage Alcohol and Drug Abuse Policy
2017-2018

In keeping with the federal Drug-Free Schools and Communities Act Amendments of 1989, which require that all college students receive annual notice of the laws regarding alcohol and other drug use, the following information is offered:

The Wofford College community is one in which students, faculty and staff are devoted to learning and to the development of the whole person. Part of being a responsible and caring member of the college community is to recognize that we are situated in a state and a community that have specific laws and ordinances restricting the sale, possession and consumption of alcohol and controlled substances. The college upholds these laws and assists local and state law enforcement agencies. These laws are in place because they serve an important role in protecting individuals and our community from the unwanted effects of the misuse of alcohol and other drugs, which can lead to serious health risks and behavioral problems, such as violence, sexual assault, accidents, vandalism and other dangerous acts. Our community does not condone members who make irresponsible choices, including violating the laws of the state of South Carolina, ordinances of the City of Spartanburg or policies of Wofford College. The purpose of the following policies is to aid in the development of a safe and healthy educational environment for all members of our college community.

Wofford College will notify the student’s parent(s) or guardian(s) of the pending charge and the hearing date by letter, email, fax or telephone call. If the student accepts responsibility and admits to a second Category C violation or is found responsible, the administrative hearing will impose some or all of the following sanctions as appropriate:

1. Education: If the administrative hearing board determines that further education is necessary, the student will be referred to the director of the Wellness Center or an outside agency for the purposes of an individual assessment and treatment, if indicated, with any associated costs or fees incurred by the student.

Medical Amnesty/Assistance Policy
Wofford College supports a safe and inclusive campus environment which promotes the development of the whole student and student success. Students are encouraged to safeguard the health and safety of themselves and their peers.

This Medical Amnesty/Assistance Policy benefits our college community by encouraging students to make responsible decisions in seeking medical attention in serious or life-threatening situations that result from alcohol and/or other drug use or abuse and in any situation where medical treatment is reasonably believed to be appropriate. This policy seeks to diminish fear of disciplinary and conduct sanctions in such situations and to encourage individuals and organizations to seek needed medical attention for individuals in distress from alcohol and drug use. Alcohol or other drug consumption (including but not limited to excessive consumption; consumption of a dangerous or illegal substance; or consumption by someone with sensitivity) can cause serious harm or pose a threat to life. Given these risks, students are encouraged to make responsible decisions and to seek medical attention in serious or life-threatening situations that result from alcohol and/or other drug consumption and to call the Department of Campus Safety at 864-597-4911 or call 911 for medical attention.

Students also are encouraged to seek help for any situation where medical treatment is reasonably believed to be appropriate or when problematic use and/or abuse is an issue. If a student is incapacitated, letting that person “sleep it off” or having a friend “look after” that person are not reasonable alternatives to getting him/her the necessary medical help. Under this policy, a student who seeks emergency assistance on behalf of himself/herself, another student or a friend experiencing an alcohol and/or other drug-related emergency will not be subject to disciplinary action under the Code of Student Rights and Responsibilities. Although students who qualify for medical amnesty are exempt from the student judicial process, they are required to meet with a staff member, complete educational measures and pay for any incurring costs.

In addition, if a registered student is transported to an emergency medical treatment center for intoxication or drug use, the student’s parent(s) or guardian(s) typically will be notified by a representative from the Office of Student Affairs if it is determined to be necessary to protect the health or safety of the student or other individuals. It is the expectation of the student affairs staff that a student use medical amnesty once. If the student is involved in any subsequent (i.e., repeat)
alcohol and/or drug abuse incidents, the situation will be evaluated by the dean of students and the director of the Wellness Center to determine whether the student qualifies for a medical amnesty/assistance exemption. The availability of medical amnesty/assistance exemptions for students with repetitive violations will be determined on a case-by-case basis. This subsection applies only to students receiving medical attention; students who help others seek medical assistance are not limited to one medical amnesty exemption.

The Medical Amnesty/Assistance Policy applies only to individuals’ use of alcohol and drugs where medical attention is needed. It does not apply to other prohibited behavior such as distribution of illicit substances, property damage, harassment or assault. The Medical Amnesty/Assistance Policy does apply to students who are victims of sexual assault and also have engaged in underage alcohol consumption or illegal drug use.

This policy does not grant “full immunity” to a student or an organization who acts under this policy (i.e., seeks emergency assistance on behalf of himself/herself, another student or a friend experiencing an alcohol and/or drug related emergency) if a determination is made, independent of any information gained as a result of the call for medical attention, that charges are appropriate for other violations of the code or any other (non-alcohol) college policy (such as hazing, injury to persons and vandalism).

Part 2: Organizations

Provisions for the Possession and Consumption of Alcohol at Student Organizational and Community Events

Wofford College encourages social activities for students and social gatherings on or off campus.

Organizations and individuals given permission to host an event on or off campus at which alcoholic beverages will be present may be held responsible for the actions and well-being of their guests.

The definitions and requirements stated below are the minimum standard to be followed. Organizations and individuals governed by regulations from bodies, including but not limited to the NCAA, national fraternities, national sororities and others may have additional regulations that must be met.

All social events, on or off campus, must be registered in the Office of Student Affairs. Registration forms are available in the Office of Student Affairs can be downloaded from the student life website at wofford.edu/studentlife/. These forms must be completed and returned to the assistant dean of students or his/her designee four days prior to the event.

Definitions

1. Social events include, but are not limited to, band parties, hall parties, mixers, formals, theme parties or other activities, concerts, including fundraisers featuring musical entertainment (e.g., step performances, disc jockeys), and any other social gathering attended by undergraduate students.

2. Organizational or individual sponsorship is defined as an event to which:
   a. The organization or individual has invited students to attend by either verbal, written or electronic invitations.
   b. The organization or individual is associated with, has leased or owns the place where the event is being held.

Requirements

Wofford College faculty, staff, students and organizations are expected to know the Wofford College Policy Statement on Beverage Alcohol and Drug Abuse. To promote personal responsibility and self-governance, organizations and individuals who sponsor social events shall assume the responsibility of enforcing the following guidelines, unless exceptions are approved by the Wofford College administration for non-student events:

1. Wofford College expects any group of students formally or informally organized to act responsibly and to obey Wofford College policies, and to follow all applicable local, state and federal laws.

2. Before hosting an event, officers and social chairs of the organizations or sponsoring individuals must participate in a risk management program conducted by a member of the student affairs staff, Department of Campus Safety and/or Wellness Center staff. Risk management training must be renewed each semester for social organizations.

3. Organizational officers or individuals sponsoring the event are encouraged to assist in making arrangements for the safety of those who appear to be impaired.

4. The sponsoring organization or individuals shall designate at least two students to serve as monitors (referred to as sober party monitors or SPMs) for the event. The monitors must not consume alcoholic beverages before or during the event. The monitors are to ensure that the age of each attendee is checked and some type of identification, such as wristbands, indicates individuals who are of legal age to possess and consume alcohol.
If alcoholic beverages are being consumed at an event that is sponsored individually or under the aegis of a student organization, whether the event is held on or off campus, the members of the group and guests (who are at least 21 years old) must bring their own alcoholic beverages to the event (BYOB/BYOL), or the alcohol must be provided by a third-party vendor.

If a social event is to be held off campus, if it will be a BYOB or if it will be a third-party vendor event, the sponsoring organization or individuals must provide transportation for all students and guests.

At every social event where alcoholic beverages are to be served, all attendees shall be required to have a valid picture identification card with birth date listed. Wofford College students additionally are required to have their Wofford College student identification card.

Events sponsored by organizations or individuals are closed to all but members and their invited guests.

Social events may not include any form of drinking contests in their activities or promotions. No alcoholic beverages may be awarded as prizes or incentives.

Organizations or individuals sponsoring an event may not distribute alcoholic beverages to attendees, including free alcoholic beverages. They may not use common containers or distribute alcoholic beverages that were brought to the event by a host, a member or a guest.

Organizations or sponsoring individuals are to provide non-salty food items and non-alcoholic beverages.

Organizations or sponsoring individuals shall hire security personnel to maintain order and to enforce all applicable laws and policies.

Advertisements, posters or invitations that are intended for public viewing may not mention or depict alcoholic beverages or use terms referring to alcoholic beverages, such as “beer” or “happy hour.”

SPMs should supervise the amount of alcoholic beverages consumed by individual attendees of the social event.

Campus safety officers and staff members may visit social events periodically to check with the persons responsible for the event, primarily to offer assistance. If a violation of the law or college policy is observed, the officer will issue a violation and report the incident to the appropriate college official.

Health Risks of Alcohol and Drug Use and Abuse

Alcohol
Alcoholic beverages, in the form of beer, wine, wine coolers or distilled spirits, require no digestion. They are absorbed directly into the bloodstream from the digestive tract. Within approximately three minutes after drinking, alcohol may be found in the brain and all other tissues, organs and body fluids.

Even low dosages of alcohol can significantly impair the judgment and coordination required to drive a car safely or perform other tasks in a safe manner. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn and remember information. Very high doses of alcohol may cause respiratory depression and death. If combined with other central nervous system depressants, such as some seizure medications, antihistamines and sleeping pills, lower doses of alcohol will produce the effects just described.

Long-term drinking of moderate to large quantities of alcohol can have significant effects on the body. The following are some of the serious physical consequences: heart disease and failure; liver disease, including hepatitis and cirrhosis; gastrointestinal disorders; cancer of the lungs, pancreas, esophagus, stomach and mouth; high blood pressure; and malnutrition. Heavier users also may experience periods of amnesia, called blackouts. During these periods, the person functions, but later cannot remember what he/she has done during this time.

Repeated use of alcohol and other drugs can lead to chemical dependency. When dependency has occurred, sudden withdrawal likely is to produce a variety of symptoms, including irritability, anxiety, insomnia, tremors, hallucinations, convulsions, etc. Severe alcohol withdrawal can be fatal.

Amphetamines (speed, meth, ice, dex, Ritalin, uppers)
- Short Term: increased breathing and heart rate, high blood pressure, increased alertness and energy, impaired judgment, impulsiveness, death
- Long Term: severe anxiety, chronic sleeplessness, malnutrition, heart problems, agitation

Cocaine (coke, nose, rock, blow, crack)
- Short Term: anxiety, delusions, headache, nausea, impaired judgment, death
- Long Term: loss of appetite, dehydration, constipation, impotence, nose and nostril damage, heart problems, psychosis

Designer Drugs (MDMA, X, ecstasy, cat, AMF, TMF, MPPP)
- Short Term: euphoria, dizziness, nausea, sweating, increased blood pressure, extreme wakefulness, hyperactivity, loss of appetite, death
- Long Term: aggression, depression, mood and sleep changes

Hallucinogens (LSD, acid, shrooms, special K)
- Short Term: impaired coordination, increased heart rate and temperature, nausea, detachment, fatigue, hallucinations, paranoia, mental confusion
- Long Term: generally unknown, flashbacks, depression

Inhalants (nitrous oxide, whip-its, paint, glue)
- Short Term: irregular heart rate, depressed respiratory rate, nose and eye irritation, nausea, vomiting, spasms, headache, suffocations, death
- Long Term: brain damage, tremors, poor coordination, speech problems, lung, liver and kidney damage, chromosomal abnormalities

Marijuana (pot, weed, dope, ganja, chronic, purp, grapes, kush, ents, etc.)
- Short Term: reddening of eyes, dry mouth, increased heart rate and body temperature, hunger, dizziness, drowsiness
• Long Term: upper respiratory problems, lung damage, lower immune system responses, memory loss, concentration impairment

Opiates (Heroin, smack, morphine, black tar)
• Short Term: pain relief, mental confusion, drowsiness, nausea, constipation, muscle constriction, low blood pressure and heart rate, respiratory arrest, death
• Long Term: chronic constipation, vision impairments, hallucinations

Sedatives (Blues, roofies, GHB, seconal, reds, barbs)
• Short Term: dizziness, lethargy, drowsiness, lack of coordination, nausea, death
• Long Term: chronic fatigue, vertigo, reduced sex drive, visual disturbances

Tobacco
• Short Term: increased heart rate and blood pressure, adrenaline production, muscle relaxation, relief of tobacco withdrawal
• Long Term: lung problems, chronic cough, blockage of blood vessels, chronic respiratory infections and problems, reduced fertility, death

Education
Wofford College is committed to education and the sound development of mind, body and spirit. Therefore, a commitment to alcohol and drug education is a continuing priority for Wofford College. Educational programs will be organized and conducted throughout the year to promote continued awareness and to encourage an attitude of concern and caring for others. All money collected from sanctioned fines for alcohol and drug violations will be applied toward educational programming. Information on responsible use, effective party planning, indications of abuse or addiction, and resources for assistance are available through the Wellness Center. Examples of these programs include, but are not limited to:
1. Campus programming facilitated by members of the residence life staff.
2. FYI class.
3. Alcohol awareness programming as part of focus weeks.
4. Communitywide educational programs.
5. Training opportunities and workshops for officers and members of Greek letter organizations and other chartered organizations.
6. Substance-free social events in collaboration with the director of student activities individual student organizations.

Counseling
Wofford College is committed to providing students with confidential referrals for professional assistance in the event that they are needed. An awareness of the negative effects of alcohol consumption or drug use may assist a student to make safe and responsible choices about alcohol and drugs. A student may make an appointment for an assessment and/or counseling by contacting the Wellness Center. Counseling services are available to Wofford students as part of the comprehensive fee on a time-limited basis. Long-term counseling, specialized services or outpatient/inpatient therapy are not covered by the comprehensive fees.
**Business Policies**

**Financial Obligations to the College**
Comprehensive fees (tuition, fees, and room and board), traffic and other fines, returned checks and any other financial obligations to Wofford College are charged to the student’s account receivable in the Business Office. All such amounts must be paid in a timely manner.

**Acceptance and Cashing of Checks**
Wofford College will accept personal checks of students (and their parents or other party having financial responsibility for a student) in payment of college expenses, college store purchases, etc. Such checks should be for the balance of fees due or for the specific purchase.

Wofford College strongly recommends that students establish bank accounts in Spartanburg. There are numerous banks within walking distance of the campus. BB&T has placed an automatic teller machine in the lower level of the Burwell Building.

For the convenience of resident students, the Business Office will cash personal checks for students up to $25. Second-party checks (personal checks of one person which are to be endorsed and cashed by a second person) will not be cashed. In order to cash a check, the check must be drawn payable to cash and must then be signed in the presence of the employee handling the transaction. Presentation of a current Wofford College identification card is required.

Wofford College will make every effort to protect itself against any loss from checks returned for insufficient funds. If a check is returned unpaid by a bank to Wofford College, the college will charge a $25 fee. (This penalty is in addition to any fees charged to the maker by the bank on which the check is drawn.)

The privilege of making any payment to Wofford College by check or cashing checks on campus will be denied to anyone who presents a single bad check until that check has been cleared. This privilege will be denied permanently to anyone who presents a second bad check. If the transaction is fraudulent (forgery, no account, advance knowledge that a check will not be paid by the bank, etc.), Wofford College may prosecute the offender. All returned checks must be promptly paid by cash, certified check or money order.

**Post Office Policy**
The Campus Post Office policy authorizes the handling of the following items without any censorship whatsoever, but with the individual or organization sending communications having the sole responsibility for them:

1. All mail originating through the United States Postal Service, providing that it bears the name of an enrolled student or an employee of Wofford College. Otherwise, said mail will be returned to the sender marked “Addressee Unknown.”
2. All faculty and administrative communications, which should be labeled with a correct name and box number. All communications must be dated and bear a signature.
3. Communications published in conformity with the Code of Student Rights and Responsibilities. Such communications must be dated and bear a signature. No other items are to be placed in Campus Post Office boxes.

Students must show a picture ID to pick up packages sent to their College Post Office (CPO) box. A signature is required for pickup. Mail sent to a CPO under an alias does not conform to this policy, and such packages will be returned to the sender marked “Addressee Unknown.” Any package that has not been picked up within 60 days of receipt by the Campus Post Office may either be returned to sender (postage due) or disposed of.

The advent of internet shopping has prompted an increase in mail order purchases. Unfortunately, some students are under the impression that the use of their given names is not safe, and therefore they use aliases to protect their identity. However, in order to receive the merchandise at the CPO, all members of the Wofford community must use their legal names and present valid picture IDs.

**Publicizing Information**
Chartered organizations, students, faculty and staff are encouraged to publicize activities and events in which the Wofford College community has the opportunity to be involved. All public notices or publicity material posted on college property must be sponsored by a chartered organization or college department, or otherwise approved by the dean of students or a designee. In addition, advertising that promotes the use and/or sale of alcohol is prohibited. Publicity
should bear the following information:

1. Name of the activity.
2. Time of the activity.
3. Place of the activity.
4. Name of the person or organization responsible for the activity.

All publicity must be removed within two days of the date of the event by the individual or organization that posted it. Publicity of off-campus events and activities must be approved by a member of the student affairs staff.

Items can be posted on:

2. Windows inside Burwell Building lobby in the labeled window (for the appropriate day of the week).
3. Interior walls between glass doors in Campus Life Building; Campus Post Office glass doors and pillar inside

Please use only masking tape, Scotch tape or thumbtacks and staples (bulletin boards only) to hang items. No duct tape is to be used on any postings.

Items cannot be posted on/in:

- Trees.
- Sidewalks.
- Iron railings.
- Lampposts.
- Painted surfaces.
- Glass doors and windows.
- Front doors and front windows of the Burwell Building.
- The doors/windows of the Rosalind Sallenger Richardson Center for the Arts, the Roger Milliken Science Center, the Franklin W. Olin Building, the Papadopoulos Building, the Daniel Building, the Jerry Richardson Indoor Stadium and the Sandor Teszler Library.
- Interior doors of the Commons in the Campus Life Building.
Class Attendance Policies

Students are expected to attend all classes and activities scheduled for courses in which they are registered for credit.

Absences from class, including those excused in accordance with the provisions outlined below, do not excuse students from the academic requirements of their courses. Generally, instructors will determine whether make-up work will be required or permitted for students who miss tests or other course work because of their absence from class for reasons other than documented illness and participation in official college events. When absences are excused, the instructor will make every reasonable effort to assist students with the missed work in a non-punitive way. In every case of missed class, students ultimately are responsible for the material and experiences covered during their absence.

A student who is excessively absent, particularly if he/she also is performing poorly academically, may be required to withdraw from the course under the following procedures:

1. Through the provost, the instructor will send a class attendance warning, requesting an interview. The class attendance warning is an official notification and provides documentation as to the student’s status in the course. Attendance warnings are sent to the student as well as the student’s adviser(s), registrar, dean of student success, and other pertinent campus personnel.
2. Students who receive a warning are required to make an appointment with their instructor. If the student fails to contact the instructor, if an interview is held but is unsatisfactory or if the student fails to show satisfactory improvement in attendance and/or in academic performance, the instructor can submit a required class withdrawal notice for the student to the provost.
3. Upon the provost’s approval of the withdrawal, the instructor, the student, the registrar and the student’s parents are informed of the required withdrawal. The student is assigned a grade of WP or WF as determined by the instructor.

Non-attendance is sometimes a sign of more serious underlying problems. As such, faculty are advised to complete an attendance warning if a student has two consecutive absences.

Student absences resulting from participation in official college events generally are considered excused. An official college event is either an athletics event approved by the faculty through its Faculty Athletics Committee or a non-athletics event approved by the provost of the college. The Faculty Athletics Committee will provide the faculty with copies of all athletics schedules as soon as the schedules are approved. The Department of Athletics will provide the faculty with a roster listing the students who will participate and the class times they may miss as a result. The provost will notify the faculty in advance of any approved non-athletics event and will provide the names of the students who will participate.

Although the college will identify, through the procedures outlined above, the events treated as “official,” it is the students’ responsibility to inform their course instructors as soon as possible and not later than one week in advance of any tests or other required work they will miss in order to participate in the event. The notices from the Department of Athletics and/or the provost serve as confirmation of the information provided by students. Because students bear the responsibility for completing all academic requirements of their courses, they should make every effort to arrange their academic and extracurricular schedules in such a way as to minimize conflicts, and make the proper arrangements when conflicts do occur. Indeed, students should examine their academic, athletics and other extracurricular schedules at preregistration and again prior to the start of each semester in order to identify conflicts and discuss them with the instructors to seek a suitable agreement. This responsibility is especially crucial in the case of laboratory exercises.

If students unavoidably miss tests or other required work to participate in official events, in most cases instructors will arrange a non-punitive way for them to make up the work. However, some laboratory exercises cannot be replicated and thus cannot be “made up.” When students must choose between attending such a laboratory or an official event, they also must accept the consequences of the decisions they make. They will not be punished for their decisions by either their instructors or the persons to whom they are responsible in the official events, but nevertheless they must recognize that their absence from either may affect the evaluation of their performance.

If students are remiss in their academic duties, then they may be penalized for work not performed. If students feel that they have been unfairly penalized for missing tests or other required work, and that they have acted according to their responsibilities, then they may present an appeal to the provost, who, after conferring with the student, instructor and others involved, will resolve the impasse. The provost’s resolution is binding on all parties.

Student absences resulting from personal emergencies, such as a death in the family, generally are considered excused. Absences because of special events, such as the marriage of a sibling, or opportunities, such as an interview for a job or a scholarship, likewise are to be considered excused. Students should discuss the need for absences with their instructors.
and work out arrangements for making up any work they miss due to such absences before the absence takes place, when possible. In the case of an emergency, students should notify the dean of students, who then will inform the students’ instructors.

Students requesting an excuse due to illness must present to the faculty member a statement signed by a health professional in the Hugh R. Black Wellness Center recommending that they be excused. These guidelines are used in issuing statements recommending that students be excused from class due to illness or injury:

1. A statement may be issued for students who have been ill at home or hospitalized off campus and who present to the Wellness Center a written statement from a physician certifying the illness or hospitalization.
2. A statement may be issued when it has been verified that students were seen by one of the Wofford College physicians through an appointment made by the Wellness Center.
3. A statement may be issued when it has been verified that students are seen by the nurse practitioner on campus.
4. A statement may be issued if the student presents with symptoms that indicate a threat of transmission to other students (i.e., fever, GI distress, productive cough, positive bacterial or viral tests).
5. Students should not miss class for medical examinations and treatments, which can be scheduled during times they do not have class or lab. A statement will be issued if the nurse can verify that the procedure took place and that the schedule conflict was unavoidable.

When it is recommended that an absence be excused, the student must present the statement from the Wellness Center staff member to the professor to gain permission to make up the work missed. The professor should, in every case possible, assist the student in making up the work in some non-punitive way.
Discrimination and Harassment Policy

NOTE: If you are in crisis or have witnessed a crime, do not submit an incident report. Immediately call 911 immediately for all emergencies. For non-emergency situations, call the Department of Campus Safety at 864-597-4911.

Wofford College does not discriminate on the basis of race, color, creed, religion, sex, age, national origin, disability, veteran status, sexual orientation or any legally protected status. (Wofford Board of Trustees, adopted October 2012) The following persons have been designated to handle inquiries regarding the non-discrimination policies: Director of Human Resources, 864-597-4230, and Assistant Dean of Students for Diversity and Leadership Development, 864-597-4066; address: 429 N. Church St., Spartanburg, SC 29303-3663.

Wofford values a welcoming and inclusive college community. Wofford will not tolerate any conduct (verbal or physical) that constitutes discrimination or harassment (collectively referred to as “bias incidents”) by any administrator, faculty member, staff member, vendor or student.

Discrimination is conduct that denies any individual or group equal privileges or access to a particular activity or opportunity because of the individual’s race, color, national origin, sex, sexual orientation, gender identity, pregnancy, disability, age, religion or veteran status or any other characteristic or status protected by applicable local, state or federal law.

Harassment is defined as unwelcome conduct based upon race, color, national origin, sex, sexual orientation, gender identity, pregnancy, disability, age, religion or veteran status or any other characteristic or status protected by applicable local, state, or federal law that unreasonably interferes with that person’s work or educational environment. Examples include physical injury, damage to property, graffiti/signs, threatening mail/email/text/voicemail, telephone harassment, stalking, or verbal or written epithets, slurs or jokes.

Harassment does not refer to behavior acceptable to or consented to by both parties or to the normal exchange of ideas within the academic environment, nor is it intended to discourage the introduction of unpopular or controversial relevant ideas in the classroom.

Reporting Discrimination, Harassment, Bias
Members of the Wofford community who witness or who are victims of discrimination or harassment should complete and submit the bias incident report form online. It can be found at this link: https://connect.wofford.edu/mywofford/campusLife/biasIncident.aspx?ticket=ST-10013-W0i3arBfhfeybwxG6r1

These reports, which can be anonymous, assist Wofford in responding to, investigating and tracking incidents in order to lessen their impact on our community.

In case of an emergency, individuals should call 911 or the Department of Campus Safety at 864-597-4911 for immediate response. Campus safety officers on duty will provide the appropriate protection and resources, document the incident, secure the scene (if on campus) and begin an investigation.

Service and Support
The Bias Incident Response Committee (BIRC) will address allegations of discrimination and harassment. The BIRC is composed of:

- Assistant dean of students for diversity, chair.
- Title IX coordinator.
- Associate dean of students for residence life.
- Two faculty members.
- Two staff members.

The chair of the BIRC will ensure direct service and support to the student(s) involved. The chair will contact the Office of Human Resources staff when employees may be involved. The chair may designate a committee member to serve as a case coordinator. This member will be a student affairs practitioner trained in cultural competency, diversity, crisis management and emergencies. The case coordinator will support the student until the crisis is resolved. The case coordinator will communicate to the student(s) involved, via email, on a regular basis to keep them informed of the steps
that are being taken by the college, the status of the investigation and which committee member(s) have been assigned to handle the case.

**Investigation and Resolution**

When a bias incident report is submitted online, it automatically is sent to the BIRC. When a report is submitted online, orally in person or by a campus safety officer, the committee members will review it and determine the next steps. Steps may include contacting the person who completed the form, beginning an investigation, scheduling face-to-face meeting(s) with the involved person(s) as soon as possible after the incident and/or referring the matter to a more appropriate college official, including but not limited to the Title IX coordinator.

When there is direct evidence of a policy violation, the chair will appoint two committee members to conduct an investigation. The investigation will be conducted in a timely manner. The BIRC will investigate all complaints of harassment, discrimination and bias incidents. Investigations will be conducted to determine possible violations of college polices and local, state or federal laws. Students, faculty and/or staff accused of committing a bias incident may be accountable under the criminal justice system, the BIRC, the Wofford College judicial system and/or the Office of Human Resources.

The chair of the BIRC will keep the committee members updated about the status of each investigation. Given that criminal and judicial investigations are confidential, the committee will be kept informed of the investigation’s progress to the extent allowable. The BIRC will provide assistance to ensure that all aspects of bias incidents are examined and that the investigation is handled in an efficient, effective and culturally sensitive manner. The chair may request assistance from a member of the faculty or staff if their expertise assists in the investigation.

When the investigation is completed, the investigators will submit an investigation report to the BIRC. The committee will review the investigation report, and if the accused is found responsible, will recommend actions and/or sanctions, up to and including suspension and/or expulsion for students and discharge for faculty/staff consistent with current college policies and procedures. The accused person can either accept the sanction or appeal the finding and/or sanction. The complainant also may appeal the finding and/or sanction. Any appeal must be made in writing within three (3) business days of the report of the finding/sanction to the vice president of student affairs. The vice president for student affairs will review the bias incident report, the investigation report and any other information and make the final decision to either uphold or alter the finding and/or the sanction. There are no further appeals.

Knowingly making a false complaint against another member of the college community and retaliation against a complainant, witness or participant in any investigation also is prohibited behavior. If a complainant knowingly and willfully makes a false accusation, he/she will be subject to appropriate disciplinary action by Wofford College. A bias incident that is alleged and not substantiated is not in itself sufficient for a charge of false accusation.

The BIRC will identify the needs of the affected individuals as well as those of the larger Wofford community. The BIRC may work with the Department of Campus Safety and the Office of Marketing and Communications to inform the larger Wofford community about incidents. The BIRC may organize and hold open forums for affected individuals as well as the larger community to provide details of the incident that can be revealed outside of the investigation, to gather community input, to denounce such incidents and to reaffirm Wofford College’s values and standards regarding discrimination, harassment and bias incidents.

The BIRC may facilitate programs for additional training for students, staff and faculty. All efforts should be made to identify and provide opportunities for the community that will enhance and encourage intergroup dialog that focuses on relevant issues of bias, harassment, hate crime, hate groups (their profiles, agendas and patterns of behavior), discrimination and effective strategies for enhancing individual and community safety and well-being and reinforcing community values.

*(See next page for flowchart on how BIRC handles reports.)*
Inclement Weather Policy

Wofford College ordinarily does not close because of weather that brings snow and ice or other threatening weather conditions, such as hurricanes or tornadoes, to the area. Every effort will be made to hold classes and to have offices open. Commuting students and employees should understand that classes are held, but that they are to run no unreasonable risk to get to the campus. Students will be expected to make up missed work.

If an exception is made to this policy, notice will be given through the Wofford email system, Wofford website (wofford.edu) and Wofford official Facebook page (facebook.com/woffordcollege/), and if the situation warrants, through the Wofford emergency alert system (Rave Mobile Safety). Notice also will be provided to local television and radio stations.

If there is no cancelation or delay notice on these sources, it is safe to assume that the college is open and conducting classes as usual.

Note that all Wofford students, faculty and staff are registered in Rave Mobile Safety with their Wofford email addresses. All are urged to register their cell telephone numbers in Rave as well. To do this, log into Rave through myWofford (using your Wofford ID and password, unless you have changed your Rave password) and add your cell number; you also may register the email address and/or the cell telephone number of your parent or spouse into your account so that they may receive alerts. Note that all registered users will receive test alerts and all other emergency alerts, not just inclement weather notifications. All faculty and staff who have Wofford-issued cell phones are required to register those numbers in their Rave account to receive text messages.
Involuntary Leave Policy

The college is committed to providing optimal educational opportunities to all students. However, occasions exist when a student’s physical or emotional health and behaviors place unmanageable risks on the individual or the college. For this reason, the college reserves the right to require further evaluation of a student through appropriate professionals, to establish conditions under which a student may continue at the college and to recommend voluntary or involuntary withdrawal of the student from the college. Moreover the college reserves the right to suspend a student whose conduct is disruptive or poses a danger to the college community.
Medical Withdrawal Policy

Wofford supports all students who need to withdraw from the college due to physical illness/injury or to seek treatment for chemical dependency or other psychological condition. Students must submit a written request to the Office of Accessibility and Counseling Services. Those who withdraw are eligible to return once they have been cleared to return by their health care provider. The Office of Accessibility and Counseling Services may confer with the appropriate campus offices in evaluating the student’s request. This may include, but is not limited to, medical or mental health professionals, current course instructors and advisers, the dean of students, the director of residence life, the registrar and/or the provost. The student is required to provide supporting documentation from the health care provider. Supporting documentation must be provided within 30 days of the initial medical withdrawal request. Once the documentation is reviewed and approved, students who are granted a medical withdrawal will receive a grade of W for all courses attempted during the semester or term in question. A W does not affect the student’s GPA nor hours earned, but will be noted on the transcript. Students who do not provide appropriate supporting documentation will be held to the regular withdrawal policy, which will result in either a grade of WP or WF at the faculty member’s discretion.

Students granted a medical withdrawal will have a hold placed on their records pending readmission to the college. The college expects the medical leave to be of sufficient duration to allow the student to address the issues that necessitated the withdrawal and thus enhance the likelihood of success upon return.

A student requesting a medical withdrawal must complete the following steps:

1. Submit a request by the last day of class of the term in question. Medical withdrawals will not be considered retroactively or applied. Written requests may be submitted to accessibilityservices@wofford.edu or through the myWofford student tab under Accessibility Services Accommodations and Submit Accommodations Request.

2. Provide documentation from the health care provider stating the student’s diagnosis and support for withdrawal from the college as well as confirmation of treatment plan during the withdrawal period. Documentation must be received within 30 days of the request for medical withdrawal. If appropriate documentation is not received in this time, the college’s withdrawal policy will apply and the medical withdrawal is no longer applicable.

3. The Office of Accessibility and Counseling Services will notify the appropriate campus offices as well as the student’s faculty, of the withdrawal. The student is responsible for following up with the Office of Financial Aid and/or the Business Office to discuss financial aid, scholarships and tuition/fees. This may be done at the student’s convenience and is not necessary during the initial request.

A student wishing to return after a medical withdrawal must complete the following steps:

1. Notify the Office of the Registrar of their desire to return by completing the readmission application available at http://www.wofford.edu/registrar/forms.aspx and through the Office of the Registrar.

2. Submit documentation from the health care provider to the Office of Accessibility and Counseling Services attesting to the student’s ability to resume studies with a reasonable likelihood of success. The statement must provide a description of the student’s diagnosis and the treatment rendered. It must outline, as appropriate, a plan of treatment to be followed upon return. All documentation will be maintained in strict confidence in the Office of Accessibility and Counseling Services.

   The readmission application and medical documentation must be submitted at least one month prior to the beginning of the semester the student wishes to return, but exceptions can be granted when appropriate.

3. Contact the Office of Financial Aid and/or the Business Office to discuss financial aid, scholarships and tuition/fees.

4. Contact the Office of Residence Life, if on-campus housing is desired.

5. Submit an official transcript to the Office of the Registrar if coursework was taken at another institution.

Once all appropriate documentation is received, the Office of the Registrar, in consultation with other campus offices as appropriate, will make the final determination regarding the student’s readmission request. Upon readmission the student will need to work with the Office of the Registrar regarding registration for the upcoming term. Upon re-enrollment, students are expected to meet with a staff member in the Wellness Center to discuss a treatment plan for the initial semester of return and follow the treatment plan as established by the health care provider.
Missing Student Notification Policy

Wofford College establishes the following policies and procedures concerning when a student residing in on-campus housing is determined to be missing in compliance with 20 U.S.C. § 1092 and 34 C.F.R. § 668.46.

Most missing person reports in the college environment result from students changing their routines without informing roommates and/or friends of the change. For purposes of this policy, a student will be considered missing if a roommate, classmate, faculty member, staff member, friend, family member or other campus person has not seen or heard from the student in a reasonable amount of time. In general, a reasonable amount of time is 24 hours or more but may vary with the time of day and information available regarding the missing person’s daily schedule, habits and reliability. Individuals also will be considered missing immediately if their absence has occurred under circumstances that are suspicious or cause concerns for their safety, such as if a student has expressed suicidal thoughts or may be in a life threatening situation.

Designation of emergency contact information

All residential students (currently enrolled students residing in on-campus housing), including students age 18 and above and emancipated minors (emancipated minors are those students under the age of 18 who have been legally granted adult status), will be given an opportunity to confidentially identify and designate one or more individuals to be contacted by the college within 24 hours after the student is determined to be missing. The contact person may be anyone, including, but not limited to, the person the student otherwise has identified as an emergency contact. Students may register and update this contact information at any time. The contact person information will be registered confidentially, accessible only to authorized campus officials, and it will not be disclosed, except to law enforcement personnel to further a missing person investigation. The designation will remain in effect until changed or revoked by the student.

Students over the age of 18 and those under the age of 18 but otherwise emancipated may designate their missing student contact person by going to the student tab on the myWofford page, selecting the personal information tab and selecting missing student contact. Students may make changes to their missing student contact information at any time.

If a student under the age of 18 and not emancipated is determined to be missing, the college is required by federal law to notify a custodial parent or guardian no more than 24 hours after the student is determined to be missing, in addition to notifying any additional contact person designated by the student.

Missing Student Procedure

a. Any individual at Wofford who has information that a residential student may be a missing person must notify the Wofford College Department of Campus Safety immediately at 864-597-4911. Any missing student report must be referred immediately to the Department of Campus Safety.

b. Campus safety will begin an immediate investigation and gather all essential information about the missing student from the reporting person, from the student’s acquaintances, from college personnel and from official college information sources.

c. Campus safety will notify the dean of students, the residence life staff and the Wellness Center to aid in the search and location of the student.

d. A person shall be determined to be missing under any of these circumstances:
   (i) Search efforts are unsuccessful in locating the student in a reasonable amount of time.
   (ii) It is apparent immediately that the student is a missing person (e.g. witnessed abduction).
   (iii) It has been determined that the student has been missing for more than 24 hours.

e. No later than 24 hours after determining that a student is missing, the dean of students or his/her designee or the director of campus safety will notify the confidential contact person previously identified by the student and the custodial guardian/parent (for students under the age of 18 and not emancipated) and advise that the student is believed to be missing.

f. Regardless of whether the student has identified a missing person contact person, is over the age of 18 or is an emancipated minor, the Department of Campus Safety also will notify local law enforcement agencies to report the student as a missing person no later than 24 hours after determining the student to be missing.

Responsibilities

a. Campus Safety

   Begin an immediate investigation that includes gathering the following information:
   • A physical description of the missing person, including the clothes the person was last seen wearing.
   • Student’s cellular telephone number (if known).
• Location where the student may be, with whom the student may be and a description of any vehicle registered by the student.
• Information about the physical and emotional well-being of the student.
• A class schedule and when/which class the student last attended.
• Last time the student used his/her ID card.
• Data from the surveillance camera system.

b. Attempt to contact the student and others that may know the missing student’s whereabouts by the following:
  • Calling the student’s cell phone.
  • Emailing and/or texting the student.
  • Entering the student’s residence hall room.
  • Interviewing roommates, hall mates and other friends.
  • Notifying external law enforcement agencies, to include the South Carolina State Law Enforcement Division (SLED) (if appropriate) no later than 24-hours after the student is deemed to be missing.

c. Dean of Students:
  • Notify the president and other appropriate members of the college staff.
  • Notify the confidential contact previously identified by the student and the custodial parent/guardian (if the under the age of 18 and not emancipated) and advise that the student is believed to be missing. Maintain contact with the contact person/custodial guardian or parent throughout the investigation.

d. Director of Residence Life:
  • Assist in the attempt to locate the student by making frequent checks of the student’s room.
  • Use resident assistants to inquire of their residents about the possible locations of the student or possible reasons for the disappearance.

e. Registrar:
  • Ensure that the mechanism for students over the age of 18 or emancipated minors exists to list and identify confidential missing person contact person information.
  • Provide class schedule information for the missing student in order to assist in the investigation.

Residence Life Policies

Resident Student Classification
All single students, except those commuting daily from their homes or homes of relatives (e.g., grandparents, aunts or uncles), are required to live in college housing and to take their meals through Wofford College dining services.

Wofford College, upon application, may grant exceptions in the following cases:
1. A student who is in active military service or who is a veteran of two years of military service.
2. A student who is regularly employed 35 hours or more each week and whose schedule would make living in college housing or taking meals in the Wofford College dining hall impractical.
3. A student who cannot live in college housing due to health concerns. (The student must provide documentation from a certified physician or practicing psychologist and be approved by the Wofford College physician.)

Students who may qualify for an exception should contact the Office of Residence Life for an application.

Students must be enrolled in nine or more hours to reside in on-campus housing. Exceptions may be granted by the dean of students or his/her designee upon application and justification.

Wofford does not provide married student housing. Housing fees are the same in all residence halls for double occupancy rooms. The majority of rooms are designed for occupancy by two students, but a few single rooms are available. Single occupancy rooms are assigned by the director of residence life; there is an additional $750 fee per semester for students living in single rooms.

Residence Hall Assignments
Each spring, Wofford College holds a lottery for residence hall rooms and apartments. Students are eligible to participate if they pay the non-refundable $500 reservation fee by March 15 of that year. The order of the lottery is based on the year students entered Wofford. Students may contact the director of residence life for a complete list of the rules and regulations of the lottery. First-year and transfer students are assigned rooms in Greene, Marsh and Carlisle halls.

Wofford College reserves the right of final approval of all room and residence hall assignments. Also, Wofford College reserves the right to move a student from one room or residence hall to another during the year.

Residence Life Staff
Resident Directors
Wofford College employs staff members to live in and supervise the campus residence halls. These staff members are referred to as resident directors. They are selected for their abilities to assist and advise students and help develop a community within each building. They are responsible for enforcing policies and regulations, responding to emergencies and overseeing the resident assistants. They report to the director of residence life.

Resident Assistants
The director of residence life hires upper-class students to be resident assistants in the residence halls and the Village apartments. There is one resident assistant assigned to each hall community in every residence hall. They are selected for their abilities to help to develop a community within each building, assist and advise students, respond to emergencies and enforce policies. They work with the student affairs staff to create an atmosphere conducive to the well-being of all students and to develop among residents the recognition that they themselves must be responsible for maintaining such an atmosphere. Wofford students are encouraged to get acquainted with their resident assistant and resident director and to participate in the hall programs.

Duties of Resident Directors and Resident Assistants
Resident directors and resident assistants are assigned specific areas of responsibility in the residence halls where they reside. In addition, they maintain a schedule for duty to ensure that both a resident director and a resident assistant are on campus in the evenings and weekends when the offices are closed. One resident assistant per residence hall area is on duty beginning at 5 p.m. and ending at 8 a.m. the following morning. The dispatcher center has a roster of resident assistants and can assist students needing to locate the resident assistant on duty in their area. Additionally, resident assistant duty schedules are posted throughout each residence hall.
1. Resident directors and resident assistants are available as resources and mediators for students.
2. Resident directors and resident assistants share with all other residents the responsibility of protecting the rights and privileges of Wofford students against the infractions of regulations by others.
3. Resident directors and resident assistants help maintain orderly living conditions.
4. Resident directors and resident assistants help create a campus community by providing educational and social programs for students.
5. Resident directors and resident assistants are responsible for reporting infractions to the dean of students and director of residence life.
6. Resident directors and resident assistants work with the director of residence life in checking students into their rooms at the beginning of the fall semester and checking them out of their rooms at the end of the spring semester. They may also assist the director of residence life with health and safety inspections.

Individual Student Responsibility
Students should expect to live in residence halls that are sanitary and conducive to study and that provide an environment where rights of privacy are respected. If these rights are not observed, students should not hesitate to contact violators personally, with the help of a resident assistant and, if necessary, report the problem to the director of residence life. Any student having difficulties adjusting to life in the residence hall should not hesitate to contact a member of the residence life staff.

Access
Access to the residence halls is controlled by a card-key system. Every student is issued a card-key, which serves as a means of identification. Students are required to carry their cards with them 24 hours a day and use them for access to the residence halls. Students who lose their cards must report the loss to the Department of Campus Safety immediately, so that the building can be secured. Each resident student is issued one key to his/her room when checking in at the beginning of an academic term. Keys are for personal use only and not to be given to other residents or guests. Each card is the property of Wofford College and is for the sole use of the person to whom it was issued. Propping open doors or otherwise tampering with the access control and alarm systems is strictly prohibited. Persons found responsible for such violations will face disciplinary action.

Room Key
Each resident student receives a room key at check-in. If a key is temporarily misplaced, students may seek assistance from the resident assistant on duty in their building or borrow an extra key from the Office of Residence Life during office hours (8:30 a.m.-5 p.m., Monday-Friday). If a student borrows a key from the Office of Residence Life and does not return the key within 24 hours, a re-key will be ordered and a new key will be issued at a cost of $100 to the student. If a key is lost or stolen, the loss or theft should be reported immediately to the Office of Residence Life; a re-key will be ordered at the cost of $100 to the student. This is necessary for the protection and security of the student, the roommate and their belongings. Room keys must be turned in at checkout or whenever there is a change in a student’s residence status, or there will be a charge of $100.

Personal Safety
Students should take the following security precautions:
1. Always lock the door to your room when not in the room or sleeping.
2. Do not lend your keys to another person.
3. Do not keep large amounts of money in your room.
4. Lock your bicycle.
5. Keep your vehicle locked, conceal audio equipment and place packages, luggage and other valuables in the trunk or out of sight.
7. Report suspicious persons and do not let unescorted strangers into the residence halls.
8. Record serial numbers of electronics.

If something is stolen from a student’s room, that student should immediately report the theft to a resident assistant and a campus safety officer. Remember that Wofford College is not responsible for the loss, damage or theft of any personal property.

Visitation Policy
Wofford College provides seven residence halls and the Village apartments that form a unique residential community on the campus. Because it is important for students to establish a safe environment that they can call home, Wofford College understands the need for positive social interaction and the introduction of guests into the residence halls.

All students residing in a residence hall and any visitor to campus must abide by the following:
General Visitation Policy
1. Each student may decide what persons are allowed to be in his or her room. A student may refuse entry to the room by any person except his or her roommate(s). College officials are not considered visitors and may not be denied access to a room.
2. Each student must respect his or her roommate’s rights to sleep and study. A student’s guests should never infringe upon these or other basic rights of personal privacy.
3. Students may host overnight guests of the same gender; however, these guests may not stay for more than 48 consecutive hours. Co-habitation is prohibited. All residents must pre-approve overnight guests with their roommate.
4. Parents are encouraged strongly to make off-campus reservations for any overnight visits.

Additional Visitation Policy for Carlisle, DuPré, Lesesne, Shipp, Wightman Residence Halls and the Village
Roommates should discuss visitation hours for their rooms within the first 48 hours of moving into the room. Suite mates (in Carlisle, Lesesne and Wightman residence halls) or roommates (in DuPré and Shipp residence halls) are to decide on an individual basis the hours they will permit visitation in the room/suite. These hours can be altered at any point during the year.

Additional Visitation Policy for Greene and Marsh Residence Halls and First Floor of Carlisle Hall
Visitation hours are 9 a.m.-2 a.m. seven days a week. No opposite-gender guests will be allowed on a hallway between the hours of 2 a.m. and 9 a.m. All guests after midnight must be escorted by a building resident. Failure to abide by the visitation policy will be handled on a case-by-case basis. Students found abusing or in violation of the policy will be referred to the director of residence life and subject to disciplinary action including fines, revocation of visitation privileges or removal from campus housing.

Guests of Residents
Wofford students may entertain overnight guests of the same gender in the residence halls and apartments. Wofford students must take responsibility for damages and/or any other inappropriate behavior of their guests. It is a privilege to entertain guests in the residence halls. Students must inform their guests of all pertinent rules. All guests must be escorted by their hosts. All unescorted guests will be removed from the residence hall. Any student who believes a roommate or hall mate is abusing this privilege should not hesitate to contact the resident director or director of residence life. Cohabitation is prohibited. Male and female restrooms are available in all buildings. Visitors in residence halls with community restrooms should never enter the restroom if they are of a different gender than the residents of that hall.

Sales and Services
All on-campus sales and solicitations must be operated or sponsored by a chartered student organization and must receive the proper authorization. Sales and solicitations in any area (student rooms, apartments, porches, lounges, offices and other common areas) of the residence halls must be approved in writing by the director of residence life. Sales and solicitations in other public and common areas on campus must be approved by the associate dean of students.

Babysitting and other service activities can present health and safety issues when infants, toddlers and other non-students are in the residence halls. It is potentially dangerous and disruptive. Students cannot conduct such activities in any area of the residence halls as defined above or any other common areas on campus.

Alterations and Modifications
Residents and/or their parents or guests shall not make any alterations, additions, improvements or changes to any rooms within the residence halls or the apartments. This includes, but is not limited to, putting holes in the walls/ceilings; installing wall shelving; painting the walls, ceiling, furniture or fixtures; wallpapering; putting contact paper in drawers or cabinets; applying stickers to walls, windows or furniture; installing ceiling fans and making lighting alterations. Students should not drill through walls for wiring or other purposes. Floors should not be altered in any way with the exception of area rugs. Alterations can result in substantial fines. Any damage to a room as a result of alterations or modifications will result in a monetary charge and disciplinary action. Command strips are allowed and should not by removed by student at end of year. Cinder blocks are prohibited in residence hall or apartments.

A. Furniture
Students are responsible for the furniture in their rooms provided by Wofford College. This furniture is not to be modified or removed from the rooms. Students will be charged to replace or repair missing and/or damaged college furniture. Furniture placed in the hallways or common areas for removal remains the responsibility of the student, who must ensure that furniture is in the room at the time of checkout. Students may personalize their rooms by adding carpet and other items. Students may not bring waterbeds. Students are responsible for removing all the items they bring, or they will be fined. Students also will be charged for any piece of college furniture that is missing from the room upon checkout, unless approved in advance by the director of residence
B. **Lofts**
Lofts are allowed only in Greene and Marsh halls. Students may not make a modification to the bed’s mattress or frame. Wofford College provides the materials for lofting beds on a first-come, first-serve basis, as long as materials are available.

C. **Windows**
Students may not hang any item from their rooms’ windows. This includes clothing, shoes, flags, etc. Students also are prohibited from throwing trash and unwanted belongings from their windows. Violators will be fined $25 per item per day and will face disciplinary action.

D. **Walls**
Students should not damage the walls of the residence halls or apartments. Items that should not be used include, but are not limited to, nails, double-sided foam tape or duct tape. 3M Command strips are encouraged to hang posters, pictures, etc. Only products approved by the staff of the physical plant are permitted to use to attach items to surfaces. The use of other products is subject to fines. Absolutely no holes of any type are permitted to be made onto any surface.

E. **Other**
Students, parents or guests are not allowed to adhere satellite dishes or cable equipment in, around or outside the residence halls.

**Changing Residence Hall Rooms**
A $300 fine will be assessed against any student who changes rooms without the written approval of the director of residence life.

**Room Inspections**
1. The residence life staff conducts health and safety inspections each semester. The inspections are announced by email at least 24 hours in advance.
2. Information about searches of students’ rooms or houses and offices leased to student organizations can be found in Article VII, Section A of the Code of Student Rights and Responsibilities.
3. Wofford College reserves the right to enter rooms without prior notice for the purpose of safety, maintenance or detection of a suspected rule violation or emergency situation.
4. Resident directors and resident assistants may act as agents of the office of the dean of students, making inspections of rooms at preannounced times in accordance with the Code of Student Rights and Responsibilities. Article VII, Section A3: “Custodial Inspection: At reasonable intervals and on advance notice, any residence hall or fraternity house may be inspected for maintenance, repair, health or safety purposes.”

**Closing Procedures**
Members of the residence life and campus safety staffs secure the residence halls to protect students’ rooms during breaks and holidays. During these breaks, students are not allowed to live in the residence halls. Any student unable to check out by the closing deadline must receive, no later than 24 hours prior to closing, written permission to have a late checkout from the director of residence life. All requests for late checkout will be considered. Students should follow the closing procedures posted by the staff. Members of the residence life staff will check every room when securing the building. Students are responsible for any violations observed in their rooms. For a complete listing of the dates that the residence halls close, please refer to the academic calendar provided on the college’s website (www.wofford.edu).

**Damages**
Members of the Wofford community, including faculty, staff and students, are expected to assist in keeping the campus a safe and pleasant place to live and to study. Throughout the year, damage does occur to college property for various reasons, including natural causes (weather, age) and accidental or malicious actions of individuals. However, Wofford College operates on a self-supporting basis and no provision is made in the institution’s budget for the repair of unnecessary damages to the campus, especially to the residence halls and apartments. Students found responsible for intentionally damaging college property will be fined at least $100 and be required to reimburse the college for the cost of repairs. Each resident student must pay a $250 residence hall damage deposit. The residence hall or apartment damage deposit is held on account in the Business Office while the student resides on campus. Charges will be made against a student’s deposit for fees, fines and financial restitution related to damages in the student’s room, the hallway or other public areas. Students are responsible for keeping damages to a minimum and reporting to the resident assistant or director of residence life any damages they, their guests or other members of the hall cause. Only then can timely repairs be made and the responsible party or parties be charged. Students must pay all damage fines and restitution fees to bring their residence hall damage deposit balance back to the original level each week. Any unused balance will be refunded to the student upon graduation or withdrawal from Wofford College.
**Hall Sports**
Students are not allowed to play sports in interior hallways. Games played in the hallways of residence halls or apartments (football, golf, basketball, bowling, etc.) are a major source of hall damage. Although these activities may not seem destructive, they are dangerous and costly to students and to Wofford College. Damage as a result of games played indoors will be treated as if it were a result of vandalism. Students found playing sports in the hallway may face disciplinary action. Wofford College reminds students to play outside.

**Community Damage**
When the person(s) responsible for the theft or damage to college property in a common or public area cannot be identified, the cost to replace or repair the damages will be divided equally between the residents of the hallway or in the building. In cases of severe damages, students may be charged with a violation of the Code of Student Rights and Responsibilities. For further information, please read the code.

Each floor is responsible for respective hallways, stairwells and bathrooms. As a general rule, lounges and laundry rooms are the responsibility of all residents. The director of residence life will determine which hall communities to assess for damages based on the building layout.

If students believe that they are being billed unfairly, or if they have information about those responsible for the damage, they have the opportunity to appeal the charge to the residence life appeals committee, composed of the resident directors, the assistant director of residence life and the director of residence life. Residents must submit copies of their written appeal (email is acceptable) to the director of residence life within 48 hours of a damage billing notice being sent. The appeal should include the following information:

1. Name, CPO, email and phone number of the individual(s) submitting the written appeal.
2. Date and location of the damage/excessive cleaning.
3. A description of the incident including what was damaged/cleaned, how it happened, cost for service or repair, what is being appealed and a suggested course of action.

The director of residence life will review all submitted appeals. After reviewing the information in an appeal, the director of residence life can choose to grant the appeal or decide to hold an appeals committee meeting. Within one week of receiving the appeal, he/she will contact the individual(s) submitting the appeal to inform them if the appeal has been granted. If applicable, the director of residence life will base his/her decision on the information in the appeal in conjunction with the appeals committee. All decisions are final and letters will be sent to all affected individuals. Individuals submitting an appeal may be called in to discuss the situation with the director of residence life or the appeals committee.

If no information about community damage is submitted within two weeks from the date the damages were reported to the staff, the fine and replacement costs will be assessed to each resident’s account and can no longer be contested or appealed.

**Cleaning Provisions**

**A. Rooms**
Cleaning of individual rooms is the responsibility of the student or students assigned to the rooms. Students who have excessively dirty rooms may be required to clean them to maintain health and safety standards.

**B. Bathrooms**
Community bathrooms are located in Marsh, Greene, and Shipp and DuPré halls. Wofford College’s housekeepers regularly clean these bathrooms. Students are reminded that several residents share these facilities, and students should not leave personal items in the shower stalls or around the sinks.

The rooms in Carlisle, Lesesne and Wightman halls and the Village apartments are built in suite style, with a bathroom between every two rooms. The students who live in the adjoining rooms and who use the bathrooms are responsible for cleaning and maintaining a safe and healthy environment. Students living in the apartments are responsible for cleaning and maintaining their entire apartment, the porches, the stairways and the grounds around the balcony and apartment building. Toilet paper is provided and may be obtained from the housekeeper in the building.

**C. Halls**
Every member of the community shares the halls of each building. Students are prohibited from storing personal items in the hall. Items left in the hall will be documented and removed by the residence life staff. Items that are removed from the halls will not be returned to students.
Check-in/Checkout Procedures
All students must follow check-in and checkout procedures at the beginning and end of each academic term. Students check in with the residence life staff. In addition, students who change rooms at any time during the year should check out of one room and into the new room with the staff members responsible for each building.

A. Check-in
All students will check in through the Office of Student Affairs. At that time resident students will receive a room key, sign their room condition reports (RCR) and review the housing contract. If students wish to make corrections to the RCRs, they must do so with their resident assistant or resident director within the first week after checking in. RCRs will be kept on file in the Office of Residence Life.

B. Checkout
Students must check out of their rooms with a member of the residence life staff. During exams, the resident assistants will post information about checkout procedures throughout the halls and through email. If students have permission to make a room change during the year, they will check out with a member of the residence life staff before moving to the new room. A new RCR must be completed for the room into which the student is moving. After the student has cleaned out his/her room, the staff member will note any damage or missing furniture on the RCR. Any charges for damaged or missing furniture will be deducted from the student’s residence hall damage deposit. Students who do not check out with the residence life staff will be fined $100 from their residence hall damage deposit.

Alcohol
The full Beverage Alcohol and Drug Policy is listed in this handbook. Please refer to it as well as this information:

Students who are 21 years or older may consume alcohol in their rooms or the room of another student who is at least 21 years of age. Students who are 21 years old may not take alcoholic beverages into a room in which the residents are not 21 years old. Alcohol may not be possessed or consumed in common areas, such as bathrooms, hallways or lounges. Students who are not yet 21 may not possess or consume alcohol on campus. A student who is 21 and shares a living space with students who are under 21 should store all alcohol in his/her cubicle or closet when he/she is not present. In rooms where both residents are under the age of 21, the room is considered an alcohol-free area. No alcohol or empty alcohol containers are permitted in these rooms. Persons found violating these policies will face disciplinary action.

Marsh Hall, Greene Hall and Carlisle Hall are alcohol-free and tobacco-free residence halls. Residents, parents and visitors are prohibited from possessing or using alcohol in these areas. Students or visitors who are 21 years of age or older forfeit their right to possess or consume alcohol in these buildings. Possession of empty alcohol containers is not permitted on any of these floors. The residents of the room and their guests will be held responsible for the violation of college policy. Persons found violating college policy or state law will face disciplinary action. Beer pong tables are not allowed (and will be confiscated), and the apartment will be charged a $75 fine.

Drugs
The full Beverage Alcohol and Drug Policy is listed in this handbook. Please refer to it as well as this information:

Students are prohibited from possessing, distributing or using illegal substances. Students may not use or possess drug paraphernalia on campus. Students may not use or possess prescription drugs that are prescribed for another individual. All prescription drugs shall be maintained or stored in the original prescription container per South Carolina state law.

Smoking Policy
Wofford College has instituted a smoking policy designed to provide a healthy, smoke-free environment. Smoking is not permitted in any building on campus. People who smoke are asked to do so 50 feet away from any building. The use of any and all tobacco products is prohibited in residence hall rooms and apartments on campus. Students found using tobacco products in a building will be fined $100 per occurrence.

Firearms and Weapons
The possession and/or use of firearms, weapons and other propelling devices, as well as explosives such as fireworks, ammunition or chemicals that are explosive in nature, are prohibited on campus. Unauthorized use, possession or storage of any weapon on campus constitutes a violation of the code and college policy. Unauthorized possession of firearms is against state law and any firearms possession, with the exceptions below, is a violation of college policy. All weapons are strictly prohibited in students’ rooms and elsewhere on campus. Firearms are permitted for official use by the Department of Military Science (military-issued weapons for training only or drill rifles), campus safety officers and
members of the college rifle team.

A weapon is defined as any object or substance designed to cause reasonable apprehension of physical harm to any person, inflict a wound, cause injury, or incapacitate or damage personal property. This includes, but is not limited to, all firearms, guns, Airsoft guns, BB guns, potato guns, paint guns, pellet guns, stun guns, axes, saws, slingshots, nunchakus, knives (with blades three inches or more in length and all switchblades), box cutters, darts and bows and arrows.

*Note: Wofford College reserves the right to confiscate anything it deems hazardous or dangerous.*

**Fire Safety**

Fire alarm systems, fire extinguishers, hoses and their connections and other devices for giving alarms or fighting fires are placed in college buildings for the protection of occupants. Such systems and devices are required by applicable municipal and state laws, and they must be in operating condition at all times.

The unlawful use, destruction or theft of fire alarm and firefighting equipment is a serious offense. Therefore, Wofford College will pay a reward of $100 for information leading to the adjudication of any person or persons guilty of committing such an offense. Wofford College will prosecute any offenders to the fullest extent. Wofford’s policies do not supersede the jurisdiction of the city, county, state or federal laws; therefore, in addition to being charged with a violation of the Code of Student Rights and Responsibilities, students may face prosecution in the South Carolina criminal courts.

At a minimum, Wofford College will conduct fire drills each semester in all residence halls and during each summer school semester. Campus safety also will conduct fire drills in academic, athletic and administrative buildings throughout the year. Each student is expected to participate in each fire drill. When the alarm sounds, all students must vacate their rooms. Any students found residing in a room during a fire drill will be charged with a violation and fined $50.

No open flames, such as candles, oil lamps or incense, are allowed in residence hall rooms. If observed, members of the residence life, student affairs or campus safety staffs will confiscate these items. Students found in violation of this policy will be fined $20 plus $5 per item, and will be subject to disciplinary actions.

**Maintenance**

The members of the physical plant staff are responsible for all maintenance, repairs and general upkeep of approximately 75 buildings on the 200-acre campus. If there is a need for maintenance in a residence hall room, students are asked not to make repairs themselves. Students may make their request online at fixit.wofford.edu or contact their resident assistant concerning any maintenance problem.

Wofford College reserves the right to enter a student’s room for maintenance purposes. Physical plant employees wear designated uniforms. When work has been performed in an individual residence hall room, a tag with information about work performed will be placed on the inside doorknob.

Heating and cooling systems in some residence halls require approximately six to eight hours to switch modes. Every effort is made to anticipate the need to switch modes and make the change as quickly as possible. Students are encouraged to be patient and understand that the change cannot be made instantaneously. If a room is too hot or too cold, students may contact the resident assistant, the resident director, the assistant director of residence life or the director of residence life. It is important that students do their part in helping keep energy costs down. Students are encouraged to make a conscious effort to turn off lights and other electrical equipment.

Housekeeping is provided for all common areas in the residence halls, such as corridors, lounges, lobby areas, laundry rooms and community bathrooms. Students are responsible for maintaining an acceptable level of cleanliness in their rooms, as well as for cleaning up after themselves in public areas.

**Prohibited Appliances**

The following appliances have been deemed a fire hazard and are not allowed in the residence halls: hot plates, Bunsen burners, toasters, toaster ovens, George Foreman Grills, black lights and halogen lamps. Additionally, microwave/toaster combination appliances are not permitted. Any student found in possession of these items will be subject to disciplinary action and fines, and the items will be confiscated. Extension cords and multi-plug outlet adapters are also prohibited items. Students should use quality surge suppressors in place of extension cords.
Noise Policy and Quiet Hours
Students are responsible for creating a community that is conducive to living and learning. Noise from stereos, televisions, DVD players and computers should be kept at moderate levels, audible in the room of origin. Students are also responsible for maintaining a courteous noise level while conversing in the hall. Students found guilty of violating the noise policy will face disciplinary sanctions including a $25 fine, administrative room reassignment, loss of sound equipment or removal from college housing.

Quiet hours extend from 10 p.m. to 8 a.m. seven days a week. During these hours, any student making noise that is disturbing to other residents will face the disciplinary sanctions listed above. Courtesy hours, as described above, are in effect during all other times. During exam week, 24-hour quiet hours are in effect.

Pets
The only pets that are allowed in the residence halls are common aquarium fish in tanks smaller than 10 gallons. All other pets or animals are prohibited for health and humane purposes unless the animal has been approved under the service and assistance animal policy. Visiting pets are not permitted. Any animals used for class work should remain in the academic buildings in the labs specially designed to contain them safely. Students found in violation will be fined $100 and be subject to disciplinary action. Students will be given 24 hours to remove the animal from campus or face further disciplinary action.

Village Policy and Housing Contract
September 2017
Preamble: “Living in Wofford’s Village apartments is considered a privilege, not a right. The highest standards of conduct, cleanliness and decorum are expected. Persons failing to meet these expectations will lose the privilege of residing in these apartment houses and the Michael S. Brown Village Center.”

All Wofford College policies apply to all residents in the Village apartments. A complete copy of the policies is available online. All resident students must sign a Wofford College housing contract to live in college housing. Students who choose to live in the Village apartments must agree to live by the additional policies listed in the Village Apartment Housing Contract. Any student who does not agree to live by the Village Apartment Housing Contract policies will be reassigned to housing in a residence hall or may move off campus.

Property Liability: Wofford College recommends that students and/or their parents cover belongings with the appropriate insurance. Wofford takes no responsibility for lost, stolen or damaged property.

Prohibition on Alterations: Residents and/or their parents or guests shall not make any alterations, additions, improvements or changes to any rooms within the residence halls or the apartments. This includes, but is not limited to putting holes in the walls/ceilings; installing wall shelving; painting the walls, ceiling, furniture or fixtures; wallpapering; putting contact paper in drawers or cabinets; applying stickers to walls, windows or furniture; installing ceiling fans; making lighting alterations; and inserting window air conditioning units or heaters with exposed heating elements. Students should not drill through walls for wiring or other purposes. Floors should not be altered in any way with the exception of area rugs. Alterations can result in substantial fines.

No outside or inside construction is permitted without written permission from either the director of residence life or the director of the physical plant.

Prohibited Items: The following items are prohibited: halogen lamps, additional beds, live or recently cut trees (e.g., Christmas trees), candles, other open flames, dart boards (including magnetic dart boards), beer pong tables, common bulk containers of alcohol and hammocks. Each resident is allowed a small refrigerator in his/her bedroom that may be used in addition to the large refrigerator provided.

Residents will be held responsible for all furniture in the apartment and will be charged if it is not present at the end of the academic term or when the student vacates the apartment.
Rules and Regulations

Students whose apartments are found not to be clean, are in violation of Rules 1-7 below or fail an inspection will be given 48 hours to correct the violation before re-inspection. After 48 hours, students will be fined $50 per day until the apartment is cleaned and the situation rectified.

1. The apartments will be inspected for cleanliness during health and safety inspections each term. Inspections are announced in advance. Students whose apartment fails an inspection will be given 48 hours to correct problems before re-inspection. After 48 hours, students will be fined $50 per day the apartment is not cleaned.

2. Residents of the apartments are required to keep the apartments, their porches and stairwells clean and provide their own cleaning materials. Residents may obtain toilet paper and small trash bags from Wightman and Lesesne halls.

3. Porches and balconies should be swept regularly and are not to be used as storage areas for personal items (clothes, shoes, camping gear, etc.)

4. At least twice weekly, all residents are required to remove trash and recyclable materials and deposit them in the appropriate containers located behind the houses in designated locations. Students must ensure that trash can lids are securely fastened after depositing bags into the receptacles. Bags of trash are not allowed to remain on the porches or in the stairwells. Failure to dispose of trash promptly and in secure bags will result in disciplinary action. Throwing trash is strictly prohibited.

5. Residents are responsible for keeping porch areas, balconies and stairwells attractive, clean, healthy and pest free. While stairways are cleaned by the housekeeping staff once a week, trash and rubbish deposited anywhere other than the available receptacles will result in fines for the residents of the entire building. Stairwells that are carpeted may be vacuumed by residents in the building. Residents may decorate the stairwells tastefully.

6. When moving out of the apartments at the end of the term, trash and discarded items that do not fit in a single can must be taken to the nearest dumpster.

7. When moving out of the apartments at the end of the term, residents are responsible for properly cleaning the refrigerator, the stove and the oven.

Unless otherwise noted, sanctions for violation of Rules 8-27 below will result in a fine of $50 for the first offense, $75 for the second offense and a specific amount of community restitution or other sanctions at the discretion of the director of residence life, and the third offense shall result in eviction. Additionally, any fine can include an additional amount for restitution to repair/replace any damaged property.

8. Residents of the apartments are responsible for all guests and persons found in their apartments. Residents are subject to regular housing policies on visitation, cohabitation and guests. Wofford offers apartment residents a self-regulated visitation program through which the residents mutually agree upon and sign a contract related to their visitation hours. Additional information and contracts are available by request for each unit during the first week of classes. Contracts may be returned to the students’ RA.

9. Residents must respond cooperatively to campus safety officers and residence life staff.

10. Throwing or dropping any objects whatsoever off the porch or from the windows of an apartment is not allowed. Residents will be fined, will pay restitution for damages and will face disciplinary action and/or possible eviction for such incidents.

11. Porch-style furniture is allowed, but upholstered furniture is not. All college-issued furniture must remain in the apartments.

12. Fire regulations prohibit bicycles, scooters, motorcycles and other conveyances from being chained to or parked on stairwells, porches and handicap ramps. Residents are reminded to use the bike racks placed around the Village.

13. Cooking out on porches is not allowed. Both indoor and outdoor grills are prohibited in or around college buildings. Community grills (charcoal use only) will be located at different locations around the Village. Residents must provide their own grilling supplies for use with the community grills. Grills found by college staff will be confiscated.

14. Digging and planting in the college natural areas is not permitted.

15. No flags, laundry, clothing or other items can be hung from the windows, the porches, the balconies or the roofs.

16. No pets are allowed in the apartments except for small aquarium fish in tanks smaller than 10 gallons. All other pets or animals are prohibited for health and humane purposes unless the animal has been approved under the Service and Assistance Animal Policy found in this handbook. Residents found with pets will pay a $75 fine per day, and must reimburse the college for any expenses required for cleaning up after the pets. Family pets are not allowed to stay overnight in the apartments. All residents of the apartments will be held responsible if a pet is found in an apartment.
17. Students are expected not to feed stray animals on campus or lay out food for animals in any location on campus. This includes feeders of any kind.
18. Homemade bunk beds, larger beds and lofts are not permitted in the apartments.
19. Roofs and ledges of all buildings are “off limits.” Fines of $100 per person may be imposed on violators, among other sanctions deemed appropriate by the residence life staff.
20. Exterior doors of apartments should not be propped at any time.
21. Hitting golf balls (including plastic golf balls) is not allowed.
22. Smoking is not allowed within the apartments or in the interior stairwells. The use of any and all tobacco products is prohibited inside the apartments. Smoking and chewing tobacco is allowed on the porches by agreements of all the residents of the building, but cigarette butts and chewed tobacco must be disposed of properly and may not be dropped on the porches or the ground. Residents of each building are responsible for providing their own ashtrays. Students found using tobacco products inside an apartment will be fined $100 per occurrence.
23. If cigarette butts or chewed tobacco are found on a porch or in the grass around an apartment, the residents of the apartments in the nearest building will be held accountable. The sanction for the first offense for cigarette butts or chewed tobacco is a $50 fine; the second offense is a $100 fine and community restitution hours, and the third offense will be removal from the apartments.
24. Students should not disable smoke detectors or tamper with fire equipment in any way. Tampering with fire equipment will cause the fire alarm system to initiate and dispatch the local fire department. Students who cause a fire alarm to be activated due to tampering with fire equipment will be fined $100, will reimburse the college for the full cost of the dispatch and may face reassignment by the residence life staff.
25. Windows are to remain closed for security reasons. The sanction for the first offense for an open window is a $50 fine, the second offense is a $100 fine and the third offense will be removal from the college apartments.
26. “Fight Clubs”: Anyone found fighting/boxing in any form not part of a sanctioned college sporting event, for sport or gaming anywhere on campus, especially in or around housing facilities, will be found in violation of Village policies, fined and given other appropriate sanctions.
27. Residents must comply with the Wofford College Beverage Alcohol and Drug Policy, including but not limited to the following:
   a. Students who are not 21 years old may not possess or consume alcoholic beverages.
   b. Students who are 21 years old and who provide opportunities where alcohol is easily accessible or who distribute alcoholic beverages to students or guests who are under the age of 21 years will be fined $300.
   c. **Possession** is defined to include but not limited to:
      1. Individual possession: any alcohol, drugs or drug paraphernalia within immediate proximity of an individual person or that is being transported by or carried on an individual person.
      2. Residential possession: storage of any quantity of alcohol, drugs or drug paraphernalia not deemed individual possession will be attributed to the assigned residents of the residence hall room. In the event that no individual resident claims the alcohol, drugs or drug paraphernalia, the possession will be assigned to all residents assigned to the residence hall room.
   d. Common containers of alcohol, including but not limited to kegs, party balls, ice luges, pony kegs and funnels, are prohibited. Drinking games such as beer pong are not permitted. Beer pong tables are not allowed (and will be confiscated). The four residents of the apartment will be fined $100 collectively. Additionally, any other container being used for the purpose of a common container will be treated as such. There will be no warnings for violations of this rule. Possession of a common bulk container will result in an automatic $150 fine for the residents of the apartment.
   e. Alcohol is allowed in apartments and on porch areas for residents of legal age, but is strictly prohibited on the grounds of the apartments (e.g., courtyards, roadway, sidewalks, stairwells, etc.). Alcohol being consumed on a porch must be in a cup. In accordance with South Carolina state law, residents may not consume alcohol from beer, wine or liquor bottles or cans while on the porch ($50 fine). The Village is not an open consumption area except when designated for special college events. If all residents of an apartment are of legal age, alcohol can be stored in the common refrigerator and kitchen. However, if there is an underage resident living in the apartment, all residents of legal age must store alcohol in their bedrooms and always be in the presence of their alcohol when in the common area and on porch.
   f. All parties must be registered with the residence life office by submitting the party registration form by noon on Thursdays for weekend parties and 24 hours in advance for weekday parties. This form may be obtained from the Office of Residence Life or online. In addition, campus safety and residence life staff reserve the right to shut down a party at any time.
g. A party is defined as more than 16 people, including residents of the house, being present within the house at one time. The maximum number of people allowed in an apartment for a registered party is 35. The maximum number of people allowed on a porch during a registered party is 20, unless otherwise posted.

h. The maximum number of people allowed on a balcony in the Michael S. Brown Village Center is six. Residents in apartments that have ledges but no door to the outside area are not allowed to stand, sit or place any object on the ledge. The ledge is cosmetic, and was not built for people to stand on.

i. If at any time a resident has guests over for a spontaneous gathering and the number exceeds 16, the resident must contact the RA on duty immediately. The RA on duty will in turn alert campus safety and the RD on call. Students are reminded that quiet hours start at 10 p.m. each night. Sunday through Thursday, all social events must end no later than midnight. On Friday and Saturday nights, social events must end not later than 2 a.m.

j. Unauthorized parties or parties that exceed 35 people will result in the residents of the apartment being fined $300.

k. Students wanting to have an event on the lawn that includes alcohol must complete a social event registration form and have the event approved by a member of the Student Involvement staff. If approved, the students hosting the event will be required to uphold the alcohol policy.

l. Residents of any apartment in which students or guests are found possessing, using or distributing illegal drugs or drugs prescribed to other individuals will have to vacate the apartment within 24 hours of the drugs being found and shall be subject to disciplinary action in accordance with the Wofford College Beverage Alcohol and Drug Policy.

The Amnesty Policy: Students are encouraged to look out for the health and safety of themselves and their peers. When a student’s health and/or safety is threatened or appears to be in jeopardy, immediate actions should be taken to prevent injury, illness or danger. The action might include calling a staff member in the Wellness Center, campus safety, student affairs or residence life offices to receive assistance in handling the emergency. Whatever the particular need or problem, it is important to respond in a responsible and timely manner.

Information obtained during the subsequent response by a member or members of the staff in the Wellness Center, the Department of Campus Safety, the Office of Student Affairs or the Office of Residence Life during the delivery of medical treatment will not be used to bring disciplinary action under the alcohol policy against that individual or individual(s) who called for assistance, provided that the student(s) has not violated any other (non-alcohol) college policy (such as hazing, injury to people and vandalism). The student will meet with a member of the student affairs and the counseling staff, but will not be cited for a violation.

These policies apply to the exterior and interiors of the apartments unless otherwise stated. Therefore, failure of residents to observe and abide by these policies will result in disciplinary action and/or possible eviction. Members of the Wofford College staff will monitor the outdoor Village areas, the stairwells and the porches on a regular basis. Any violations of college policies will be documented.

Students found violating the Village policies will have seven days from the date of the violation to pay any associated fines.

In addition to these set policies, students are expected to abide by the Student Code of Rights and Responsibilities and all college policies. The only exception to other residence life policies is apartment residents being allowed to use toasters, toaster ovens and George Foreman Grills. At any time, these policies may be changed or updated by the Office of Residence Life or the dean of students. Apartment residents will be notified via email within 24 hours of changes or updates to these policies.
Responding to Faculty and Staff Members

Students are expected to respond to all communications from members of the faculty or staff of Wofford College. Both email and the Campus Post Office are channels for official communications. The preferred method of communication is email, and each student is required to have and check a valid Wofford College email account.

In addition, all students are required to have Campus Post Office boxes where they may receive other notices and requests from college personnel. Students are expected to check their mail and email daily and to respond to faculty and staff during the next class day after they receive a request. Failure to comply may be grounds for academic or disciplinary sanction.
Service and Assistance Animal Policy and Agreement

Wofford College (“Wofford” or the “college”) recognizes the importance of “service animals” as defined by the Americans with Disabilities Act Amendments Act (ADAAA) and the broader category of “assistance animals” under the Fair Housing Act that provide physical and/or emotional support to individuals with disabilities. Wofford is committed to allowing individuals with disabilities the use of a service animal on campus to facilitate their full participation in and equal access to the college’s programs and activities. Wofford also is committed to allowing assistance animals necessary to provide individuals with disabilities an equal opportunity to use and enjoy campus housing. This policy explains the specific requirements applicable to an individual’s use of a service or assistance animal in campus housing. Wofford reserves the right to amend this policy as circumstances require.

Although it is the policy of Wofford that individuals generally are prohibited from having animals of any type in campus housing, Wofford will consider a request by an individual with a disability for an exception from this prohibition as a reasonable accommodation to allow an assistance animal that is necessary because of a disability. However, no service or assistance animal may be kept in campus housing at any time prior to the individual receiving approval as a reasonable accommodation pursuant to this policy.

Definitions

a. **Service Animal**

A “service animal” is a dog that has been trained individually to do work or perform tasks for the benefit of an individual with a disability. In some cases, a miniature horse may be a service animal. Other animals, whether wild or domestic, do not qualify as service animals. Examples of such work or tasks include guiding a person with impaired vision, alerting a person with a hearing impairment, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with post-traumatic stress disorder (PTSD) during an anxiety attack and/or performing other duties. Service animals are working animals, not pets. The work or task a service animal has been trained to provide must be directly related to the person’s disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals.

b. **Service Animal in Training**

Individuals training animals to aid and guide persons with disabilities are afforded the same rights as those individuals who require the assistance of a service animal. If you are training an animal to aid and guide persons with disabilities and wish for that animal to live in campus housing, you must contact the director of accessibility services and the director of residence life, and you must comply with the requirements set forth in this policy.

c. **Assistance Animal**

“Assistance animals” are a category of animals that may work, provide assistance or perform physical tasks for an individual with a disability and/or provide necessary emotional support to an individual with a mental or psychiatric disability that alleviates one or more identified symptoms of an individual’s disability, but which are not considered service animals under the ADAAA. These animals are sometimes called companion animals, therapy animals or emotional support animals. In this policy, they are referred to as assistance animals. Some assistance animals are trained professionally, but in other cases assistance animals provide the necessary support to individuals with disabilities without any formal training or certification. Dogs commonly are used as assistance animals, but any animal may serve a person with a disability as an assistance animal.

The questions to be answered in determining whether an assistance animal will be allowed in campus housing are 1) whether the assistance animal is necessary because of the individual’s disability, to afford the individual an equal opportunity to use and enjoy campus housing and 2) whether its presence in campus housing is reasonable. However, even if the individual with a disability establishes necessity for an assistance animal and it is allowed in campus housing, an assistance animal is not permitted in other areas of the college (e.g. dining facilities, libraries, academic buildings, athletics buildings and facilities, classrooms, labs, individual centers, etc.).

d. **Pet**

A “pet” is an animal kept for ordinary use and companionship. A pet is not considered a service animal or an assistance animal. It is not covered by this policy. Individuals are not permitted to keep or bring pets in campus buildings, including campus housing.

e. **Approved Animal**

An approved animal is a service animal or an assistance animal that has been granted as a reasonable accommodation under this policy.
f. **Owner**  
The “owner” is the individual who has requested the accommodation and has received approval to bring a service animal or assistance animal into campus housing.

g. **Office of Accessibility and Counseling Services**  
The Office of Accessibility and Counseling Services (“accessibility services”) collaborates with individuals, faculty and staff to ensure that individuals with disabilities have equal access to all Wofford programs and activities.

**Service Animals on Campus (other than living in campus housing)**  
Service animals are generally permitted in all public areas on campus, unless public health or a safety issue prohibits them from a particular area (e.g. a lab where protective clothing or gear is required). Service animals must be harnessed, leashed or tethered unless these devices interfere with the service animal’s work or the individual’s disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal or other effective controls. A service animal may be excluded from college property if the animal’s behavior or presence poses a direct threat to the health or safety of others. For example, a service animal that displays vicious behavior toward people may be excluded.

If it is readily apparent that an individual has a disability and requires on-campus assistance of an animal that qualifies as a service animal, no further information will be requested in order for the individual to bring the service animal into public areas of campus. If it is not readily apparent that the animal is a service animal, an individual may be required to identify the dog as a service animal and describe what work or task the dog been trained to perform. The individual will not be asked about their disability, required to show medical documentation, required to show training documentation for the dog or asked that the dog demonstrate its ability to perform the work or task.

**Procedures for Requesting Service Animals in Campus Housing**  
An individual seeking to keep a service animal in campus housing must make a formal request to accessibility services. To do so, the student should complete the steps below:

1. Visit the student tab on myWofford to complete and submit the appropriate housing accommodation request.
   a. This process must be completed by the incoming student housing deadline for new students and the housing lottery deadline for returning students. These deadlines are posted on the Office of Residence Life website. While applications submitted after these dates will be accepted and considered, Wofford College cannot guarantee that it will be able to meet late applicants’ accommodation needs.

2. At the time a student submits a request for an accommodation involving a service animal, the student should submit documentation showing that the animal’s vaccinations are current.

3. Review this policy and sign and submit the service and assistance animal agreement.

4. Requests will be reviewed and evaluated on a case-by-case basis. The Office of Accessibility and Counseling Services, with the Office of Residence Life, will arrange a meeting with the person requesting that a service animal be housed in campus housing. This policy will be carefully reviewed with the owner at that time.

5. Upon approval of a service animal, college staff will be notified as appropriate.

**Procedures for Requesting Assistance Animals in Campus Housing**  
Assistance animals may not be brought into campus housing without approval of college officials. An individual requesting permission to keep an assistance animal in campus housing must make a formal request to the Office of Residence Life. To make a request, students will need to complete the steps below:

1. Visit the student tab on myWofford to begin the process. The student will be prompted to complete the housing accommodation request and submit documentation of their disability to be reviewed.
   a. This process must be completed by the incoming student housing deadline for new students and the housing lottery deadline for returning students. These deadlines are posted on the Office of Residence Life website. While applications submitted after these dates will be accepted and considered, Wofford College cannot guarantee that it will be able to meet late applicants’ accommodation needs, including any needs that develop during the semester.

2. Documentation of the need for an assistance animal should generally include the following information from the student’s attending physician, psychiatrist or other mental health professional:
   a. Verification of the student’s disability, including the diagnosis.
   b. Description of how the diagnosis was reached.
   c. Statement on how the animal serves as an accommodation for the documented disability.
d. Statement on how the need for the assistance animal relates to the ability of the student to succeed at the college.

e. Current documentation of items requested must be dated within the past 12 months.

At the time a student submits a request for an accommodation involving an assistance animal, the student should submit documentation showing that the animal’s vaccinations are current.

4. Review this policy and sign and submit the service and assistance animal agreement.

5. The Office of Accessibility and Counseling Services will review documentation and consult with necessary campus colleagues to consider the request. Requests will be reviewed and evaluated on a case-by-case basis. The Office of Accessibility and Counseling Services, with the Office of Residence Life, will arrange a meeting with the person requesting that a service animal be housed in campus housing. This policy will be carefully reviewed with the owner at that time.

6. Upon approval of an assistance animal, college staff will be notified as appropriate.

Criteria for Determining Whether Presence of a Service or Assistance Animal is Reasonable

1. Campus housing is unique in several aspects, including the mandatory assignment of roommates for many individuals and the mandate that individuals must share a room, suite or apartment in certain residences. To ensure that the presence of service and assistance animals is not an undue administrative burden or fundamental alteration of campus housing, Wofford reserves the right to assign an individual with a service or assistance animal to a single room without a roommate.

2. For all requests for service and assistance animals to reside in campus housing, the Office of Accessibility and Counseling Services will consult with the Office of Residence Life in making a determination on a case-by-case basis of whether the presence of an assistance animal is reasonable. A request for an assistance animal may be denied as unreasonable if the presence of the animal: (1) imposes an undue financial and/or administrative burden, (2) fundamentally alters campus housing policies and/or (3) poses a direct threat to the health and safety of others or would cause substantial property damage to the property of others, including college property.

3. Wofford may consider the following factors, among others, as evidence in determining whether the presence of the animal is reasonable or in the making of housing assignments for individuals with service and assistance animals:
   a. The size of the animal is too large for available assigned housing space.
   b. The animal’s presence would force another individual from individual housing (e.g. serious allergies).
   c. The animal’s presence otherwise violates individuals’ right to peace and quiet enjoyment.
   d. The animal is not housebroken or is unable to live with others in a reasonable manner.
   e. The animal’s vaccinations are not up-to-date.
   f. The animal poses or has posed in the past a direct threat to the individual or others such as aggressive behavior toward or injuring the individual or others.
   g. The animal causes or has caused excessive damage to housing beyond reasonable wear and tear.

Wofford will not limit room assignments for individuals with service or assistance animals to any particular building or buildings because the individual needs an assistance animal because of a disability.

Access to College Facilities by Assistance Animals

a. Assistance Animals
   An assistance animal must be contained within the owner’s privately assigned individual living accommodations (e.g., room, suite, apartment) except to the extent the individual is taking the animal out for natural relief. When an assistance animal is outside the private individual living accommodations, it must be in an animal carrier or controlled by a leash or harness. Assistance animals are not allowed in any college facilities other than college residence halls (e.g. dormitories, suites, apartments, etc.) to which the individual is assigned.

b. Dominion and Control
   Notwithstanding the restrictions set forth herein, the assistance animal must be properly housed and restrained or otherwise under the dominion and control of the owner at all times. No owner shall permit the animal to go loose or run at large. If an animal is found running at large, the animal is subject to capture and confinement and immediate removal from campus housing.

Owner’s Responsibilities for Assistance Animal

If the college grants an owner’s request to live with an assistance animal, the owner is solely responsible for the custody and care of the assistance animal and must meet the following requirements:

a. General Responsibilities
1. The owner must abide by current city, county and state ordinances, laws and/or regulations pertaining to licensing, vaccination and other requirements for animals. It is the owner’s responsibility to know and understand these ordinances, laws and regulations. The college has the right to require documentation of compliance with such ordinances, laws and/or regulations, which may include a vaccination certificate. The college reserves the right to request documentation showing that the animal has been licensed.

2. The owner is required to clean up after and properly dispose of the animal’s waste in a safe and sanitary manner and, when provided, must use animal relief areas designated by Wofford.

3. The owner is required to ensure the animal is well cared for at all times. Any evidence of mistreatment or abuse may result in immediate removal of the assistance animal and/or discipline for the responsible individual.

4. Wofford will not ask for or require an individual with a disability to pay a fee or surcharge for an approved assistance animal.

5. The owner is financially responsible for the actions of the approved animal, including bodily injury or property damage. An individual with a disability may be charged for any damage caused by his/her assistance animal beyond reasonable wear and tear to the same extent that the college charges other individuals for damages beyond reasonable wear and tear. The owner’s responsibility covers but is not limited to replacement of furniture, carpet, window and wall covering, and damage to personal property of others. The owner is responsible for any expenses incurred for cleaning above and beyond a standard cleaning or for repairs to college property that are assessed after the student and approved animal vacate the residence. The college shall have the right to bill the student account of the owner for unmet obligations. The owner is expected to cover these costs at the time of repair and/or move-out.

6. The owner’s living accommodations also may be inspected for fleas, ticks or other pests if necessary as part of the college’s standard or routine inspections. If fleas, ticks or other pests are detected through inspection, the residence will be treated using approved fumigation methods by a college-approved pest control service. The owner will be billed for the expense of any pest treatment above and beyond standard pest management in the residence halls. The college shall have the right to bill the student’s account for unmet obligations under this provision.

7. The owner must fully cooperate with college personnel with regard to meeting the terms of this policy and developing procedures for care of the animal (e.g., cleaning the animal, feeding/watering the animal, designating an outdoor relief area, disposing of feces, etc.).

8. Assistance animals may not be left overnight in campus housing to be cared for by any individual other than the owner. If the owner is to be absent from his/her residence hall overnight or longer, the animal must accompany the owner. The owner is responsible for ensuring that the assistance animal is contained, as appropriate, when the owner is not present during the day while attending classes or other activities.

9. The owner agrees to abide by all equally applicable residential policies that are unrelated to the individual’s disability, such as assuring that the animal does not unduly interfere with the routine activities of the residence or cause difficulties for individuals who reside there.

10. The animal is allowed in campus housing only as long as it is necessary because of the owner’s disability. The owner must notify the Office of Accessibility and Counseling Services in writing if the assistance animal is no longer needed or is no longer in residence. To replace an approved assistance animal, the new animal must be necessary because of the owner’s disability and the owner must follow the procedures in this policy when requesting a different animal.

11. Wofford personnel shall not be required to provide care or food for any assistance animal, including, but not limited to, removing the animal during emergency evacuation for events such as a fire alarm. Emergency personnel will determine whether to remove the animal and may not be held responsible for the care, damage to or loss of the animal.

12. The individual must provide written consent for the Office of Accessibility and Counseling to disclose information regarding the request for and presence of the assistance animal to those individuals who may be impacted by the presence of the animal including, but not limited to, residence life personnel and potential and/or actual roommate(s)/neighbor(s). Such information shall be limited to information related to the animal and shall not include information related to the individual’s disability.

13. All roommates or suitemates of the owner must sign an agreement allowing the approved animal to be in residence with them. In the event that one or more roommates or suitemates do not approve, either the owner and animal or the non-approving roommates or suitemates, as determined by the appropriate residence life staff member, may be moved to a different location.

14. When an approved animal is left alone in the room, without another human, it must be kept in a crate, cage, carrier or other container to ensure it will not interfere with college staff, who may need to enter the unit.

15. The college may relocate the owner and approved animal as necessary.

16. The owner agrees to continue to abide by all other residential policies. Reasonable accommodation which may constitute an exception to a policy that otherwise would prohibit having an animal does not constitute an exception to any other policy.

17. Any violation of the above rules may result in immediate removal of the approved animal from the college and
may be reviewed through the student conduct system and the owner will be afforded all the rights and procedures provided by that process.

18. If the animal is removed from the premises for any reason, the owner is expected to fulfill his/her housing obligations.

Conflicting Health Conditions
Students with medical condition(s) that are affected by animals (e.g., respiratory diseases, asthma, severe allergies) are asked to contact the director of residence life if they have a health or safety related concern about exposure to a service or assistance animal. The college reasonably will accommodate individuals with such medical conditions that require accommodation when living in proximity to service or assistance animals.

The Office of Residence Life will resolve any conflict in a timely manner. Staff members will consider the conflicting needs and/or accommodations of all persons involved.

Removal of Assistance Animal
The college may require the individual to remove the animal from campus housing if:

1. The animal poses a direct threat to the health or safety of others or causes substantial property damage to the property of others.
2. The animal’s presence results in a fundamental alteration of a college program.
3. The owner does not comply with the owner’s responsibilities set forth above.
4. The animal or its presence creates an unmanageable disturbance or interference with the college community.

The college will base such determinations upon the consideration of the behavior of the particular animal at issue and not on speculation or fear about the harm or damages an animal may cause. Any removal of the animal will be done in consultation with the Office of Accessibility and Counseling Services personnel and may be appealed to Wofford’s ADA coordinator.

Should the assistance animal be removed from the premises for any reason, the owner is expected to fulfill his/her housing obligations for the remainder of the housing contract.

Requirements for Faculty, Staff, Students, and Other Members of the Wofford Community
Members of the Wofford community are required to abide by the following practices:

1. They are to allow a service animal to accompany its owner at all times and in all places on campus, except where animals are specifically prohibited.
2. They are not to touch or pet a service or assistance animal unless invited to do so.
3. They are not to feed a service or assistance animal.
4. They are not to startle a service or assistance animal, deliberately.
5. They are not to separate or to attempt to separate an owner from his or her service or assistance animal.
6. They are not to inquire for details about the owner’s disabilities. The nature of a person’s disability is a private matter.

Non-retaliation Provision
Wofford will not retaliate against any person because that individual has requested or received a reasonable accommodation in college housing, including a request for an assistance animal.

Appeals
A student may appeal the decision regarding a request for an accommodation involving a service or assistance animal by submitting an appeal in writing to the Title IX and ADA coordinator, Amanda Estabrook, at estabrookar@wofford.edu within five business days of the decision denying the request.

By my signature below, I verify that I have read, understand and will abide by the requirements outlined in the Wofford College Service and Assistance Animal Policy (the “policy”), and I agree to provide the additional information required to complete my Request for a Reasonable Accommodation.

I have read and understand the policy and I agree to abide by the requirements applicable to service and assistance animals. Article I. Introduction

Section 1.01 Notice of Nondiscrimination.
Wofford College does not discriminate on the basis of race, color, creed, religion, sex, age, national origin, disability, veteran status, sexual orientation or any legally protected status. (Wofford Board of Trustees, adopted October 2012) The following persons have been designated to handle inquiries regarding the non-discrimination policies: Director of Human Resources, 864-597-4230, or Assistant Director of Residence Life, 864-597-4066; address: 429 N. Church St., Spartanburg, SC 29303-3663.

Wofford College believes that all members of the college community, guests and visitors have the right to be free from all forms of sexual misconduct. All members of the campus community are expected to conduct themselves in a manner that does not infringe upon the rights of others. The college will not tolerate sexual misconduct. Further, as a recipient of federal funds, Wofford College complies with Title IX of the Education Amendments of 1972 (20 U.S.C. §1681, et seq. and its implementing regulations, 34 C.F.R., Part 106) that prohibit discrimination on the basis of sex, in federally assisted education programs and activities: “No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance . . . .” In addition, the Supreme Court, Congress and federal executive department and agencies, including the Department of Education, have recognized that sexual harassment can constitute discrimination, which is prohibited by Title IX.

The following individuals have been designated to handle inquiries regarding Wofford College’s nondiscrimination policies:

- Inquiries concerning nondiscrimination on the basis of sex may be referred to Wofford College’s Title IX coordinator (or to the U.S. Department of Education’s Office for Civil Rights (District of Columbia Office)). Wofford College’s Title IX coordinator is Amanda Estabrook, Title IX and ADA coordinator, whose office is located on the second floor of the Campus Life Building, 429 North Church Street, Spartanburg, SC 29303. Estabrook may be contacted by phone at 864-597-4047 or by email at estabrookar@wofford.edu.
- Inquiries concerning nondiscrimination on the basis of a student’s disability may be referred to Wofford College’s director of accessibility and counseling, Perry Henson, whose office is located on the second floor of the Hugh S. Black Wellness Center, 429 North Church Street, Spartanburg, SC 29303. Henson may be contacted by phone at 864-597-4373 or by email at hensonpv@wofford.edu.
- All other inquiries concerning nondiscrimination not addressed in this policy may be referred to Wofford College’s vice president for student life, Roberta Bigger, whose office is located in the Campus Life Building, 429 North Church Street, Spartanburg, SC 29303. Bigger may be contacted by phone at 864-597-4040 or by email at biggerrh@wofford.edu.

Concerns about nondiscrimination also may be reported using the bias incident report form at https://connect.wofford.edu/mywofford/campusLife/biasIncident.aspx.

Individuals have the right to file a formal complaint or make any other inquiry concerning the application of Title IX, which may be referred to the U.S. Department of Education’s Office of Civil Rights (OCR) at the following:

Section 1.02 Background and Community Expectations.
Sexual misconduct and sexual harassment are all forms of discrimination and are referred to generally as “sexual misconduct” in this policy. This policy has been developed to reaffirm these principles and to define community expectations, outline Wofford College’s response to reports of sexual misconduct, provide recourse for individuals whose rights have been violated and provide a reliable, impartial and fair mechanism for determining when those rights and expectations have been violated.

Wofford College strongly urges all members of the campus community to play a role in discouraging, responding to and preventing sexual misconduct that is prohibited by this policy. Wofford College encourages the community to speak up when an incident occurs and to report sexual misconduct. Further, any individual who feels that he/she has been subjected to prohibited conduct under this policy is encouraged to seek assistance and resolution. This policy provides a variety of ways in which an
individual may proceed in cases of unlawful discrimination, sexual harassment, sexual misconduct and retaliation so that each individual may choose an avenue for reporting appropriate to his/her particular situation, whether that be internally through Wofford College informal or formal resolution processes or externally through law enforcement or criminal or civil processes.

The college is committed to providing programs, activities and an educational and work environment free from sex discrimination and to fostering a community that promotes prompt reporting of all types of sexual misconduct and timely and fair resolution of sexual misconduct complaints. In furtherance of these commitments, this policy sets forth available resources (Exhibit A), describes prohibited conduct (Article II) and establishes procedures for responding to complaints of sexual misconduct (Articles III-VIII).

The college will make this policy and information about recognizing and preventing sexual misconduct readily available to all members of the college community.

The college is committed to eliminating sexual misconduct, preventing its recurrence and addressing its effects.

**Section 1.03 Applicability of This Policy.**
This policy applies to any allegation of sexual misconduct made by or against a student or an employee of the college or a third party, regardless of the sex, sexual orientation, sexual identity, gender or gender identity of any party and wherever the alleged sexual misconduct occurred, if the conduct giving rise to the complaint is related to the college’s academic, educational, athletics or extracurricular programs or activities. There is no geographical limitation to invoking this policy.

Students and employees participating in Wofford Interim, study abroad and internship programs are subject to this policy. When sexual misconduct is alleged by or against a college employee or student in a college-affiliated internship or educational program of another entity, the college may, in its sole discretion, conduct its own investigation pursuant to this policy, conduct a joint investigation with the affiliated entity or utilize the investigation of the other entity as a basis for further investigation.

In the case of allegations of sexual misconduct, unless otherwise stated, this policy supersedes and applies in lieu of all other procedures and policies set forth in other college documents.

**Section 1.04 Period of Limitations.**
A complaint of sexual misconduct may be filed at any time, regardless of the length of time between the alleged sexual misconduct and the decision to file the complaint. However, the college strongly encourages individuals to file complaints promptly in order to preserve evidence for a potential legal or disciplinary proceeding. A delay in filing a complaint may compromise the subsequent investigation, particularly if neither the complainant nor the respondent is employed by the college or enrolled as a student at the time.

**Section 1.05 Definitions Applicable to This Policy.**
Terms used in this policy are defined in Exhibit B.
Article II. Statements of Policy

Section 2.01 Prohibition on Sexual Misconduct.
This policy is designed to protect the rights and needs of alleged victims and respondents. Creating a safe environment is the responsibility of all members of the college community.

The college prohibits sexual misconduct. The college strongly encourages prompt reporting of all types of sexual misconduct and is committed to fostering a community that promotes timely and fair resolution of sexual misconduct cases. To that end, the college has defined sexual misconduct broadly to include any unwelcome conduct of a sexual nature, and the college will properly address all allegations of sexual misconduct. Wofford College is committed to fostering a campus environment that promotes prompt and effective resolution of sexual misconduct cases. The college’s procedures are designed to protect the rights, needs and privacy of the person reporting an alleged sexual misconduct (“complainant”), the rights of those accused of sexual misconduct (“respondent”) and of the campus community as a whole.

However, not all unwelcome conduct of a sexual nature rises to the level of warranting adjudication and/or discipline pursuant to this policy. Although the college will properly address all allegations of sexual misconduct, this policy uses the term “material sexual misconduct,” as defined in Exhibit B, to identify those acts of sexual misconduct that do warrant adjudication under, and discipline pursuant to, this policy.

Section 2.02 Prohibition on Retaliation.
Retaliation against any person for filing, supporting or providing information in good faith in connection with a complaint of sexual misconduct is strictly prohibited. Violations of this prohibition will be addressed through this policy and/or other college disciplinary procedures, as deemed appropriate in the college’s discretion. Any person who feels that he/she has been subjected to retaliation should make a report to the assigned Title IX deputy coordinator or to the Title IX coordinator.

Section 2.03 Prohibition on Providing False Information or Interfering with an Investigation.
Any individual who knowingly files a false complaint under this policy or who interferes with an investigation may be subject to disciplinary action. Interference with an investigation may include, but is not limited to:

- Attempting to coerce, compel or prevent an individual from providing testimony or relevant information.
- Removing, destroying or altering documentation relevant to the investigation.
- Providing false or misleading information to college officials who are involved in the investigation and resolution of a complaint or encouraging others to do so.

Section 2.04 Related Misconduct.
The hearing board may hear allegations of and impose sanctions for alleged misconduct that is related to the sexual misconduct at issue, even if such related misconduct is not, when standing alone, governed by this policy. Similarly, complaints of retaliation, providing false information and counterclaims by a respondent may be adjudicated in the same proceeding as the original complaint or in a separate proceeding before either the same or a different hearing board.

Section 2.05 Amnesty.
The college considers the reporting and adjudication of sexual misconduct cases on campus to be of paramount importance. The college does not condone underage drinking or use of illegal drugs. However, the college will extend amnesty to complainants, third-party reporters and those assisting victims of sexual misconduct from punitive sanctioning for illegal use of drugs and/or alcohol.

Section 2.06 Individuals with Disabilities.
The college will make arrangements to ensure that individuals with disabilities are provided appropriate accommodations, to the extent necessary and available, to participate in the steps and procedures outlined in this policy. Student requests for accommodations must be made to Office of Accessibility and Counseling Services (located on the second floor of the Wellness Center and available from 8:30 a.m. until 5 p.m.). All other requests for accommodations must be made to Office of Human Resources (located in Snyder House).
Article III. Confidentiality

Section 3.01 Confidentiality in Reporting and Disclosure.
The college encourages anyone who has experienced sexual misconduct to talk to someone about what happened, both so that they can get the support they need and so that the college can respond appropriately. The college wants individuals to be aware of the various reporting and confidential disclosure options available to them so that they can make informed choices about where to turn should they be subjected to sexual misconduct.

(a) Licensed mental health professionals, pastoral counselors and health services professionals. Licensed mental health professionals and pastoral counselors who provide mental health counsel to members of the Wofford College community, registered nurses, nurse practitioners and off-campus rape crisis resources are not required to report any information about an incident to the college or the Title IX coordinator without a complainant’s permission. Individuals may discuss alleged sexual misconduct in strict confidence with these individuals (“strictly confidential resources”). The following is contact information for these individuals:

(i) Wellness Center, 864-597-4370 or 4371.
(ii) Chaplain, 864-597-4050 or 4051.

This means that personally identifiable information shared with strictly confidential resources is not part of students’ or employees’ college records and will not be reported to other college personnel (including the Title IX coordinator), to the respondent or to others (unless the disclosing individual gives his/her consent to the disclosure or the law requires it (as may be the case with alleged sexual misconduct involving a minor or under conditions involving imminent physical harm, for example)).

Strictly confidential resources will assist the complainant in receiving necessary protection and support, such as victim advocacy, academic support or accommodations, disability, health or mental health services, and changes to living, working or course schedules. A complainant who first requests confidentiality may later decide to file a complaint with the college or report the incident to local law enforcement and thus have the incident fully investigated.

Strictly confidential resources are not considered “responsible employees” for the purposes of reporting, and therefore, are not required to (and will not, absent direction from the disclosing individual to do so) report incidents of alleged sexual misconduct to the Title IX coordinator. For purposes of clarity, understand that many of the college employees who are not strictly confidential resources are “responsible employees.” Communications made to responsible employees (and others) are not entitled to the same confidentiality protections as those made to strictly confidential resources. Note that people who serve more than one role at the college (e.g. chaplain and faculty member) will be a highly confidential resource when serving in the role designated as confidential (e.g. chaplain) but will be a “responsible employee” when serving in a role designated as a “responsible employee” (e.g. faculty member). Strictly confidential resources may report non-identifying statistical information to the college.

(b) The Title IX Coordinator and Responsible Employees. When a complainant tells a “responsible employee” about an incident of sexual misconduct, the complainant has the right to expect the college to take appropriate steps to investigate what happened and to resolve the matter promptly and equitably. A disclosure to the Title IX coordinator or a “responsible employee” constitutes a report to the college and obligates the college to investigate the incident and take appropriate steps to address the allegations, which may include disclosures as contemplated by Section 3.02(a). See the definition of “responsible employee” in Exhibit B for a list of the college’s responsible employees.

A “responsible employee” must report all relevant details about the alleged sexual misconduct shared by the complainant to the Title IX coordinator or a Title IX deputy coordinator, and the college will need to determine what happened – including the names of the complainant and the alleged perpetrator(s), any witnesses and any other relevant facts, including the date, time and specific location of the alleged incident.

Section 3.02 Confidentiality in the Investigation and Resolution Processes.
(a) Sharing of Information (Applicable to All Complaints). The college will respect and will make every feasible effort to avoid the inappropriate disclosure of the information shared by and the identities of the parties involved in sexual misconduct matters.

Information regarding alleged sexual misconduct generally will be disclosed by college personnel during the investigation and resolution processes only as follows:

(i) College personnel will (and are obligated to) handle information regarding alleged sexual misconduct in accordance
with applicable local, state and federal laws. For example:

1) Under conditions of potential imminent harm to the community, the college may be required by federal law to
inform the community of the occurrence of the alleged incident(s) of sexual misconduct. Any such warning would
not include information that identifies the complainant.

2) Information regarding the alleged sexual misconduct may be used as a statistical, anonymous report for data
collection purposes under the Clery Act.

3) The college may be required by state law to inform the South Carolina State Law Enforcement Division of the
occurrence of the alleged incident(s) of sexual misconduct.

(ii) College personnel may report alleged sexual misconduct to local law enforcement if warranted by the nature of the
allegations at issue (e.g. incidents involving minors).

(iii) College administrators will share information regarding alleged sexual misconduct, as appropriate and necessary, in order
to address and resolve the allegation(s) at issue, prevent the recurrence of similar sexual misconduct and address the
effects of the sexual misconduct.

(b) Requests for Confidentiality. If information regarding alleged sexual misconduct is shared with the Title IX coordinator
and/or a “responsible employee,” but the complainant desires that 1) the information not be shared with other “responsible
employees,” with the respondent or with others, even as appropriate and necessary to address the allegations; 2) that the
college not investigate the information; or 3) that no disciplinary action be taken, the complainant must request that the
college treat such information as confidential. This request must be made to the assigned Title IX deputy coordinator (or, if
such determination has not yet been made, to the Title IX coordinator).

(i) Evaluation of the Request. The college takes requests for confidentiality seriously, however, granting such requests
may limit the college's ability to investigate and take reasonable action in response to a complaint. The Title IX
coordinator will evaluate the request for confidentiality in the context of the college’s commitment to provide a
reasonably safe and non-discriminatory environment and will determine whether such request will be granted. In order to
make such a determination, the assigned Title IX deputy coordinator (or, if such determination has not yet been made,
the Title IX coordinator) may conduct a preliminary investigation into the alleged sexual misconduct and may weigh
requests for confidentiality against the following factors, among others:

1) The seriousness of the alleged sexual misconduct (including, but not limited to, whether the sexual misconduct was
perpetrated with a weapon).

2) The increased risk that the alleged perpetrator will commit additional acts of sexual misconduct, such as (A) whether there have been other reports or complaints against the alleged perpetrator, (B) whether the alleged
perpetrator has a history of arrests or records from a prior school indicating a history of sexual misconduct or a
history of violence, (C) whether the alleged perpetrator threatened further sexual misconduct or threatened violence
against the victim or others or (D) whether the sexual misconduct was committed by multiple perpetrators.

3) Whether the information reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given
location or by a particular group or person.

4) The respondent’s right to receive information about the allegations if the information is maintained by the college as
an education record.

5) Whether the victim is a minor.

6) Whether the college possesses other mean to obtain relevant evidence of the sexual misconduct (e.g., security
cameras or security personnel, physical evidence).

The presence of one or more of these factors may lead the college to investigate and, if appropriate, pursue disciplinary
action. If none of these factors is present, the college likely will honor the request for confidentiality.

(ii) Determination as to Whether Request Can Be Granted. The assigned Title IX deputy coordinator (or, if such
determination has not yet been made, the Title IX coordinator) will inform the person requesting confidentiality whether
the college intends to honor the request or whether the college intends to pursue investigation and/or resolution despite
the request.

If the college determines that it cannot maintain confidentiality, it will inform the complainant prior to starting an
investigation and will, to the extent possible, only share information with people responsible for addressing the
allegations. The college also will take ongoing steps to protect the complainant from retaliation or harm and work with
the complainant to create a safety plan, if warranted, and assist the complainant in accessing other services and interim
measures. (See Section 6.02(a).)
If the college honors the request for confidentiality, the college’s ability to investigate and take reasonable action in response to an allegation of sexual misconduct may be limited. A respondent is entitled to know the name of the complainant and information regarding the nature of the allegations in order to defend against the allegations; thus, the college may not be able to both adjudicate the complaint and to maintain confidentiality during that process.

Even when the college determines it will abide by a request for confidentiality (and even if such request limits the college’s ability to take disciplinary action against the respondent):

1) To the extent practicable and appropriate, the college will take prompt action to limit the effects of the alleged sexual misconduct and to prevent its recurrence. For instance, the college may take appropriate interim measures to ensure an individual’s safety even in the absence of a college proceeding. The college also may consider broader remedial action (such as increased monitoring, supervision or security at locations where reported sexual violence occurred, increased education and prevention efforts, including to targeted population groups, and climate assessments).

2) Information regarding the alleged sexual misconduct may be included in college records, as necessary and appropriate.

3) College personnel will (and are obligated to) handle information regarding alleged sexual misconduct in accordance with applicable local, state and federal laws and may take the steps outlined in Section 3.02(a)(i).

Note that the college cannot control disclosure by third parties.
Article IV. How and Where to Report Alleged Sexual Misconduct

For information about seeking medical assistance and emotional support as well as important contact information for local law enforcement agencies, hospitals and other resources, see Exhibit A of this policy.

Because sexual misconduct may in some instances constitute both a violation of college policy and criminal activity, and because the college processes are not a substitute for instituting legal action, the college encourages individuals to report alleged sexual misconduct promptly to college officials and to law enforcement authorities, where appropriate.

Individuals have the option not to report alleged sexual misconduct to campus officials or to law enforcement authorities. The college respects the individual’s decision in regards to reporting, however, subject to the confidentiality provisions outlined in Article III of this policy, if information about sexual misconduct comes to the attention of the college, the college (1) will start an investigation even in the absence of a filed complaint and/or (2) may notify appropriate law enforcement authorities if required or warranted by the nature of the information of which it becomes aware.

Section 4.01 Reporting to Local Law Enforcement.
Individuals may file a complaint directly with local law enforcement agencies by calling 911.

Individuals may contact any of the following for assistance in filing a complaint with local law enforcement:
- Wofford College Department of Campus Safety, 24 hours a day, seven days a week (available by phone at 864-597-4911 and located in Andrews Field House).
- The college’s Title IX coordinator, Amanda Estabrook (Title IX and ADA coordinator), (available by phone from 8:30 a.m. to 5 p.m., Monday, Wednesday and Friday at 864-597-4047 or by email Monday through Friday at estabrookar@wofford.edu and located in the Campus Life Building).
- The Office of Student Affairs, from 8:30 a.m. to 5 p.m. Monday through Friday (available by phone at 864-597-4040 and located in the Campus Life Building).

Individuals may inform law enforcement authorities about sexual misconduct and discuss the matter with a law enforcement officer without requesting an investigation under this policy. Individuals who make a criminal complaint also may choose to pursue a college complaint simultaneously.

Section 4.02 Reporting to the College.
If you wish for information regarding sexual misconduct to be investigated and addressed pursuant to this policy, a victim must disclose such information to the Title IX coordinator or to a “responsible employee.” See the definition of “responsible employee” and a list of the college’s “responsible employee” in Exhibit B of this policy. These individuals are REQUIRED to report and address allegations of sexual misconduct (or relay the allegations to the Title IX coordinator (or, if the Title IX coordinator is implicated in the allegations, to a Title IX deputy coordinator) to do so). Individuals who are not “responsible employees” are not subject to the same requirement (and in some instances, such as is generally the case with strictly confidential resources, are prohibited from reporting alleged sexual misconduct to others absent an express directive from the alleged victim to do so).

Individuals may report information regarding sexual misconduct on their own behalf (i.e., as complainants) or on behalf of the complainant (i.e., as third-party reporters).

If the Title IX coordinator is the respondent or is otherwise at issue in a complaint, or if an individual is otherwise uncomfortable making a complaint to the Title IX coordinator, he/she may report alleged sexual misconduct to a Title IX deputy coordinator or any other “responsible employee.”

No member of the college community may discourage an individual from reporting alleged incidents of sexual misconduct. With the exception of certain research-based disclosures described in the following paragraph, a “responsible employee” with any knowledge (including firsthand observation) about a known or suspected incident of sexual misconduct must report the incident to the Title IX coordinator (or, if the Title IX coordinator is implicated in the allegations, a Title IX deputy coordinator). No employee is authorized to investigate or resolve complaints without the approval and involvement of the Title IX coordinator or an assigned Title IX deputy coordinator.

Disclosures of incidents of alleged sexual misconduct made by an individual during such individual’s participation as a subject in an institutional review board–approved human subjects research protocol (an “approved research project”) will not be considered notice to the college of sexual misconduct for purposes of triggering its obligation to investigate the incident at issue. (More
specifically, a “responsible employee” whose knowledge of a known or suspected incident of sexual misconduct is gained as a result of conducting an approved research protocol is not required to report the incident to the Title IX coordinator. Institutional review boards may, in appropriate cases, require researchers to provide information to all subjects of a study about the subjects’ Title IX rights and about available college and community resources and support services with regard to sexual misconduct.

Individuals also may file anonymous reports by completing a silent witness form at http://www.wofford.edu/campusSafety/form.aspx?ekfrm=4204. Individuals who choose to file anonymous reports are advised that it may be very difficult for the college to follow up or take action on anonymous reports, where corroborating information is limited. Anonymous reports may be used for Clery Act data collection purposes.

<td>If someone reports to a “responsible employee” (including a Title IX deputy coordinator): (See the definition of “responsible employee” and a list of all of the college’s “responsible employees” in Exhibit B.)</td>
<td>The “responsible employee” will forward the information to the Title IX coordinator, who will initiate the investigation and resolution process (unless the person requests confidentiality pursuant to Section 3.02(b), in which case the information will be held in confidence unless the Title IX coordinator determines that, due to the college’s commitment to provide a reasonably safe and non-discriminatory environment, the request cannot be granted).</td>

<tr>
<td>If someone confides in a counselor, registered nurse, nurse practitioner or the chaplain:</td>
<td>The information provided will remain strictly confidential and will not be reported* to the Title IX coordinator (or anyone else) for investigation and resolution.</td>
</tr>
<tr>
<td>*Remember that in unusual circumstances, information someone shares with the counselors, registered nurses, nurse practitioners or chaplain (such as situations involving imminent harm to the community or situations involving abuse of a minor) may be disclosed without that person’s consent.</td>

<td>If a person reports to someone else (i.e. someone other than the Title IX coordinator, a “responsible employee,” a counselor, registered nurse, nurse practitioner or the chaplain):</td>

This is because the individual to whom the information is reported is not obligated to report allegations of sexual misconduct to the Title IX coordinator (and conversely, is not obligated to maintain the information you shared in confidence).</td>
</tr>
<tr>
<td>For this reason, if a reporting party would like the information to be addressed by Wofford College, they should direct it to a Title IX coordinator or a “responsible employee.” Conversely, if the reporting party would like the information they share to be maintained in strict confidence, they should share it with a counselor, registered nurse, nurse practitioner or the college chaplain.</td>

Article V. Policies Applicable to All Complaints of Sexual Misconduct

Section 5.01 Oversight.
The assigned Title IX deputy coordinator will be responsible for overseeing the prompt, fair, thorough and impartial investigation and resolution of complaints filed with or disclosed to the college. The Title IX coordinator also may serve the function of the assigned Title IX deputy coordinator in the resolution of a complaint. When that is the case, the vice president of student affairs will serve the appeal function set forth in Section 6.04(b).

Section 5.02 Conflicts.
If any employee designated by this policy to participate in the investigation or resolution of a complaint is the respondent, then the Title IX coordinator will appoint another college administrator to perform such person’s duties under this policy. (If the Title IX coordinator is the respondent, then the president of the college will appoint another college employee to perform his/her duties under this policy.)

Section 5.03 Support Persons.
Both the complainant and the respondent may have one support person present to support and assist them throughout the complaint process, including, but not limited to, during related prehearing meetings, during investigative interviews and during the hearing or proceeding (for purposes of this section, “meetings”). The complainant and the respondent are not limited in their choice of support person. However, a person may not serve as both a support person and a witness in a proceeding. Support persons may be friends, family members, victim advocates, lawyers or others. The complainant and the respondent may consult with their respective support persons during meetings, provided that such consultation is not disruptive. Support persons may not, however, have a speaking role during any meeting. In addition, the support person’s attendance may be disallowed if such support person’s presence would be obstructive or otherwise would warrant his/her removal. Absent accommodation for disability, the complainant and the respondent may not be accompanied by more than one support person or by other individuals during meetings.

For the avoidance of doubt, the college may seek advice from the college’s counsel at any time (including during any hearing or proceeding).

Section 5.04 Timing.
The college will make every reasonable effort to ensure that the investigation and resolution of a complaint occurs in as timely and efficient a manner as possible. The timelines set forth in this policy are intended as guidelines and may be altered for good cause. The college will strive to complete its investigation and resolution of a complaint (not including an appeal, if applicable) within 60 calendar days of the receipt of the complaint, absent extenuating circumstances. If circumstances, such as complexity of the case, non-availability of parties or witnesses, college breaks or other circumstances require the college’s investigation and resolution to extend past 60 days, the college will notify the parties of that fact. Hearings, if any, will take place within 20 days of the conclusion of the investigation. If a hearing has taken place, both the complainant and the respondent will receive a final outcome letter within five (5) business days of the conclusion of the hearing.

Any party may request an extension of any deadline by providing the Title IX coordinator with a written request for an extension that includes reference to the duration of the proposed extension and the basis for the request. The Title IX coordinator may modify any deadlines contained in this policy as necessary and for good cause; in such case, the Title IX coordinator will provide the complainant and the respondent with written notice of the modification and the reason therefor.

Section 5.05 Documentation.
The college will retain documentation (including but not limited to the written complaint, notifications, the investigative report, written findings of fact, petitions for appeal, notifications of decisions (including the final outcome letter) and any written communication between the parties), for at least seven years. Audio recordings of hearings will be retained for the same length of time. Documentation pertaining to expulsions or degree revocations will be retained indefinitely or in accordance with college policy.

Section 5.06 Confidentiality and Disclosure.
In order to comply with the Family Educational Rights and Privacy Act (FERPA) of 1974, Title X and other applicable laws, and to provide an orderly process for the presentation and consideration of relevant information without undue intimidation or pressure, the resolution processes are not open to the general public. Accordingly, documents prepared in anticipation of the informal and/or the formal resolution processes (including the complaint, the investigative report and notices and communications to or from the complainant or the respondent); documents, statements or other information introduced in the interviews, meetings and proceedings; and the final outcome letter may not be disclosed outside of those processes except as may be required or authorized by law. The college reserves the right to notify parent(s) or guardian(s) of a student respondent of the outcome of any
investigation involving that respondent, redacting names of any other students who do not consent to the disclosure of their information.

For the avoidance of doubt, college policy does not prohibit the further disclosure of the final outcome letter by either the complainant or the respondent. However, the college strongly encourages parties to maintain privacy in proceedings pursuant to this policy.

Section 5.07 Violations Involving Groups of Individuals.
Members of a student group, an organization, a college department or a team or individuals collusively acting in concert in violation of this policy may be charged as a group and/or as individuals, and an investigation may proceed against the group as joint respondents or against one or more involved individuals as appropriate given the available information and the circumstances.

A student group, an organization or a team’s officers and members may be held collectively and individually responsible when violations of this policy by the organization or its members:
  1) Occurred at organization-sponsored events.
  2) Received the consent or encouragement of the organization or of the organization’s leaders or officers.
  3) Were known or reasonably should have been known to the membership or its officers.

In any such action, individual determinations as to responsibility will be made and sanctions may be assigned collectively and/or individually in proportion to the involvement of each individual. Moreover, consistent with the provisions of Section 6.02(b)(i), the college may impose interim measures against a group including but not limited to social suspension and restriction of access to college facilities.

Section 5.08 Consolidation of Investigation.
The Title IX coordinator may consolidate multiple reports against a single respondent or group of respondents into one investigation if the evidence related to each incident would be relevant and probative in reaching a determination on the other incident(s).
Article VI. The Process Applicable to All Complaints of Sexual Misconduct

Section 6.01 STEP 1: A Report of Sexual Misconduct Becomes a Complaint.

A complaint may be initiated in one of the following ways:

1) An alleged victim may file a written complaint with the college or a third party may file a written complaint on his/her behalf. An alleged victim may complete a sexual misconduct complaint form (see Exhibit C) or may submit a written statement in his/her own words providing sufficient information for the college to investigate the allegations contained therein (including but not limited to the name of the alleged victim, the name of the alleged perpetrator, and the date, location, and nature of the alleged sexual misconduct).

2) An alleged victim may meet in person with the Title IX coordinator to report alleged sexual misconduct. In such a situation, the Title IX coordinator will ask the alleged victim to complete a complaint form provided by the college.

3) The college may determine, based on information of which it becomes aware, that it is necessary and/or appropriate for it to investigate the information available to it.

Once a complaint is initiated, an alleged victim will be referred to as a “complainant” and an alleged perpetrator will be referred to as a “respondent.”

Section 6.02 STEP 2: Evaluation of Interim Measures and Interim Disciplinary Sanctions.

Following the initiation of a complaint (and at any point during the complaint, investigative or disciplinary processes, if the assigned Title IX deputy coordinator deems it necessary for the protection of any member of the college community), the assigned Title IX deputy coordinator will determine which, if any, of the following measures and/or actions should be taken:

(a) Interim Protective Measures for Complainants. When warranted to ensure the safety and well-being of the complainant, the assigned Title IX deputy coordinator may implement one or more interim measures, if appropriate and/or reasonably available, including, but not limited to the following:

(i) Issuing no-contact orders to prevent any contact between or among the complainant, the respondent, witnesses and/or third parties.

(ii) Providing the complainant an escort to ensure that he or she can move safely between classes, work and/or activities.

(iii) Changing a complainant’s or a respondent’s on-campus housing, if any, to a different on-campus location and providing assistance from college personnel in completing the relocation.

(iv) Changing a complainant’s or a respondent’s work arrangements or schedules.

(v) Changing academic schedules (such as moving the complainant or the respondent from one class section to another).

(b) Interim Disciplinary Measures for Respondents.

(i) Student Respondents. When a student respondent’s alleged actions or behaviors affect the safety, health or general welfare of the complainant, other students and/or the college community, the assigned Title IX deputy coordinator may impose interim disciplinary measures prior to the adjudication of the complaint pursuant to this policy.

Possible interim measures include, but are not limited to, requesting that the vice president for student affairs or his/her designee:

a. Impose on the respondent an administrative withdrawal from the college.

b. Summarily suspend the respondent from campus housing on an interim basis.

c. Restrict the respondent’s access to college facilities.

The assigned Title IX deputy coordinator will notify the respondent of the proposed interim measure(s) in writing. These actions may be appealed to the vice president for student affairs (available by phone at 864-597-4040 and located in the Campus Life Building) or his/her designee. Any appeals must be made in writing within 72 hours of notification of the imposing interim measure. The decision of the vice president for student affairs regarding the imposition of these actions will be final.

(ii) Employee Respondents. When an employee respondent’s alleged actions or behaviors affect the safety, health or general welfare of the complainant, students, other employees and/or the college community, the assigned Title IX deputy coordinator may request that the individual authorized to make personnel decisions regarding the employee at issue (a) take such steps as are reasonable, appropriate and necessary to restrict the respondent’s access to college facilities or (b) temporarily adjust the job duties of or place on administrative leave such respondent.
These actions may be appealed to the director of human resources (available by phone at 864-597-4230 and located in the Snyder House). The decision of the director of human resources regarding the imposition of these actions will be final. If the director of human resources is the assigned Title IX deputy coordinator, the decision regarding interim measures may be appealed to the Title IX coordinator.

Section 6.03 STEP 3: Initial Meetings with the Assigned Deputy Title IX Coordinator.

(a) Complainant’s Initial Meeting with the Assigned Title IX Deputy Coordinator. As soon as is practicable, the assigned Title IX deputy coordinator will contact the complainant to schedule an initial meeting to discuss the complaint and avenues for its resolution. If the person who reported the alleged sexual misconduct is a third-party reporter, the assigned Title IX deputy coordinator will attempt to meet with him/her as soon as possible to gather information.

Following the meeting with the complainant, the assigned Title IX deputy coordinator, if applicable, promptly will determine the interim measures to be provided to the complainant during the investigative and resolution processes. If interim protective measures already have been implemented pursuant to Section 6.02(a), the assigned Title IX deputy coordinator will evaluate whether they should continue to be provided and whether other interim measures also should be implemented. These interim measures may include the protective measures listed in Section 6.02(a) and/or other appropriate interim measures, such as:

(i) Arranging to dissolve a campus housing contract and offering a pro-rated refund.
(ii) Rescheduling class work, assignments and examinations.
(iii) Arranging for the complainant to withdraw from or take an incomplete in class without penalty.
(iv) Providing academic support services.
(v) Providing alternative course completion options.
(vi) Permitting a temporary withdrawal from the college.
(vii) Providing counseling services.

Such determination promptly will be communicated to the complainant (no later than it is communicated to the respondent) and, to the extent that it affects him/her, the respondent.

(b) Respondent’s Initial Meeting with the Assigned Title IX Deputy Coordinator. As soon as is reasonably practicable after the assigned Title IX deputy coordinator’s initial meeting with the complainant, the assigned Title IX deputy coordinator will schedule an initial meeting with the respondent to discuss the complaint, to inform the respondent of any interim measures already determined and being provided to the complainant that directly affect the respondent and to discuss the process for resolving the complaint. Following the meeting with the respondent, the assigned Title IX deputy coordinator, if applicable, promptly will determine the interim measures to be provided to the respondent during the pendency of the investigative and resolution processes (such as those listed in Section 6.02(a) and/or Section 6.03(a) above). Such determination promptly will be communicated to the respondent (no later than it is communicated to the complainant) and, to the extent that it affects him/her, the complainant.

Section 6.04 STEP 4: The Investigation.

(a) Effect of Corollary Criminal Investigation. The college’s investigation may be delayed temporarily while criminal investigators are gathering evidence. In the event of such a delay, the college may take interim measures when necessary to protect the complainant, the respondent and/or the college community. Neither the results of a criminal investigation nor the decision of law enforcement to investigate or decline to investigate a matter is determinative of whether material sexual misconduct, for the purposes of this policy, has occurred.

(b) The Assigned Title IX Deputy Coordinator’s Initial Determination. The Title IX coordinator promptly will appoint two investigators. The assigned Title IX deputy coordinator will share their names and contact information with the complainant and the respondent and will forward the complaint to the investigators unless it is clear on its face and/or based on the assigned Title IX deputy coordinator’s initial meetings with the parties that no reasonable grounds exist for believing that the conduct at issue constitutes material sexual misconduct.

Within three business days of such appointment, the investigators, the complainant or the respondent may identify to the assigned Title IX deputy coordinator in writing alleged conflicts of interest posed by assigning such investigators to the matter. The assigned Title IX deputy coordinator will consider carefully such statements and will assign different individuals as investigators if it is determined that a material conflict of interest exists.

In the event that the complaint was made by a third-party reporter, the assigned Title IX deputy coordinator also will consider the following factors in determining whether it is reasonable to assign investigators to investigate the complaint:
(i) The source and nature of the information.
(ii) The seriousness of the alleged incident.
(iii) The specificity of the information.
(iv) The objectivity and credibility of the source of the information.
(v) Whether the individual(s) allegedly subjected to the sexual misconduct can be identified.
(vi) Whether the individual(s) wish to pursue the matter.

In the event that the assigned Title IX deputy coordinator determines that an investigation of the complaint is not warranted, he/she will close the complaint, document the closure and promptly notify the complainant and the respondent of the closure and the rationale for the closure.

The complainant and/or the respondent may appeal the assigned Title IX deputy coordinator’s decision in writing to the Title IX coordinator and provide a copy of the appeal to the assigned Title IX deputy coordinator within five days of receipt of the notice of closure. The assigned Title IX deputy coordinator promptly will inform the other party of the appeal.

Following receipt of the appeal, the Title IX coordinator will make a determination as to whether the complaint warrants further investigation or the case should be closed and whether any additional or different remedial action is necessary. He/she will notify the complainant and the respondent concurrently of his/her decision. The decision of the Title IX coordinator is final. If the Title IX coordinator is serving the functions of the assigned Title IX deputy coordinator, this appeal will be forwarded to the vice president for student affairs, who then will make the determination described above.

(c) The Investigators’ Activities. Upon receipt of the complaint, the investigators promptly will begin their investigation, taking such steps as:

(i) Conducting interviews with the complainant, the respondent and third-party witnesses (including expert witnesses, where applicable) and either summarizing such interviews in written form or recording the interviews.

(ii) Visiting, inspecting and taking or reviewing photographs at relevant sites where applicable.

(iii) Collecting and preserving relevant evidence (in cases of corresponding criminal complaints, this step may be coordinated with law enforcement agencies), where applicable.

Throughout the investigation, the investigators will remain neutral.

(d) The Investigative Report. The investigators will complete a written investigative report that includes items such as the written complaint, any written statements of position, summaries of all interviews conducted, photographs, descriptions of relevant evidence, summaries of relevant electronic records and a detailed report of the events in question (the “investigative report”). The investigators will share the investigative report with the assigned Title IX deputy coordinator. If the matter proceeds to formal resolution as set forth in Section 7.02, the assigned Title IX deputy coordinator will make it (concurrently) available to the complainant and to the respondent to review, after redacting from it information that would not be admissible at a hearing on the matter pursuant to this policy. Due to the sensitive nature of the information in this report, neither the parties nor their advisers may copy, remove, photograph, print, image, record or in any other manner duplicate or remove the information provided. The complainant and the respondent may not make copies of the investigative report.

All parties to whom the investigative report is distributed pursuant to this policy must maintain it in confidence (even after the resolution of the complaint); the investigative report may only be disclosed as is contemplated by this policy.

(e) The Assigned Title IX Deputy Coordinator’s Evaluation of the Investigative Report. The assigned Title IX deputy coordinator will evaluate the investigative report and will direct that the complaint will proceed to adjudication according to the procedures set forth in Article VII (or Article VIII) below unless it is clear from the investigative report that no reasonable grounds exist for believing that the conduct at issue constitutes material sexual misconduct.

The assigned Title IX deputy coordinator will specify which allegations and, if applicable, which other related alleged misconduct, will go forward for resolution under this policy.

If the assigned Title IX deputy coordinator finds that it is clear from the investigative report that no reasonable grounds exist to believe that the conduct at issue constitutes material sexual misconduct, then the assigned Title IX deputy coordinator will close the complaint, document the closure and promptly notify the complainant and the respondent of the closure and the rationale for the closure.
The complainant and/or the respondent may appeal the assigned Title IX deputy coordinator’s decision in writing to the Title IX coordinator (providing a copy of the appeal to the assigned Title IX deputy coordinator) within five days of receipt of the notice. The assigned Title IX deputy coordinator promptly will inform the other parties of the appeal. Within approximately five (5) days of the receipt of the complainant’s appeal, the Title IX coordinator will make a determination as to whether the complaint should proceed to hearing or the closure should stand. The Title IX coordinator will notify the complainant and the respondent concurrently of his/her decision. If the Title IX coordinator is serving the functions of the assigned Title IX deputy coordinator, this appeal will be forwarded to the vice president for student affairs, who then will make the determination described above.

**Section 6.05 STEP 5: Determination of Formal Versus Informal Resolution.**

At any time before the hearing board provides notice of the hearing in accordance with Section 7.02(b)(ii), the complainant may elect to resolve his/her complaint through the informal resolution process in accordance with Article VIII of this policy, provided that (a) the respondent agrees to such resolution, (b) the complainant and the respondent are both students or are both employees of the college, (c) the assigned Title IX deputy coordinator determines that informal resolution is an appropriate mechanism for resolving the complaint and (d) the complaint does not involve sexual assault. Otherwise, a complaint that is not closed pursuant to the assigned Title IX deputy coordinator’s evaluation of the investigative report will proceed to formal resolution in accordance with Article VII of this policy.
Article VII. Formal Resolution

Section 7.01 Respondent’s Acknowledgement of Responsibility.
At any time prior to the date of the hearing, the respondent may elect to acknowledge his/her actions and take responsibility for the alleged sexual misconduct. In such a situation, the assigned Title IX deputy coordinator, in consultation with the Title IX coordinator, will propose sanction(s) for the respondent. If the complainant and the respondent agree to such proposed sanction(s), then the complaint will be resolved without a hearing and without any further rights of appeal by any party.

If either the complainant or the respondent objects to such proposed sanction(s), then a hearing board will convene for the exclusive purpose of determining a sanction in accordance with Section 7.02(c)(ii) of this policy. The sanction(s) determination may be appealed pursuant to Section 7.03(b) of this policy.

Section 7.02 The Formal Resolution Process.
In the case of a formal resolution, a hearing board will conduct a hearing in which it may question the complainant, the respondent and any witnesses or other third parties whose testimony the hearing board deems relevant. The gathering of evidence is intended to be conducted primarily during the investigation, and the hearing board will restrict their questions to those questions they deem necessary and that they believe are not answered already in the investigative report. The hearing board may question the investigators as necessary to clarify information provided in the investigative report. The assigned Title IX deputy coordinator and the Title IX coordinator are not required to attend the hearing but may do so if they deem such attendance appropriate.

a) The Empaneling of the Hearing Board.
   (i) The Hearing Board. The Title IX coordinator, in consultation with the vice president for student affairs (if the complaint involves students) or with the director of human resources (if the complaint does not involve students) will appoint the members of the hearing board to include at least three faculty and/or staff members (the director of human resources will attempt to assign at least two faculty members for cases involving only faculty members and at least two staff members for cases involving only staff members), of which one will be designated as the chair. The assigned Title IX deputy coordinator will share the complaint and the investigative report (redacted, if applicable, pursuant to Section 6.04(d)) with the hearing board and, if only a portion of the misconduct alleged in the complaint justifies continuing to the hearing process, the assigned Title IX deputy coordinator will specify which part(s) of the alleged misconduct will be the subject of the hearing.

   (ii) Notice of the Hearing and Composition of the Hearing Board. Promptly after the appointment of the members of the hearing board and no less than five days prior to the hearing, the assigned Title IX deputy coordinator will provide concurrent written notice to the complainant and the respondent setting forth the date, time and location of the hearing, as well as the names of the individuals selected to serve on and chair the hearing board. If only a portion of the alleged misconduct justifies continuing to the hearing process, the assigned Title IX deputy coordinator also will specify in the notice which part(s) of the alleged misconduct will be the subject of the hearing. At that time, the assigned Title IX deputy coordinator will make the investigative report available to the parties pursuant to Section 6.04(d), if it has not been made available already.

   The parties may challenge the participation of any member of the hearing board by submitting a written objection to the assigned Title IX deputy coordinator within two days of receipt of the notice of the composition of the hearing board. Such objection must state the specific reason(s) for the objection. The assigned Title IX deputy coordinator will evaluate the objection and determine, in consultation with the vice president for student affairs and/or the director of human resources, as appropriate, whether to alter the composition of the hearing board. Failure to submit a timely and proper objection will constitute a waiver of any right of objection to the composition of the hearing board. Any changes in the composition of the hearing board will be provided in writing to both parties prior to the date of the hearing.

b) Hearing Policies and Procedures.
   (i) Submission of Written Materials by the Parties. Within two days of receipt of the notice of hearing and composition of the hearing board, the complainant and the respondent may provide the assigned Title IX deputy coordinator with a list of witnesses, if any, that they propose that the hearing board call and a brief description of each proposed witness’s connection to and/or knowledge of the issues in dispute. Any witness must have relevant and admissible evidence. The assigned Title IX deputy coordinator will share such information with the hearing board. The hearing board will determine which, if any, of the witnesses it intends to call.

   (ii) Failure to Appear. If the complainant and/or the respondent fails to appear before the hearing board, and such party was provided proper notice of the hearing as set forth above, then absent extenuating circumstances, the hearing board will proceed to determine the resolution of the complaint.
(iii) **No Contact Prior to the Hearing.** The complainant and the respondent may not contact each other outside of the hearing, even to discuss the hearing.

(iv) **Support Persons.** As provided in Section 5.03, both the complainant and the respondent may have a support person present to support and assist them during the hearing.

1) **Evidentiary Matters.** The complainant and the respondent will have an equal opportunity to present evidence, if desired. Formal rules of evidence will not be observed during hearings. The college will review evidence submitted by the parties and witnesses to determine what information is appropriate to share with the hearing board. The Title IX coordinator, the assigned Title IX deputy coordinator or the hearing board can redact information that is deemed irrelevant, prejudicial or otherwise inappropriate pursuant to this section. Any identification of witnesses and evidence the parties wish the hearing board to consider should be presented to the investigators as early as possible during the investigation process. If a party wishes to submit evidence in response to the investigative report, that evidence must be submitted as soon as possible but not later than two days of receipt of the notice of hearing and composition of the hearing board. Any evidence not presented in a timely manner during the investigation or prior to the hearing may be excluded at the discretion of the Title IX coordinator or the assigned Title IX deputy coordinator.

2) Evidence of the past sexual histories of the complainant and the respondent will not be permitted at the hearing, with the following exceptions:
   a. Evidence is permitted to show that the complainant, in the past, has been disciplined formally by the college for falsely filing complaints alleging sexual misconduct.
   b. Evidence is permitted to show that the respondent, in the past, has been convicted either in a criminal proceeding or formally disciplined by the college for sexual misconduct.
   c. Evidence regarding the past sexual activity of the respondent (regardless of whether the respondent formally was charged with a violation of the policy with respect to such conduct) may be permitted to show that the respondent has engaged in a pattern of behavior similar to the alleged sexual misconduct at issue before the hearing board, provided that (1) the respondent has not been found “not responsible” by the college in a proceeding related to such sexual activity and (2) the hearing board has found both that the evidence is reliable and trustworthy and that the conduct is sufficiently and substantially similar to the conduct at issue before the hearing board to suggest a pattern of behavior.

3) Character evidence generally is inadmissible.

(v) **Conduct of the Hearing.**

1) Generally. The hearing board will be responsible for asking any questions to be asked of the parties. Both the hearing board and the parties will have the opportunity to question any witnesses. It is anticipated that the evidence primarily will be gathered and developed during the investigation and presented to the hearing board in the investigative report. The chair of the hearing board will resolve any questions concerning procedure or the admission of evidence or testimony (including the relevancy and reliability of the evidence and testimony). Members of the college community are expected to provide truthful testimony, and any member of the college community providing false information during this process is subject to discipline, pursuant to Section 2.03.

2) Testimony. The respondent and/or the complainant may choose not to testify before the hearing board; however, the affirmative exercise of that option will not preclude the hearing board from making a determination regarding the complaint.

3) Closed-Circuit Technology. Upon timely request, the college may, in its discretion, provide for testimony by closed-circuit technology, telephone or other electronic means in appropriate circumstances.

4) Recording. The college may record the hearing. This recording will be the property of the college, and copies of the recording will not be available except as required or authorized by law. The appeals board may use the recording as part of the appeal process. Reasonable care will be taken to ensure a quality recording. However, technological problems that result in no recording or in an inaudible one will not affect the validity of the outcome of a hearing. Parties and witnesses are not permitted to record any of the proceedings.

c) **Outcome.**

(i) **The Decision of the Hearing Board Regarding Responsibility.** Following the conclusion of the hearing, the hearing board will confer and by majority vote determine whether the evidence (including the information provided in and by the investigative report, the evidence presented at the hearing and the testimony of the parties and witnesses) establishes that it is more likely than not that the respondent committed material sexual misconduct. The hearing board will render a finding of “responsible” or “not responsible” and will provide the rationale for its decision. If the respondent is found

---

1 In other words, the standard of proof will be the preponderance of the evidence standard.
“responsible,” the hearing board will specify the specific type(s) of sexual misconduct, if any, for which the respondent is found “responsible” (for example, sexual assault, stalking, etc.).

(ii) The Decision of the Hearing Panel Regarding Sanctions. If the hearing board renders a finding of “responsible,” it will recommend appropriate sanctions to be imposed on the respondent.

(1) Generally. Sanctions for a finding of responsibility depend upon the nature and gravity of the misconduct, any record of prior discipline for sexual misconduct, or both. Sanctions include, but are not limited to, withholding a promotion or pay increase, reassigning employment, terminating employment, temporary suspension without pay, compensation adjustments, expulsion\(^2\) or suspension\(^3\) from the college, disciplinary probation, expulsion or suspension from campus housing, mandated counseling, completion of a batterer intervention program, written warning, violence risk assessments and/or educational sanctions (such as community restitution, reflection paper(s) and/or fines) deemed appropriate by the hearing board. The hearing board will determine sanctions, giving consideration to whether a given sanction will (a) bring an end to the violation in question, (b) reasonably prevent a recurrence of a similar violation and (c) remedy the effects of the violation. The hearing board will forward its recommendations regarding sanctions to the Title IX coordinator, who will review the recommended sanctions in consultation with the vice president for student affairs (in cases involving student respondents) or with the director of human resources (in cases involving employee respondents). These individuals will either adopt the sanctions as recommended or make any changes deemed necessary to ensure the sanctions are appropriate, consistent with those issued in similar cases and are intended to end the misconduct and remedy the effects.

(2) As a guide, general recommended ranges of sanctions for individual violations are listed below. However, individual sanctions may be combined to address material sexual misconduct (e.g. a period of suspension from the college may be combined with disciplinary probation and social probation upon return to the college).

\(^2\) Expulsion is defined as termination of student status for an indefinite period of time. The conditions of readmission, if any are permitted, shall be stated in the order of expulsion. When a student is expelled, he/she should leave Wofford College campus within 24 hours after receipt of the final outcome letter or any decision by the appeals board, whichever is later. An expelled student is not allowed to return to campus without the written permission of the dean of students.

\(^3\) Suspension is defined as exclusion from classes and other privileges or activities as set forth in the notice of suspension for a defined period of time. The student cannot take part in clubs, musical groups, athletics teams and other student organizations during this time period. When a student is suspended, he/she should leave the Wofford College campus within 24 hours after receipt of the final outcome letter or any decision by the appeals board, whichever is later. A suspended student is not allowed to return to campus without written permission of the dean of students.

*The appropriate sanctions for any penetrative sexual assault will include at a minimum a period of suspension from the college.

(3) **Implementation of Sanctions.** Sanctions imposed are effective immediately upon issuance of the final outcome letter described below. However, if it is advisable in order to protect the welfare of the complainant or the college community, the hearing board may recommend and/or the assigned Title IX deputy coordinator may determine that any sanctions be effective at any time after the conclusion of the hearing and continue in effect until the issuance of the final outcome letter.

(iii) **Final Outcome Letter.** Within five business days following the conclusion of the hearing, the assigned Title IX deputy coordinator will issue a written decision letter (the "final outcome letter") concurrently to the respondent and the complainant.

For employee and third-party respondents, the final outcome letter will set forth (1) the name of the respondent, (2) the violation(s) of this policy for which the respondent was found responsible or a statement that the respondent was found not to have violated this policy, and (3) the sanctions imposed on the respondent, if any, and (4) the rationale for the finding and the sanctions. Where appropriate, the final outcome letter may set forth names of other individuals, such as a complainant or witness, if such other individuals provide their written consent to such inclusion.

For student respondents, the final outcome letter will set forth (1) the name of the respondent, (2) the violation(s) of this policy for which the respondent was found responsible or a statement that the respondent was found not to have violated this policy, (3) the rationale for the finding, and (4) the sanctions imposed on the respondent, if any (setting forth only a description of the disciplinary action taken, the date of its imposition, its duration, and the rationale for such action), and where appropriate, it may set forth names of other individuals, such as a complainant or witness, if such other individuals provide their written consent to such inclusion. For student respondents alleged to have committed a violation or violations other than Dating Violence or Sexual Assault, the College will redact, when appropriate, information about sanctions that do not directly relate to the complainant. The respondent will not be notified of individual remedies provided or offered to the complainant.

(iv) **Final Accommodations and Corrective Action.** In addition to any sanctions imposed on the respondent, promptly following the conclusion of the hearing(s) and the hearing board’s issuance of a final outcome letter, the assigned Title IX deputy coordinator will determine the final accommodations to be provided to the complainant, if any, and the assigned Title IX deputy coordinator will communicate such decision to the complainant, and, to the extent that it affects him or her, to the respondent. Such accommodations may include, but are not limited to, those listed Section 6.03(a) of this policy.

The assigned Title IX deputy coordinator also will take steps, where necessary, to prevent the further harassment of or retaliation against the complainant or third parties, such as informing them about how to report subsequent problems, following up with them to ensure that there are no subsequent problems, providing
trainings for the school community, and providing sexual misconduct or other counseling. The assigned Title IX deputy coordinator also will, where appropriate, take steps to prevent the harassment of the respondent.

Furthermore, the assigned Title IX deputy coordinator will take prompt corrective action if the complainant experiences retaliation or is subjected to further sexual misconduct or if the original sanctions imposed on the respondent are ineffective to protect the safety and well-being of the complainant or other members of the College community. In appropriate cases (such as those involving Sexual Harassment), the assigned Title IX deputy coordinator also will take reasonable steps to eliminate any hostile environment that has been created. In taking the above-outlined steps, the assigned Title IX deputy coordinator will make every reasonable effort to minimize the burden on the complainant.

Section 7.03 Appeals.
The complainant or the respondent may appeal the decision of the hearing board and/or the sanction imposed on the respondent within three calendar days from the date of the final outcome letter. The decision of the hearing board and the sanction imposed on the respondent may, if desired, be appealed simultaneously.

a) Grounds for Appeal.
   (i) Appeal of Findings. The only permissible grounds for an appeal of the hearing board’s finding of responsible or not responsible are (a) availability of germane new evidence not available at the time of the hearing(s) that could significantly impact the outcome of the hearing and/or (b) procedural errors that significantly impacted the outcome.
   (ii) Appeals of Sanctions. The sanctions imposed on the respondent may be appealed on grounds that the severity of the sanction imposed is incommensurate to the gravity of the sexual misconduct for which the respondent was found responsible.

b) Generally. Appeals must be made in writing to the assigned Title IX deputy coordinator. The assigned Title IX deputy coordinator promptly will inform the other party of the filing of the appeal.

c) The Title IX coordinator and the assigned Title IX deputy coordinator will review the appeal to determine whether it meets the permissible grounds for appeal.

d) The Title IX coordinator, in consultation with the vice president for student affairs (if the complaint involves students) or the director of human resources (if the complaint does not involve students) will appoint the members of the “appeals board,” to include at least three trained faculty and/or staff members, of which one will be designated at the chair. The assigned Title IX deputy coordinator will share the complaint, the investigative report, any audio recordings of the hearing, any written statements or other evidence introduced at the hearing, the written findings of the hearing board and the written appeal with the appeals board.

e) Within 10 days of the receipt of the appeal (or as soon as is reasonably practicable), the appeals board will make a determination by majority vote (a) that the decision of the hearing board should stand or (b) that the decision of the hearing board should be overturned.

f) In the event that the appeals board determines that the decision of the hearing board should be overturned, the appeals board will specify, after consultation with the assigned Title IX deputy coordinator, the Title IX coordinator, and other college administrators, as necessary, the appropriate steps to be taken to come to a final resolution of the complaint (which may or may not include an additional hearing before a different hearing board, or a hearing before the same hearing board solely on sanctions). The assigned Title IX deputy coordinator will notify the complainant and the respondent of the appeals board’s decision concurrently and in writing. If another hearing is convened before the hearing board for the sole purpose of considering sanctions, the final sanctions set by the hearing board and approved by the Title IX coordinator will not be subject to further appeal.
Article VIII. Informal Resolution

Informal resolution is only appropriate if (a) the respondent agrees to such resolution, (b) the complainant and the respondent are both students or are both employees of the college, (c) the assigned Title IX deputy coordinator determines that informal resolution is an appropriate mechanism for resolving the complaint and (d) the complaint does not involve sexual assault.

Informal resolution may not be selected for less than all of the misconduct alleged in the complaint (for example, the parties may not choose to resolve a claim of sexual assault according to the formal resolution process but use the informal resolution process for all other claims). If the parties agree to informal resolution (and informal resolution is appropriate for all of the claims at issue), then all of the claims must be resolved according to the informal resolution process.

The complainant has the right to terminate the informal resolution process at any time and proceed with formal resolution. Furthermore, the assigned Title IX deputy coordinator may, where appropriate, terminate or decline to initiate informal resolution, and proceed with the formal resolution process instead. In such cases, statements or disclosures made by the parties in the course of the informal resolution process may be considered in the subsequent formal resolution proceedings.

Section 8.01 Respondent’s Acknowledgement of Responsibility.
At any time prior to the imposition of sanctions, the respondent may elect to acknowledge his or her actions and take responsibility for the alleged sexual misconduct. In such a situation, the assigned Title IX deputy coordinator will, in consultation with the Title IX coordinator, propose sanction(s) for the respondent. If both the complainant and the respondent agree to such proposed sanction(s), then the complaint will be resolved without any further rights of appeal by either party.

If either the complainant or the respondent objects to such proposed sanction(s), then a hearing board will convene for the exclusive purpose of determining sanctions, which determination may be subject to appeal by either party pursuant to Section 7.03 of this policy. For purposes of this sanction hearing, all of the other provisions of this policy relating to the imposition of a sanction for material sexual misconduct shall apply.

Section 8.02 The Informal Resolution Process.
(a) The Presiding Officer. When the complainant’s complaint is to be resolved according to the informal resolution process, the assigned Title IX deputy coordinator will oversee the process. The assigned Title IX deputy coordinator will involve other individuals as deemed beneficial to the process (e.g. a human resources representative for matters involving employees).

(b) Notice of Informal Resolution. The assigned Title IX deputy coordinator will provide concurrent written notice to the complainant and the respondent setting forth the date, time, and location of the informal resolution (which will generally be no more than 10 days, or as soon as reasonably practicable, following the conclusion of the investigation). If only a portion of the alleged misconduct justifies continuing to resolution, the assigned Title IX deputy coordinator also will specify in the notice which part(s) of the alleged misconduct will be the subject of the informal resolution process.

Any party may challenge the participation of the assigned Title IX deputy coordinator by submitting a written objection to the Title IX coordinator within three days of receipt of the notice of the informal resolution process. Such objection must state the specific reason(s) for the objection. Failure to submit a timely and proper objection will constitute a waiver of any right of objection. The Title IX coordinator will evaluate the objection and determine whether to assign a different Title IX deputy coordinator as the presiding officer. Any substitution of the Title IX deputy coordinator serving as the presiding officer will be provided in writing to both parties prior to the date of the informal resolution.

(c) No Contact Prior to Informal Resolution. The complainant and the respondent may not contact each other outside of the informal resolution process, even to discuss the process.

(d) Attendance. Both the complainant and the respondent are expected to attend the informal resolution. If either party fails to appear at the informal resolution, and such party was provided proper notice of the informal resolution as set forth above, then absent extenuating circumstances, the assigned Title IX deputy coordinator may direct that resolution of the complaint be determined according to the formal resolution process set forth in Article VII or may reschedule the informal resolution.

1) The Informal Resolution.
   (i) The Parties’ Rights. During the informal resolution process, the parties may:
      1) Engage one another in the presence of, and facilitated by, the assigned Title IX deputy coordinator.
      2) Communicate their feelings and perceptions regarding the incident and the impact of the incident (either by
communicating directly with one another or by communicating indirectly through the assigned Title IX deputy coordinator).

3) Relay their wishes and expectations regarding the future.
   
   (ii) **Support Persons.** As provided in Section 5.03, both the complainant and the respondent may have a support person present to support and assist them during the informal resolution process.
   
   (iii) **Resolution.** During the informal resolution, the assigned Title IX deputy coordinator will attempt to facilitate the parties’ resolution of the complaint. If this process results in a resolution between the parties and the assigned Title IX deputy coordinator and the Title IX coordinator find the resolution to be appropriate under the circumstances (giving consideration to the extent to which the resolution will protect the safety of the complainant and the entire school community), the informal disciplinary procedure will be concluded and the complaint will be closed. If the parties are unable to reach a resolution, the formal resolution process outlined in Article VII of this policy will promptly commence.

For the avoidance of doubt, a resolution that is reached pursuant to this Section 8.02 will not be included in a student respondent’s student conduct record or in an employee’s personnel record, unless the inclusion of such information is agreed to as part of the informal resolution of the matter.
EXHIBIT A

Wofford College Sexual Misconduct Policy

Suggested Actions for Victims of Sexual Assault
While all types of sexual misconduct are inappropriate and taken seriously by the college, actions involving sexual assault (as defined in Exhibit B) are particularly concerning. Thus, if you are the victim of sexual assault, the college’s first priority is to help you take steps to address your safety, medical needs and emotional well-being. You are encouraged to take the following actions, as applicable, regardless of whether you have made a decision about whether to pursue a criminal or college complaint.

1) Ensure Your Physical Safety
You may seek help from local law enforcement agencies or by contacting the Wofford Department of Campus Safety. Wofford campus safety can assist you with contacting local law enforcement and can help you obtain transportation to the local law enforcement office. Security personnel are on duty at campus safety 24 hours a day, seven days a week. Call 864-597-4350 or 864-597-4911.

2) Seek Medical Assistance and Treatment
Local options for medical care include Spartanburg Medical Center and Mary Black Memorial Hospital. It is crucial that you obtain medical attention as soon as possible after a sexual assault to determine the extent of physical injury and to prevent or treat sexually transmitted diseases (such as HIV). Medical facilities also can screen for the presence of sedative drugs such as Rohypnol or GHB (date-rape drugs).

Employees at the Wofford Wellness Center can help you obtain transportation to a local hospital and can help you contact a support person, such as a family member, a friend or a roommate.

If you choose to have an evidence collection kit (or “rape kit”) completed, it is important to do so within 72 hours.

Even if you have not decided whether to file charges, it is advisable to have the evidence collection kit completed so that you can better preserve the options of obtaining a protective order and/or filing criminal charges at a later date. Spartanburg Medical Center and Mary Black Memorial Hospital administer evidence collection kits, and you can request an anonymous kit with no law enforcement involvement. Spartanburg Medical Center has specially trained sexual assault nurse examiners (SANEs) who perform these kits. The cost of these kits will be paid for from a crime victim fund, and you will not be billed for the kits.

In order to best preserve evidence for an evidence collection kit, it may be advisable to avoid showering, bathing, going to the bathroom or brushing your teeth before the kit is completed. You also should wear (or take with you in a paper – not plastic – bag) to the hospital the same clothing you were wearing during the assault. An evidence collection kit still can be completed even if you have showered or bathed.

3) Obtain Emotional Support
The Wellness Center can help students sort through their emotions and begin the recovery process. The counselors at the Wellness Center are trained to provide crisis intervention on short-term and emergency issues. The Wellness Center also can provide referral services for outside providers and law enforcement. Counseling is free of charge to all students. In some instances, the law may require the disclosure of information shared by students with counselors. However, absent a legal mandate to the contrary, counseling services are strictly confidential, are not part of students’ college records and will not be reported to other college personnel.

Employees may contact the Employee Assistance Program to obtain emotional support at 800-854-1446.

4) Obtain Information/Report Misconduct
You are encouraged to report incidents of sexual assault to the college’s Title IX coordinator (even if you have filed a report directly with law enforcement). Further information about how to report sexual assault is provided in the body of this policy. The Title IX coordinator can help you access resources and can provide support and information, including information on the college’s procedures for investigating and addressing instances of sexual assault.

Wofford College Sexual Misconduct Policy

Definitions

(a) **Appeals Board.** “Appeals board” is defined in Section 7.03(a)(ii). All members of the appeals board will receive regular professional training in hearing practices and procedures. More specifically, the members of the appeals board will receive annual training on (1) issues related to dating violence, domestic violence, sexual assault and stalking and (2) how to conduct a hearing process that protects the safety of victims and promotes accountability.

(b) **Assigned Title IX Deputy Coordinator.** The “assigned Title IX deputy coordinator” means the Title IX deputy coordinator assigned by the Title IX coordinator to handle a given complaint. In some cases, the Title IX coordinator may serve this function.

(c) **Clery Act.** The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the “Clery Act”) is a federal statute codified at 20 U.S.C. § 1092(f), with implementing regulations in the U.S. Code of Federal Regulations at 34 C.F.R. § 668.46. The Clery Act requires all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses.

(d) **Complainant.** A “complainant” is an alleged victim of sexual misconduct who files a complaint or on whose behalf a complaint is filed.

(e) **Complaint.** A “complaint” is an allegation of sexual misconduct asserted against another party and initiated pursuant to Section 6.01.

(f) **Consent.** “Consent” is informed, freely and actively given, and mutually understandable words or actions that indicate a willingness to participate in mutually agreed-upon sexual activity. Consent is mutually understandable when a reasonable person would consider the words or actions of the parties to have manifested a clear and unambiguous agreement between them to engage in certain conduct with each other. Consent cannot be gained by ignoring or acting despite the objections of another.

Consent cannot be inferred from:

(i) Silence, passivity or lack of resistance alone.
(ii) A current or previous dating or sexual relationship alone (or the existence of such a relationship with anyone else).
(iii) Attire.
(iv) The buying of dinner or the spending of money on a date.
(v) Consent previously given (i.e., consenting to one sexual act does not imply consent to another sexual act).

Consent is not effective if it is obtained through the use of physical force, violence, duress, deception, intimidation, coercion, or the threat, expressed or implied, of bodily injury. Whether a party used intimidation or coercion to obtain consent will be determined by reference to the perception of a reasonable person found in the same or similar circumstances.

Consent may never be given by:

(i) Minors, even if the other participant did not know the minor’s age.
(ii) Mentally disabled persons, if their disability was reasonably knowable to a sexual partner who is not mentally disabled.
(iii) Persons who are incapacitated. The use of alcohol or drugs does not diminish one’s responsibility to obtain consent and does not excuse conduct that constitutes sexual misconduct under this policy.

If at any time during a sexual act any confusion or ambiguity is or should reasonably be apparent on the issue of consent, it is incumbent upon each individual involved in the activity to stop and clarify the other’s willingness to continue and capacity to consent. Neither party should make assumptions about the other’s willingness to continue.

(g) **Dating Violence.** “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be
determined based on the complainant’s statement and with consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship. Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.

(h) **Day.** A “day” is a business day, unless otherwise specified.

(i) **Title IX Deputy Coordinator(s).** Wofford College’s “Title IX deputy coordinators” are:

   (i) Chee Lee, director of human resources. Lee may be reached by telephone at 864-597-4230, by email at leecj@wofford.edu or in person in the Snyder House.

   (ii) Matt Hammett, assistant dean of students for student involvement. Hammett can be reached by telephone at 864-597-4048, by email at hammettmk@wofford.edu or in person in Office #15 of the Campus Life Building.

   (iii) Demario Watts, assistant dean of students for diversity and leadership development. Watts may be reached by telephone at 864-597-4066, by email at wattsdl@wofford.edu or in person on the second floor of the Campus Life Building.

The Title IX deputy coordinators work under the oversight of the Title IX coordinator to assist with the handling of Title IX-related complaints. The Title IX coordinator may, at his/her discretion, assign a Title IX deputy coordinator as the assigned Title IX deputy coordinator in connection with a given complaint.

The Title IX deputy coordinators will receive regular professional training in resolution practices and procedures. More specifically, the Title IX deputy coordinators will receive annual training on (1) issues related to dating violence, domestic violence, sexual assault and stalking, and (2) how to conduct a resolution process that protects the safety of victims and promotes accountability.

(j) **Domestic Violence.** “Domestic violence” includes felony or misdemeanor crimes of violence committed by:

   (i) A current or former spouse of the victim.

   (ii) A person with whom the victim shares a child in common.

   (iii) A person who is cohabiting with or has cohabited with the victim as a spouse or intimate partner.

   (iv) A person similarly situated to a spouse of the victim under the domestic or family violence laws of the state of South Carolina.

   (v) Any other act against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the state of South Carolina.

(k) **Education Record.** “Education record” has the meaning assigned to it under the Family Educational Rights and Privacy Act (FERPA).

(l) **FERPA.** The Family Educational Rights and Privacy Act (“FERPA”) is a federal statute codified at 20 U.S.C. § 1232g, with implementing regulations at 34 § C.F.R. 99. FERPA protects the privacy of student education records. FERPA grants to eligible students the right to access, inspect and review education records, the right to challenge the content of education records and the right to consent to the disclosure of education records.

(m) **Final Outcome Letter.** “Final outcome letter” is defined in Section 7.02(c)(iii).

(n) **Hearing Board.** “Hearing board” is defined in Section 7.02(a)(i). All members of the hearing board will receive regular professional training in hearing practices and procedures. More specifically, the members of the hearing board will receive annual training on (1) issues related to dating violence, domestic violence, sexual assault and stalking, and (2) how to conduct a hearing process that protects the safety of victims and promotes accountability.

(o) **Incapacitated.** “Incapacitated” means lacking the physical and/or mental ability to make informed, rational judgments. A person may be incapacitated for a variety of reasons, including but not limited to, being asleep or unconscious having consumed alcohol or taken drugs, or experiencing blackouts or flashbacks.

(p) **Investigative Report.** “Investigative report” is defined in Section 6.04(d).

(q) **Investigators.** The “investigators” are neutral fact-finders who are designated by the assigned Title IX deputy coordinator to investigate a complaint. The investigators will be trained annually on (1) reasonable and appropriate
investigative techniques, (2) issues related to dating violence, domestic violence, sexual assault and stalking, and (3) how to conduct an investigation that protects the safety of victims and promotes accountability.

Material Sexual Misconduct. “Material sexual misconduct” is sexual misconduct that, taking into account the totality of the circumstances, is sufficiently serious and significant to warrant adjudication under, and discipline pursuant to, this policy. Specifically, to determine whether sexual misconduct rises to the level of material sexual misconduct, consideration will be given to the following criteria: (1) the type, frequency and duration of the conduct (the more severe the conduct, the less the need to show a repetitive series of incidents, particularly if the conduct is physical), (2) the identity of and relationship between the alleged victim and the respondent, (3) the number of individuals involved, (4) the age and sex of the alleged victim and the respondent, (5) the location of the incidents and the context in which they occurred, and (6) whether there have been similar incidents.

Personally Identifiable Information. “Personally identifiable information” (as that term is defined by FERPA) includes, but is not limited to:

(i) A student’s name.
(ii) The name of a student’s parent(s) or other family members.
(iii) The address of a student or a student’s family.
(iv) A personal identifier, such as a student’s social security number, student number or biometric record.
(v) Other indirect identifiers, such as a student’s date of birth, place of birth or mother’s maiden name.
(vi) Other information that, alone or in combination, is linked or linkable to a specific student and that would allow a reasonable person in the college community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty.
(vii) Information requested by a person whom the college reasonably believes knows the identity of the student to whom the education record relates.

Rape. “Rape” is the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Respondent. A “respondent” is an individual who has been accused in a complaint of committing sexual misconduct.

Responsible Employee. A “responsible employee” is an employee of the college who has the obligation to report to the Title IX coordinator any complaints or allegations of sexual misconduct of which he/she becomes aware. “Strictly confidential resources” are not “responsible employees.”

The following individuals are the college’s “responsible employees”:

(i) All vice presidents, assistant vice presidents, associate vice presidents, provosts, deans, department chairs, directors and coaches.
(ii) All Title IX deputy coordinators.
(iii) All staff members of the Office of Human Resources.
(iv) All staff members of the Office of Student Affairs (including, for purposes of clarity, resident assistants and first-year advisors (FRADs)).
(v) All employees serving in a supervisory or management role (including, for purposes of clarity, all employees who supervise activities or programs that involve direct contact with students, such as advisers to recognized student organizations).
(vi) All members of the faculty.
(vii) All Wofford College Department of Campus Safety officers and contracted security personnel.

Retaliation. “Retaliation” means any adverse action threatened or taken against a person because he/she has filed, supported or provided information in connection with a complaint of sexual misconduct, including, but not limited to, direct and indirect intimidation, threats and harassment. The prohibition of retaliation does not end with the resolution of the complaint. Retaliation may be present even after a finding of “not responsible” on allegations of sexual misconduct. Retaliatory behavior is not limited to behavior by the accused individual and covers behaviors by his/her associates as well as third parties. Retaliation does not include good faith actions lawfully pursued in response to a report of prohibited conduct.

Sexual Assault. “Sexual assault” means any actual, attempted or threatened sexual act with another person without that person’s consent. By way of example and not limitation, sexual assault includes:
(i) Fondling (the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances in which the victim is incapable of giving consent because of his/her age or because he/she temporarily or permanently is incapacitated).

(ii) Incest (sexual intercourse between persons who are related to each other within degrees wherein marriage is prohibited by South Carolina law).

(iii) Statutory rape (sexual intercourse with an individual under the statutory age of consent, as defined by South Carolina law).

(iv) Rape.

(y) Sexual Exploitation. “Sexual exploitation” means any act of taking non-consensual, unjust or abusive sexual advantage of another person for one’s own advantage or benefit or to benefit or advantage anyone other than the person being exploited. Sexual exploitation includes, but is not limited to:

(i) Causing or attempting to cause another person to be incapacitated in order to gain a sexual advantage over such person.

(ii) Prostituting another person (i.e., personally gaining money, privilege or power from the sexual activities of another).

(iii) Non-consensual videotaping, photographing or audio-taping of sexual activity and/or distribution of private sexual activity or a person’s intimate parts (including genitalia, groin, breast or buttocks) without consent via media such as, but not limited to, the internet.

(iv) Exceeding the boundaries of consent (e.g., allowing another person to observe consensual sex without the knowledge of or consent from all participants).

(v) Voyeurism.

(vi) Knowingly or recklessly transmitting a sexually transmitted disease (including HIV) to another individual.

(z) Sexual Harassment. “Sexual harassment” is any unwelcome verbal, nonverbal, written, electronic or physical conduct of a sexual nature. Examples of sexual harassment include instances in which:

(i) Submission or consent to the behavior is reasonably believed to carry consequences for the individual’s education, employment, on-campus living environment or participation in a college activity. Examples of this type of sexual harassment include:

   (i) Pressuring an individual to engage in sexual behavior for some educational or employment benefit.

   (ii) Making a real or perceived threat that rejecting sexual behavior will carry a negative educational or employment consequence for the individual.

(ii) The behavior is so severe or pervasive that it has the effect of substantially interfering with the individual’s work or educational performance by creating an intimidating, hostile or demeaning environment for employment, education, on-campus living or participation in a college activity. Examples of this type of sexual harassment include:

   a. One or more instances of sexual assault.

   b. Persistent unwelcome efforts to develop a romantic or sexual relationship.

   c. Unwelcome sexual advances or requests for sexual favors.

   d. Unwelcome commentary about an individual’s body or sexual activities.

   e. Repeated and unwelcome sexually oriented teasing, joking or flirting.

   f. Verbal abuse of a sexual nature.

Sexual harassment also includes acts of intimidation, bullying, aggression or hostility based on gender or gender-stereotyping, even if the acts do not involve conduct of a sexual nature.

(aa) Sexual intimidation. “Sexual intimidation” includes, but is not limited to:

(i) Threatening, expressly or impliedly, to commit a sexual act upon another person without his/her consent.

(ii) Stalking or cyber-stalking.

(iii) Engaging in indecent exposure (intentionally exposing one’s sexual organs in public) with the intention of alarming, distressing and/or offending others.

(bb) Sexual Misconduct. “Sexual misconduct” means any unwelcome conduct of a sexual nature, including any conduct or act of a sexual nature perpetrated against an individual without consent. Sexual misconduct can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Sexual misconduct can be
committed by men or by women, and it can occur between people of the same or different sex. The college encourages reporting of all sexual misconduct. Sexual misconduct includes, but is not limited to:

(i) Dating violence.
(ii) Domestic violence.
(iii) Sexual assault.
(iv) Sexual exploitation.
(v) Sexual harassment.
(vi) Sexual intimidation.
(vii) Stalking.

(cc) **Stalking.** “Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress.

For purposes of this definition, “course of conduct” means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens or communicates to or about a person, or interferes with a person’s property; “reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim; and “substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

(dd) **Strictly Confidential Resource.** “Strictly confidential resource” is defined in Section 3.01(a).

(ee) **Third-Party Reporter.** A “third-party reporter” is an individual who reports or files a complaint alleging that another individual is the victim of sexual misconduct.

(ff) **Title IX Coordinator.** Wofford College’s “Title IX coordinator” is Amanda Estabrook. Estabrook’s office is located in the Campus Life Building, and she may be contacted by phone at 864-597-4047 or by email at estabrookar@wofford.edu. The Title IX coordinator has ultimate oversight responsibility for handling Title IX–related complaints and for identifying and addressing any patterns or systemic problems involving sexual misconduct. The Title IX coordinator is available to meet with individuals who are involved with or concerned about issues or college processes, incidents, patterns or problems related to sexual misconduct. All allegations involving sexual misconduct should be directed to the Title IX coordinator.

The Title IX coordinator will receive regular professional training in resolution practices and procedures. More specifically, the Title IX coordinator will receive annual training on (1) issues related to dating violence, domestic violence, sexual assault and stalking, and (2) how to conduct a resolution process that protects the safety of victims and promotes accountability.

Student Organizations Policies

Wofford College recognizes the rights of individuals to associate on campus, and acknowledges that a wide range of campus organizations may enhance the college environment. Therefore, Wofford College encourages organizations to be chartered. Student organizations should contribute positively to the Wofford College community in a distinctive manner and have objectives that correspond to the Purpose of the College. Student organizations should aim to develop students’ intellectual curiosity, independence of thought, maturity of judgment, self-discipline, religious faith and moral character. They should foster citizenship and leadership and promote community service. Organizations should seek a positive and open relationship with Wofford College. In order to foster this relationship with Wofford College, every formal organization should seek formal recognition of the organization through the granting of a charter. Even without a formal charter, Wofford College emphasizes that every organization operating on campus (chartered or informal) is accountable to the following policies and procedures.

I. Charter Application Process
The duties of the Student Affairs Committee of the faculty, as stated in the faculty bylaws, include the power and responsibility “to grant and/or withdraw charters to all student organizations with due regard to their contribution to campus life, student development and acceptable standards of conduct or impose restriction when organizations fail to serve useful functions or maintain acceptable standards.”

Applications for charters are available online. The Student Affairs Committee of the faculty will accept applications at any time. The committee may seek opinions from existing organizations on charter applications.

A notice of application will be read at Campus Union and Campus Union chamber meetings. Any member of the current student body, the faculty and/or the staff who has an objection or grievance related to an organization applying for a charter must register it in writing with the chair of the Student Affairs Committee so the committee may review it. Once an organization is granted a charter, it may renew the charter at the end of the spring semester by completing an annual report distributed by the Campus Union chamber.

Independent organizations that apply for and receive a charter from the Student Affairs Committee receive specific benefits. This does not mean that those organizations are controlled by Wofford College, or that Wofford College is responsible for the organizations’ contracts or other acts or omissions, or that Wofford College approves of the organizations’ goals or activities.

II. Relationship Between Student Organizations and Wofford College
Wofford College is a private not-for-profit corporation, and the organizations that apply for charters are not part of that corporation, but, rather, exist and operate independently of Wofford College. Student organizations are not agents, servants or employees of Wofford College, but, rather, independent contractors, which manage their own affairs. The purpose or purposes of a student organization must not conflict with the educational functions or established polices of Wofford College.

III. Benefits of Chartered Organizations

1. Chartered student organizations in good standing may use college facilities subject to the rules governing such use.
2. Chartered student organizations that lease facilities from Wofford College are subject to all the terms of that lease.
3. Chartered student organizations in good standing may petition the Campus Union for student activity funds or receive funding from student activity fees.
4. Chartered student organizations in good standing may advertise their meetings and fundraisers on campus (subject to the rules of publicizing information as stated in this Student Handbook).
5. Chartered student organizations in good standing may hold fundraising activities on campus (subject to the rules of solicitation and canvassing).
6. Chartered organizations are recognized as members of the Campus Union chamber.

IV. Good Standing and Operation

1. Individuals who join together in a student organization collectively share a common responsibility to themselves, their group and Wofford College. All student organizations will be held responsible by Wofford College for abiding by federal, state and local laws, as well as all college regulations.
2. Nondiscrimination: A student organization is ineligible for chartered status when membership is restricted by reason of age, ancestry, citizenship, color, disability or handicap, gender, race, religious creed, national origin,
political affiliation, sexual orientation or veteran status. Consideration shall be given to organizations that may be exempt from Title IX of the Educational Amendments of 1972 relating to the discrimination of gender. Notwithstanding these requirements, a student organization may restrict membership based on an ability to perform the activities related to the organization’s purpose. In determining cases of discrimination, it is not sufficient to look merely to the constitution of an organization but also to its actual practices and operations.

3. Financial standing: Chartered organizations must not operate with an end-of-the-year deficit or have substantial debt.
4. Annual report: Chartered organizations must complete an annual report form for the college at the end of the academic year. The form is available online and will be distributed through the Campus Union chamber.
5. Judicial standing: Student organizations that have been sanctioned by a body of Wofford College must complete all the sanctions to attain good standing.
6. Student organizations shall not disturb or infringe upon the privacy of the residents in college residence halls, or disturb or interrupt the conduct of classes or extracurricular activities for the purposes of recruiting new members and/or raising funds.
7. Student organizations must send a representative to the Campus Union chamber meeting, which meets on the second Monday of every month during the academic year.
8. The president or student leader of the organization must provide each member of the organization with a copy of these policies and procedures.

V. Membership
Only currently employed faculty, staff and currently registered students shall be eligible for active membership status in student organizations. All full-time and part-time officially registered students shall be eligible to preside, officiate, vote, officially represent or solicit funds on the campus on behalf of the organization. Only full-time officially registered students shall be eligible to serve as appointed or elected officers.

VI. Fundraising
Organizations may collect dues, initiation fees and donations. They may sell materials related to the purpose of the organization. Funds raised by registered student organizations may be expended consistent with the stated purposes of those organizations. Such funds are subject to local, state and federal laws and to financial accountability. All fundraising activities on campus must be pre-approved by the director of residence life or dean of students or assistant dean of students. No fundraising activities shall conflict with the ongoing business operations or business interests of Wofford College.

VII. Solicitation
Solicitation activities shall be defined as (1) donations without products or services being rendered or (2) activities that raise funds through the direct sale of merchandise or service for the benefit of a student organization or non-college charitable organizations. Student organizations may be required to verify the nature of the charitable purpose or existence of the organization.

VIII. Canvassing
1. Canvassing is any effort to influence opinions, gain support or promote a particular cause or interest, specifically excluding solicitation or fundraising as defined by current policy. Surveys are not considered canvassing for purposes of this policy.
2. Canvassing shall be restricted to 8 a.m.-11 p.m.
3. Canvassing may occur in the main lobbies of the residence halls and outside of the dining room, Zach’s and the bookstore.
4. Canvassing may not occur in individual residence hall rooms or classrooms.
5. Canvassers must abide by all college rules and regulations. Violators will be subject to referral to the dean of students.

IX. Group Responsibility
When persons are functioning in their capacity as members of a student organization, they will be held accountable for their conduct individually and collectively. Any group or collection of a group’s members acting in concert is responsible for the actions of the members. Occasional misconduct of an individual member is not chargeable to the group; however, group conduct exists where:
1. Members of the group act in concert to violate the Code of Student Rights and Responsibilities or college policies.
2. A violation arises out of a group-sponsored, financed or endorsed event.
3. A group leader(s) has knowledge of the incident before it occurs and fails to take corrective action.
4. The incident occurs on the premises owned or operated by the group.
5. A pattern of individual violations is found to have existed without appropriate group control, remedy or sanction.
6. An organization, or members of a group acting in concert, provides the impetus for violation of Wofford College rules, policies and regulations.

Groups will be held responsible for the acts of their members when those acts grow out of or are in any way related to group life. Each organization has the duty to take all reasonable steps to prevent any infraction of college rules and state laws growing out of, or related to, the activities of the organization. This duty is applicable to all members at all times. (All members should be aware that their misdeeds could result in the sanctioning of their entire organization and themselves as individuals.)

If a student organization violates a college policy or a local, state or federal law, the following process shall take effect: a member of the student body, the faculty or the staff of Wofford College shall complete an incident report form. The form shall be given to the dean of students, who will determine what charge shall be lodged against the organization. The president or leader of the organization shall meet with the dean of students to receive the charge. The charge and the organization will be referred to the appropriate body.

Any conduct of a student organization that is not covered by the Code of Student Rights and Responsibilities shall be referred for action to the Student Affairs Committee of the faculty.

X. Sanctions
Organizations found guilty of violating the Code of Student Rights and Responsibilities, local, state or national laws are subject to one or more of the following sanctions:
- Completion of educational and training programs.
- Loss or suspension of charter.
- Suspension of fundraising activity.
- Suspension of solicitation activity.
- Assessment of reimbursement and/or community restitution related to the offense.
- Loss of use, or restricted use, of college facilities.
- Suspension of the privilege to apply for funds from Wofford College.
- Receipt of administrative warning.
- Referral of individuals and/or organizations to a Judicial Heart Board.
- Receipt of other sanctions as defined in the code or as deemed appropriate.

Organizations charged with violating other policies or procedures of Wofford College shall be referred to the Student Affairs Committee of the faculty. If the committee decides that an organization should be sanctioned, it may choose the sanction(s) from those listed above. Individuals and organizations may appeal the decision(s) of the committee by submitting within three class days a letter requesting a review to the president of Wofford College.

XI. Advisers
All chartered organizations are required to have a faculty or staff adviser. The adviser must be a full-time employee of Wofford College. The purpose of an organization having an adviser is to provide assistance to the officers and the members in accomplishing the group’s goals and have oversight of its activities. The adviser must attend an annual training session. The adviser may assist the organization by providing counsel on specialized subjects in which the adviser is experienced or expert and on general matters relating to the conduct of organization affairs. Advisers are encouraged to offer constructive criticism and guidance. Advisers shall be informed of any judicial proceedings taken with the organization.

XII. Use of Wofford College’s Name and Symbols
Wofford College will allow the use of its name as part of the student organization’s name only if the organization takes appropriate steps necessary to prevent persons and organizations with which it deals from receiving the impression that the organization is part of, controlled by or acting on behalf of Wofford College. The organization shall not use any marks, symbols, logos, mottos or indicia of Wofford College without its express prior written consent. Contact the Office of Marketing and Communications at 864-597-4184 or woffordnews@wofford.edu for more information.
XIII. Taxes
An organization shall not use the Wofford College taxpayer identification number or Wofford College’s tax-exempt status in connection with purchases or sales by the organization, gifts to the organization, interest or other income of the organization or any other activity of the organization.

XIV. Liability, Insurance and Defense
The organization understands and agrees that Wofford College, its employees and agents will not be liable for any of the organization’s contracts, torts or other acts or omissions, or those by the organization’s directors, officers, members, staff or activity participants. The organization understands and agrees that neither it nor its directors, officers, members, staff or activity participants are protected by Wofford College’s insurance policies or self-insurance plans, and that Wofford College will not provide any legal defense for the organization or any such person in the event of any claim against any of them.
