Part 2-Student Application—is further explained below:

Remaining Funds for a student Application Process was \$149,628. This funding was available through an application and selection process. Note the maximum amount a student could receive (from the application funds or combined application funds and direct allocation) is \$6,195.

In addition to Part 1 disbursements, the school opened an application portal through which students could apply to receive a portion of the remaining funds. This application is similar to the OneWofford application for emergency funds.

Students who encountered a financial need as a direct result of the COVID-19 pandemic utilized CARES Act application form (through the Wofford website) to apply for emergency relief funds.

The application form for this process was accessed by students here:

<https://connect.wofford.edu/mywofford/financialaid/caresactfunding.aspx>.

Requirements and procedures for applying to receive funds were as follows:

- You must be a currently enrolled student for the Spring 2020 semester.
- You should complete Wofford's CARES Act Higher Education Emergency Relief Fund Application.
- We will make the first round of decisions by May 15, 2020.
- After May 15, we will evaluate applications on a rolling basis if funding remains. Once a student has submitted a CARES Act request, they should expect a reply from the committee within three (3) business days regarding their application. If a student application is approved, it can take up to five (5) business days for the disbursement of funds.\*
- Financial Aid will post the emergency funds using the detail code FCARE for the amounts agreed upon based on the committee's determination. Once posted, the Business Office will refund the students from their student AR accounts. The Business Office will refund the exact amount that has been posted from Financial Aid regardless if the student still has a balance. We will mail a check to the student's permanent address listed in Banner.

**\*Note: Full funding has been expended as of May 21, 2020, and the website now reflects this update.**

Part 2 grants were generally capped at \$1,000 unless extenuating circumstances were presented and in no circumstances will an award(s) to any student exceed the maximum Pell Grant amount as suggested by the USDOE (\$6,195).

The college opened the application portal for submissions on Monday, May 11, 2020. A message was sent to all students from the email address [WoffordCares@wofford.edu](mailto:WoffordCares@wofford.edu) with a link to the online portal.

A committee composed of Taifha Alexander, assistant dean of students for diversity and leadership development; Dr. Boyce Lawton, dean for student success; Elizabeth Rabb, deputy director of athletics for external affairs; the Rev. Dr. Ron Robinson, the college's chaplain; Carolyn Sparks, associate vice president for enrollment and director of financial aid; and James Stukes, coordinator for college access and student success, is responsible for reviewing applications and supporting documentation. This committee met on May 18, 2020 to review all applications. The committee utilized a matrix to determine grant awards.

181 students qualified to receive payments for Part 2. The remaining \$149,628 has been allocated to these students as of May 19, 2020. Payments mailed on May 21, 2020.

103 students who received funding during Part 1 of this distribution plan applied for and were eligible for relief to be granted in Part 2. If students are currently receiving federal financial aid, receiving funding from this CARES Act Fund does not impact their current or future aid package.

The college's objective in this process was to be transparent and fair to each student to ensure the proper funding was distributed and received. In addition to granting CARES Act HEERF funds to students, Wofford has awarded a total of \$14,825 to 14 students from its OneWofford Fund.
