## EDUCATION

### Wofford College

Spartanburg, SC

*Bachelors of Science in Finance | Bachelor of Science in Biology*

2020 - 2024

- **GPA:** 4.0 / 4.0
  - **Honors/Activities:** Launch entrepreneurship program, James-Atkins student managed Investment Fund, Dean's List, Teachers assistant, Resident assistant, Student tutor, Kappa Sigma philanthropy chair, winner of school-wide entrepreneurship challenge, neuroscience research assistant, and will be studying abroad in Copenhagen, Denmark for credit (spring 2022)
  - **Scholarship:** Sole recipient of the Richardson Family Scholarship: Merit based, selective interview-process, full-ride
- 

## WORK EXPERIENCE

### Oncocyte Corporation

Nashville, TN

*Pharmaceutical Operations Intern*

June 2022 - August 2022

- Involved in all aspects of business and partnership acquisition through extensive interaction with both Diagnostic and Pharmaceutical companies; performed peer comparison analysis
- Specialized in the valuation and market research of 2nd Generation cancer therapeutic companies in search of potential partners that could benefit from *Oncocyte's (NASDAQ:OCX) DetermaIO* assay, gained experience in conducting due diligence and helping make Management/Board presentations throughout this process
- Became proficient in scientific service sales, client relations, medical affairs and the pharmaceutical/biotech industries

### James-Atkins Student-Managed Investment Fund

Spartanburg, SC

*Research Analyst*

August 2022 - Present

- Research financial markets and present findings to fund managers on recommendations to buy, sell, or hold companies to benefit the fund's ~\$350k in assets. Use valuation and modeling techniques such as dividend discounting, DCF and more
- Work with the *Domestic Equity and Alternative Investments* team, partnered with *Venture South*, to invest in venture startups throughout the Southeastern United States

### Campus Connections LLC

Spartanburg, SC

*Co-founder of a Startup company*

November 2021 - Present

- Developing a consolidated platform that connects student providers/entrepreneurs with student customers in need of their services; creating a mini-economy on each college campus, that allows students the chance to find safer, on-campus transactions that benefit their peers who offer skill-based services or products

#### Progress/Business Development:

- Finished 4th in a SC statewide venture pitch competition of over 60 teams, won 1st place in Wofford's annual Terrier start-up entrepreneurship challenge, top 5 finish in the SOCON entrepreneurship challenge
- Pitched our concept to *Project10k*, went through a period of due diligence with them, then were offered a 50/50 partnership which we declined
- Raising seed funding money (currently at \$8441 of our \$50,000 goal), created a site map, meeting with app developers, conducting due diligence, and conversing with venture capitalists and many tech angel investors
- Dedicating more than ten plus hours per week to working on this concept and our app launch

### ApexAutoFR Car Detailing

Fredonia, NY

*Co-Owner/operator*

May 2020 - August 2020

- Started a car detailing business during the pandemic and managed to make nearly \$2,000 a month
  - Proficient usage of Microsoft Excel in order to keep records of inventory, profits, expenses, as well as the income and costs analysis of the business; also gained valuable marketing practice
- 

## OTHER ACHIEVEMENTS/PROFICIENCIES

- **Achievements:** High School Valedictorian: Ranked 1st out of 112 students
- **Technical Skills:** Excel, PowerPoint, Financial Analysis/modeling, currently learning Bloomberg Terminal
