

HOW TO SET UP A HANDSHAKE ACCOUNT

The Career Center at Wofford College uses Handshake as a platform for posting jobs and internships. We encourage all employers to create their own account on Handshake so they can have quick and efficient access to all Wofford students.

For more information, contact Rebecca Parker at parkerm@wofford.edu.

1. Go to Wofford.joinhandshake.com.
2. Click “register here” in the top right corner of the page.
3. Select “Are you an employer? Create an account here.”
4. Follow the steps on the screen.
