PAPADOPOULOS SCHOLARSHIP APPLICATION

Please fill out this application and attach it to an email addressed to UR@wofford.edu along with the documents indicated below. Applications during the 2026-27 academic year are due on November 2, 2026.

The Gus and Maria Papadopoulos Endowed Scholarship: The purpose of the scholarship fund is to select students with a strong interest in biology and/or chemistry and who have a possible career aspiration in healthcare. The funds will help provide and/or support a summer research opportunity for further study and research at the appropriate outstanding institution.

Name:

Personal Statement: Provide a personal statement of approximately 300 - 500 words in length that accounts for your interest in a summer research opportunity in STEM and a future career in healthcare.

Research Project (if applicable): Do you already have a research project in mind? If so, please briefly describe.

Proposed Budget: If possible**,** provide a draft budget that accounts for the financial support that you are seeking.

Resume: Provide an up-to-date resume.

Next Steps: After reviewing your application, we will contact you and schedule an interview to discuss your candidacy.

Questions? Please contact Dr. Ramón Galiñanes at Galinanesr@wofford.edu
