If there is any conflict, the official documents prevail. These documents are available upon request through the Human Resources Department. Human Resources Department, Wofford College
Benefits for You and Your Family

Wofford College recognizes that benefits are an integral and valuable component of your total compensation package. We provide you with a high quality and affordable employee benefits program that meets your family’s needs. This guide is intended to be a high-level summary of the benefit plans we offer effective January 1, 2024. For full details about our plans, please refer to the summary plan descriptions. Listed below are the Wofford College benefits available to our employees:

- Medical
- Dental
- Vision
- Basic Life and AD&D
- Voluntary Life and AD&D
- Short Term Disability
- Long Term Disability
- EAP
- FSA Plan
- Long Term Care
- Voluntary Critical Illness, Accident, Hospital
- Wellness

Who is Eligible?
Full-Time employees working at least 30 hours per week and their eligible dependents may participate in the Wofford College benefits program.

Generally, for the Wofford College benefits program, dependents are defined as:

- Legal spouse
- Dependent “child” up to age 26. (Child means the employee’s natural child, adopted child, stepchild, and any other child as defined in the summary plan descriptions)

When is My Coverage Effective?
If you are a new Wofford College eligible full-time employee and wish to enroll, your coverage is effective the 1st day of the month following the date of hire or coincident with the date of hire.

Changing Coverage During the Year
Generally, you can only change your benefit elections during the annual benefits enrollment period. However, you may be able to change some of your benefit elections upon the occurrence of certain change in status events, provided you properly notify Human Resources and the change is permitted under the plan terms. Examples of these changes in status events may include:

- Marriage
- Divorce
- Birth or adoption of an eligible child
- Death of your spouse or covered child
- Change in your spouse’s work status that affects their benefits
- Change in your child’s eligibility for benefits
- Receiving Qualified Medical Child Support Order (QMCSO)

If you have a family status change, you must notify Human Resources within 30 days of the change in order to make a change in your medical, dental, FSA, or vision elections.

Due to our IRS Section 125 plan, what employees pay for their medical, dental, and vision benefits will be pre-taxed, and most employees will see a tax savings of approximately 30% due to no federal, state, or FICA taxes being imposed on these payroll deductions.
At Wofford College, we understand that each employee has unique needs and circumstances, so we are excited to offer you an affordable and robust benefits package! Like last year, we are partnering with an Enrollment Education Firm, E3 Benefit, to provide personalized 1 on 1 benefits education sessions to all employees.

It is extremely important that you take action during this open enrollment period, whether you are newly enrolling, making changes, keeping coverage the same, or waiving benefits.

My Benefits Manager
Quick Start Guide: PAI Member Portal – Medical Plan

Log in to your medical benefit portal to view important plan information, request an ID card, find a network provider, view claims information, see member discounts and more.

How to Register:
2. Click on Select your portal and choose Member Portal.
3. Click on Create account, accept the license agreement, click Next, and follow the prompts. Enter your name exactly as shown on your member ID card.

For security, a new account is required and a two-step authentication process has been added. Your Member ID Number is on your ID Card.
4. Once completed, an email is sent confirming success of the sign-up process.

Logging In:
Once you have registered for the Member Portal, you may use your username and password to sign in. The Sign In button is on the Member Portal home screen.

Once logged in to the Home page, you can see dashboards containing your coverage summary, claim information and Quick Links.

Access the member portal at paisc.com/members. For plan questions, call the phone number listed on your ID card.
Creating a Member Portal account is easy and takes only a few minutes. Dependents (a spouse or children over the age of 16) will need the policyholder’s Member ID number, located on the front of the Member ID card. For confidentiality reasons, we cannot register you over the phone. However, we are here to help you walk through the registration process, if needed.

Due to HIPAA regulations, all dependents over the age of 16 must create their own member account and allow or deny permission for the others on the account to view their claims. The policyholder can see all members listed on their account. Claims information is accessible to them once permission to their account is granted. The policyholder and their spouse will be able to view claims for dependents under the age of 16.

To Create Dependent Account:

1. Log in to paisc.com.
2. Each adult over the age of 16 will need to go to the MyBenefitsManager Member Portal, select Create Account and accept the license agreement.
3. Click on the Are you a dependent? box to open the top two dependent information fields.
4. In the Dependent First Name field, dependents will enter their name exactly as it was submitted during enrollment, which may include a middle initial or middle name that must also be entered in this field.
5. In the Dependent DOB field, enter dependent’s date of birth.
6. Enter the policyholder’s Member ID number, located on the front of the policyholder’s Member ID card.
7. Enter policyholder’s First Name* and Last Name* exactly as they appear on the Member ID card.
8. Enter policyholder’s Date of Birth.
9. Enter Group Number located on the front of the Member ID card.
10. Create your username and password by:
    - Entering your email address
    - Creating/entering a password
    - Answering three security questions (to be used for username or password retrieval)

If you get an error message that states “Username already assigned,” it usually means that the username you are trying to enter is already in use by someone at another company. Use another variation of the username. Experiment with other formats (smithj or jsmith1 for jsmith, for instance) until the portal is able to accept the new username.

11. You will receive an email confirming you have successfully completed the sign-up process and will be able to login using your new username and password.

Important Notes When Registering:

If a middle initial appears on your Member ID card, include it in the First Name field of the registration form, as shown below.

If a period (.) appears on your Member ID card after the middle initial, be sure to include it. If no period (.) is present, be sure not to add one.

If a comma (,) appears on your Member ID card after the last name and before the suffix, be sure to include it. If no period (,) is present, be sure not to add one.

If a suffix appears, such as Jr. or Sr., add it in the Last Name field.

If a period (.) appears on your Member ID card after the suffix be sure to include it. If no period (.) is present, be sure not to add one. Exact names are required. For example, if John is your first name, but you go by Jack, John will be required in the First Name field.
Wofford College will continue to offer a dental program through Sun Life. The chart below is a brief outline of the plans. Please refer to the Certificate of Coverage for complete plan details.

Flexible Spending Account

The Flexible Spending Account (FSA) plan with Flores & Associates (TPA) allows you to set aside pre-tax dollars to cover qualified expenses you would normally pay out of your pocket with post-tax dollars. The plan is comprised of a health care spending account and a dependent care account. You pay no federal or state income taxes on the money you place in an FSA.

How an FSA works and the Debit Card for Eligible Medical, Dental, Vision Expenses:

• Choose a specific amount of money to contribute each pay period, pre-tax, to one or both accounts during the year.
• The amount is automatically deducted from your pay at the same level each pay period.
• As you incur eligible expenses, you may use your Health Care FSA debit card to pay at the point of service or submit the appropriate paperwork to be reimbursed by the plan.
• If you participate in the Health Care FSA, you will be issued a Debit Card that is valid for five years from its issue date. Do not discard your card prior to its expiration date. At the start of each new plan year, your Debit Card will be reloaded with your new election amount. A new card will be mailed to you when your expiration date is approaching.
• You can use your Flores Debit Card to pay for expenses incurred during your active enrollment period in the current plan year. If a provider or merchant does not accept Debit Cards, you have the option to file a manual request for reimbursement of your eligible out-of-pocket cost. If you terminate employment during the plan year, the card will be turned off at that time. Only expenses incurred while you are an active participant will be considered reimbursable.

Important rules to keep in mind:

• The IRS has a strict “use it or lose it” rule. If you do not use the full amount in your FSA, you will lose any remaining funds. However, Wofford’s plan has a Health Care FSA Rollover provision allowing you to rollover up to $610 of unused Health Care FSA funds at the end of the plan year, reducing your risk of forfeiting unused money you have contributed. You can continue to roll up to $610 from year to year (rollover maximum is updated each year by the IRS).
• Once you enroll in the FSA, you cannot change your contribution amount during the year unless you experience a qualifying life event.
• You cannot transfer funds from one FSA to another.

Please plan your FSA contributions carefully, as any funds not used by the end of the year exceeding the $610 rollover amount will be forfeited. Re-enrollment is required each year.

Important Legal Notices Affecting Your Health Plan Coverage

THE WOMEN’S HEALTH CANCER RIGHTS ACT OF 1998 (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

NEWBORNS ACT DISCLOSURE - FEDERAL

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

NOTICE OF SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Further, if you decline enrollment for yourself or eligible dependents (including your spouse) while Medicaid coverage or coverage under a State CHIP program is in effect, you may be able to enroll yourself and your dependents in this plan if:

- coverage is lost under Medicaid or a State CHIP program; or
- you or your dependents become eligible for a premium assistance subsidy from the State.

In either case, you must request enrollment within 60 days from the loss of coverage or the date you become eligible for premium assistance.

To request special enrollment or obtain more information, contact the person listed at the end of this summary.
The Wofford College Wellness Plan is a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test for triglycerides, cholesterol and glucose measurements. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health center clinic visits and health coaching. You also are encouraged to share your results or concerns with your own doctor.

**Protections from Disclosure of Medical Information**

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Wofford College may use aggregate information it collects to design a program based on identified health risks in the workplace, Wofford College Wellness Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is Wofford College Health Center in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Human Resources Department at humanresources@wofford.edu.
WELLNESS PROGRAM DISCLOSURE

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact Human Resources and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (“ERISA”). ERISA provides that all participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the Plan Administrator’s office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan’s annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called “fiduciaries” of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants. No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 per day, until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.
Assistance with your Questions
If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

### Important Notice from Wofford College About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Wofford College and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area.

Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Wofford College has determined that the prescription drug coverage offered by the plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.
When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current Wofford College coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current Wofford College coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan? You should also know that if you drop or lose your current coverage with Wofford College and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...
Contact the person listed below for further information. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Wofford College changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:
• Visit www.medicare.gov
• Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
• Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

**Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).
If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information
When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.1

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

1 An employer - sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
PART B: Information About Health Coverage Offered by Your Employer

If checked, this coverage meets the minimum value standard*, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here’s the employer information you’ll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

*An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)
