NURSE PRACTITIONER

Wofford College is a place where thought leads, where ideas are celebrated and problem solving is expected. Wofford invites applicants who are focused on student success and excited to join a community committed to preparing thought leaders.

Wofford College, established in 1854, is a four-year, residential liberal arts college located in Spartanburg, South Carolina. It offers 27 major fields of study to a student body of 1,800 undergraduates. Nationally known for the strength of its academic program, outstanding faculty, experiential learning opportunities and successful and supportive graduates, Wofford is recognized consistently as a “best value” and for its commitment to student success and accessibility for low- and middle-income students. The college community has 12 sororities and fraternities as well as 20 NCAA Division I athletics teams.

Wofford College’s Wellness Center invites applications for a nurse practitioner. The nurse practitioner will provide acute/episodic medical care to students, faculty and staff with complex nursing/medical needs, in collaboration with their primary care providers. The nurse practitioner will assist in program planning, coordination of health education, and integration of wellness strategies and lifestyle modifications.

The nurse practitioner is a part-time position working 20-25 hours per week located on campus.

RESPONSIBILITIES

- Completes and records health histories of patients, inclusive of family history.
- Performs examinations, including physical, developmental, and psychosocial assessments and screening of identified problems/threats to health and wellness.
- Examines patient data/findings and develops an appropriate plan of care.
- Prescribes treatments/medications for identified nursing/medical needs, done within agreed-upon protocol guidelines in collaboration with the medical director or the patient’s primary health care provider.
- Refers patients to other health care specialists when the complexity of the nursing/medical needs exceeds the scope of practice in Medical Services.
- Provides in-depth health education, counseling and monitoring of current health care issues, including but not limited to family planning, STI’s, common illnesses, injuries, immunizations, previously undiagnosed and/or stable chronic medical conditions, environmental hazards and medical regimens.
- Participates in activities of Medical Services and the Wellness Center.
- Assists the director of Medical Services with the training of residence hall staff and Campus Safety staff.
- Complies with OSHA bloodborne pathogen standards, CLIA and DHEC regulations.
- Complies with HIPAA guidelines and with confidentiality of records.
- Assists the Medical Services director with educational programs, health fairs and other educational venues.
• Performs CLIA waived tests.
• Maintains membership in appropriate health association.
• Maintains individual clinical competency in areas of responsibility.
• Maintains harmonious working relationship with co-workers, students, faculty and staff.
• Available to take calls on weekends as needed.
• Establishes and monitors standards for practices in Medical Services.
• Represents Wofford College Wellness Center as needed on campus or in the community.
• Other duties as deemed appropriate by the director of Medical Services or the director of the Wellness Center.

QUALIFICATIONS AND SKILLS
• Current South Carolina or eligible for South Carolina Advanced Practice Registered Nurse (APRN) with an MN, MS, or MSN as an Adult, College Health and/or Family Nurse Practitioner.
• CPR certification, preferred instructor certified (either ARC or AHA).
• Prescriptive authority in South Carolina with current state and federal DEA numbers.
• Must be able to handle stressful situations with sound judgment.
• Must be able to work independently under general supervision of director of Medical Services and within the guidelines of the state board of nursing.
• Should be able to lift at least 30 pounds.
• Must be able to sit or stand for long periods of time, have good use of hands, and have good vision, hearing and listening skills.
• Should have protection against exposure to bloodborne pathogens and up to date on COVID-19 vaccine and boosters.
• Ability to communicate clearly, both orally and in writing, and cope with constant interruptions.
• Knowledge and use of computer, telephone, sphygmomanometer, exam table, stethoscope, otoscope and other medical equipment and supplies as needed
• Be willing and able to learn current EMR system used in Wofford Wellness Center.
• Experience working with collaborating physicians regarding protocols for practice.

APPLICATION
Resumes should be submitted electronically to npjob@wofford.edu. Review of applicants will begin Nov. 28, 2022 and continue until the position is filled.
