

Financial Certification for International Students

Wofford College Office of Admission / 429 North Church Street / Spartanburg, South Carolina 29303-3663 / USA

United States immigration law requires Wofford College to verify that students entering the U.S. on temporary F-1 visas have adequate financial resources to meet expenses. We must have this information and an advance deposit of \$500 (U.S. dollars) before we can send any visa documents to incoming students. By law, international students must study full time during the academic year and are not allowed to work off campus in their first year. Therefore, one should not include any income from U.S. employment as part of the financial plan. International students are not eligible for any federal or state aid. However, international students who have demonstrated exceptional ability may be eligible for academic and/or athletic scholarships. Full payment of fees is due August 15th (Fall Term) and January 15 (Spring Term) and must be paid to Wofford College by a certified check in U.S. dollars or international wire transfer.
