## From the Office of International Programs

**Updated COVID-19 vaccine policy for Interim 2023 travel/study projects:** The COVID-19 vaccine policy has been updated for Interim 2023 travel/study projects. You can access the updated policy [here](#). Contact the Office of International Programs at [internationalprograms@wofford.edu](mailto:internationalprograms@wofford.edu) if you have any questions or concerns.

**Passport processing times:** Students interested in studying abroad during a future term are strongly encouraged to apply for their passports as soon as possible. A student's passport must be valid for a minimum of six months (for most locations) beyond their program's end date. Due to COVID-19 and its impact on the U.S. Postal Service, **the U.S. State Department is currently experiencing delays in receiving passport applications, with routine processing service estimated to take as long as 10 weeks.** We, therefore, recommend that students send their application using USPS' Priority Mail Express and consider requesting expedited service if able. **Click here for more information on securing a passport.**

**International Education Week:** Every year, the U.S. Department of State and the U.S. Department of Education promote cultural exchange during **International Education Week (IEW)**. This year, International Education Week will be held Nov. 14-18. The Office of International Programs, along with study abroad alumni and faculty, is designing a variety of events during IEW to engage the campus community and highlight the value of study abroad and intercultural exchange. Students should stay tuned to Daily Announcements for more information on events.

**C. Yorke Lawson Cultural Immersion Scholarship:** The generous C. Yorke Lawson Cultural Immersion Scholarship is designed to support ambitious students wishing to study abroad for a full academic year with a focus on cultural integration. This competitive scholarship will fund one student for the 2022-23 academic year. The application deadline is Saturday, Feb. 25 at 11:59 p.m. For more information and to access the application, visit [wofford.studioabroad.com/?go=Lawson](http://wofford.studioabroad.com/?go=Lawson).

**The Benjamin A. Gilman International Scholarship:** – The Benjamin A. Gilman International Scholarship is a scholarship opportunity available to students who receive a Federal Pell grant. Eligible students may receive up to \$8,000 in funding for a study abroad or intern abroad experience. The next cycle of applications are due Sunday, Feb. 26, 2023. To learn more about the Benjamin A. Gilman International Scholarship, visit [gilmanscholarship.org](http://gilmanscholarship.org).

**Advising for summer and fall 2023 study abroad:** Students interested in studying abroad during the summer or fall 2023 terms can meet with international programs staff virtually via Zoom or in-person. Students can sign up for an advising appointment [here](#). The summer and fall 2023 application deadline is March 1. Students who study abroad for a semester are able to transfer their financial aid to cover program costs. This allows students to study abroad for a semester at a cost comparable to what they would pay for a semester on campus. For any questions regarding semester study abroad, email [internationalprograms@wofford.edu](mailto:internationalprograms@wofford.edu).

**Summer internships abroad: Applications due in February:** Students interested in participating in an international summer internship should be aware that most programs have earlier deadlines than our March 1 summer application

deadline. Students will need to meet with the Office of International Programs for an advising meeting and complete all application materials before the internship program deadlines in February. For specific program information and deadlines, students can contact [internationalprograms@wofford.edu](mailto:internationalprograms@wofford.edu).

### **First-Generation College Student Celebration Week 2023 events**

First-Generation College Student Celebration Day is celebrated nationally each year on Nov. 8, and Wofford will be hosting a week of events to highlight these students for the fourth consecutive year. Wofford Firsts was started in 2018 by the Office of Student Success to celebrate the college's first-gen student population, which represents 15% of the student body while providing a sense of community and support. This year's theme is "I Am First-Gen" and will include keynote speaker Caitlynn Myer '18, giveaways, a first-gen student/faculty/staff mixer, karaoke and more! First-Gen Student Celebration Week on campus will run from Nov. 7-10. Registration and event information will be distributed via email, the Daily Announcements and Instagram. To learn more about Wofford Firsts, please follow us on Instagram [@woffordfirsts](https://www.instagram.com/woffordfirsts) and visit our website: [wofford.edu/academics/provost/student-success/wofford-firsts](http://wofford.edu/academics/provost/student-success/wofford-firsts).

### **From the Office of Financial Aid**

Here are a few items for you and your student to think about.

1. The 2023-24 Free Application for Federal Student Aid went live on Oct. 1. Wofford's priority deadline for current students is March 15, 2023. If your student receives federal grants and loans, an S.C. Tuition Grant and/or non-merit-based Wofford aid, you must submit the FAFSA every year.
2. Aid offers for returning students are released in early June for the next academic year.
3. Our **Financial Aid Handbook** contains helpful information regarding financial aid and scholarships, including scholarship renewal requirements.
4. We encourage students to grant **proxy** access so we can discuss financial aid with others.

As always, feel free to contact our office if you have questions or concerns.
