## WOFFORD COLLEGE PARENTS AND FAMILIES

PARENTS | ALUMNI | MAKE A GIFT! WOFFORD TODAY

I hope all of your students are settled in and ready for a great fall semester. It was a joy to see so many smiling faces during the move-in days. We look forward to seeing all of you back on campus at the end of the month for Family Weekend. Please let me know if I can do anything for you or your student. Go Terriers!

### **From the Office of International Programs**

**Advising for spring 2023 study abroad:** Students interested in studying abroad during the spring 2023 semester can meet with international programs staff virtually via Zoom or in person. Students can sign up for an advising appointment [here](#). The spring 2023 application deadline is Oct. 1.

**Interim 2023 travel/study projects – no deposit required:** The list of travel/study programs from Interim 2023 is available [here](#). Applications will be

reviewed/accepted on a rolling basis until the final deadline of Sept. 18. We have removed the deposit requirement for interim 2023 in hopes that more students will have the opportunity to participate in a travel/study Interim. We have combined the Wofford Travel Grant application with the program application to streamline the process even more. Wofford Travel Grant recipients will be awarded in September after the final deadline.

**Study Abroad Fair:** All students interested in studying abroad while at Wofford are encouraged to attend the annual Study Abroad Fair. This year's fair will be combined with the Mungo Exchange Block Party. More details will be announced as we get closer to the event on Sept. 22. Representatives from Wofford's approved programs will be available to answer students' questions and distribute information and resources. We'll be giving away free swag too!

**The Benjamin A. Gilman International Scholarship:** The Benjamin A. Gilman International Scholarship is a scholarship opportunity available to students who receive a Federal Pell grant. Eligible students may receive up to \$8,000 in funding for a study abroad or intern abroad experience during any term. The Office of International Programs will host an interest session for students in early September before the application deadline of Sept. 25. During the interest session, international programs advisers will review the scholarship goals, eligibility requirements and application components with interested students. To learn more about the Benjamin A. Gilman International Scholarship, visit [wofford.studioabroad.com/?go=GilmanScholarship](http://wofford.studioabroad.com/?go=GilmanScholarship).

**Office of International Programs Family Weekend reception:** Please join the Office of International Programs for a reception and meet-and-greet on Friday, Sept. 30 from 3:30-5 p.m. in the lobby of the international programs office, located in the Michael S. Brown Village Center, 113. This reception is for Wofford families who have students who will be participating in a spring 2023 study abroad program or plan to participate in a future semester study abroad program. RSVP to [internationalprograms@wofford.edu](mailto:internationalprograms@wofford.edu) by Monday, Sept. 26.

**Passport processing times:** Students interested in studying abroad during a future term are strongly encouraged to apply for their passports as soon as possible. A student's passport must be valid for a minimum of six months (for most locations) beyond their program's end date. Due to COVID-19 and its impact on the U.S. Postal Service, **the U.S. State Department is experiencing delays in receiving passport applications with routine processing service estimated to take as long as 11 weeks.** We recommend that students send their application using USPS' Priority Mail Express and consider requesting expedited service if able. **Click here for more information on securing a passport.**

**Updated COVID-19 vaccine policy for Interim 2023 travel/study projects:** The COVID-19 vaccine policy has been updated for Interim 2023 travel/study projects. You can access the updated policy [here](#). Contact the Office of International Programs at [internationalprograms@wofford.edu](mailto:internationalprograms@wofford.edu) if you have any questions or concerns.

### **From the Career Center in the Mungo Exchange**

The semester has started and it has been great to welcome students back and see them coming into the Career Center in the Mungo Exchange to talk about their career hopes and plans. The Career Center is devoted to helping your student develop the necessary skills, mindset and confidence to create success for a lifetime. From choosing a major to pursuing their first professional internship, preparing for graduate school or fostering their entrepreneurial mindset, we are here to provide tools and resources for every step of the way. There are two things we wanted to make sure you are aware of.

#### Career Center 24/7

The Career Center in the Mungo Exchange is excited to introduce our new website, which we are calling Career Center 24/7. This new custom online career portal allows users to explore the full range of career resources. Through Career Center 24/7, your students will be able to find and explore career resources such as jobs and mentors, as well as sign-up for Career Center events. Career Center 24/7 allows students to see information and resources specific to career communities, geographies and identities. In addition, the sites host online guides on resume writing, blog entries, specific careers, job searching and Launch, our entrepreneurship program. Students, faculty and staff can stay up to date by signing up for content you are interested when you click follow this community on each page.

#### Calling all Parents

As part of the reorganization of the Career Center in the Mungo Exchange, Rebecca Parker was promoted to director of external relationships. Rebecca is actively seeking alumni, parents and friends of the college who are looking to

deepen their connection with the college through internships, shadowing or other career preparation activities. If you would like to learn more about this work or have an opportunity you want to share with Wofford students please reach out to Rebecca at parkerm@wofford.edu or 864-597-4265.

We look forward to working with your student and helping him/her prepare for life after Wofford.
